Arms Of Death:

A History of the Old Town of Stratford and the City of Bridgeport, Connecticut Samuel Orcutt, 1886 Gold Coins of the World - 9th edition Arthur L. Friedberg, Ira S. Friedberg, Robert Friedberg, 2017-01-05 A unique and indispensable reference work Unsurpassed in content and scope When the first edition of Gold Coins of the World made its debut in 1958 it forever changed the way gold coins were collected cataloged traded and priced For the first time one book provided a reliable guide for a subject which previously required an often expensive investment in multiple volumes of literature some of it rare and antique and much of it badly out of date With the publication of this pioneering work Robert Friedberg 1912 1963 established himself as an international icon in the field of numismatic literature This book and the Friedberg Numbering System he developed became then and is still today the internationally recognized standard for systematically identifying any gold coin ever made From just 384 pages in 1958 Gold Coins of the World has expanded to the extent that it now contains more than triple the information of its ancestor It still stands alone as the first and only book to describe catalog and price two millennia of gold platinum and palladium coin issues from across the globe From the first coins of the ancient Greeks to the most recently issued modern commemoratives they are all here an astonishing compilation of more than 21 000 individual coin listings accompanied by over 8 000 actual size photographs The prices have been completely updated for the most part raised substantially to reflect the current market Entire sections have been expanded many illustrations have been added or improved and hundreds of new discoveries and recent issues have been included for the first time Arthur Friedberg president of the International Association of Professional Numismatists from 2001 to 2007 and now its Honorary President and Ira Friedberg have completely revised and expanded their late father's work They have had the valuable assistance and cooperation of a who's who of the leading numismatists on every continent in bringing this edition to fruition For the numismatist banker economist historian institution of higher learning or a fancier of the noble metal in all its forms Gold Coins of the World is a book for every library public and private The Soft Arms of Death, Etc Richard HAYWARD (Novelist.), 1955 *Journal of the National Cancer Institute* , 2009 West-Country Stories and Sketches, Biographical and Historical William Henry Hamilton Rogers, 1895 **Accounts and Papers of the House of Commons** Great Britain.
