Presents Jules Verne Brian Taves,2015-05-26 An illuminating look at how filmmakers have taken us around the world under the sea and to the center of the earth over the course of a century Milwaukee Express Even for those who have never read Jules Verne the author s very name conjures visions of the submarine in Twenty Thousand Leagues Under the Sea the epic race in Around the World in Eighty Days the spacecraft in From the Earth to the Moon and the daring descent in Journey to the Center of the Earth One of the most widely translated authors of all time Verne has inspired filmmakers since the early silent period and continues to fascinate audiences more than a century after his works were first published His riveting plots and vivid descriptions easily transform into compelling scripts and dramatic visual compositions In Hollywood Presents Jules Verne Brian Taves investigates the indelible mark that the author has left on English language cinema Adaptations of Verne s tales have taken many forms early movie shorts serials feature films miniseries and television shows and have been produced as both animated and live action films Taves illuminates how as these stories have been made and remade over the years each new adaptation looks back not only to Verne s words but also to previous screen incarnations He also examines how generations of actors have portrayed iconic characters such as Phileas Fogg and Captain Nemo and how these figures are treated in pastiches such as Journey 2 The Mysterious Island Investigating the biggest box office hits as well as lower budget productions this comprehensive study will appeal not only to fans of the writer s work but also to readers interested in the ever changing relationship between literature theater and film *Victoria, Queen of the Screen* Leigh Ehlers

Telotte,2020-06-26 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria s on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography *Character-Based Film Series Part 3* Terry Rowan,2016-08-31 The Character

based film series each complete on its own but sharing a common cast of main characters with continuing traits and a similar situation format and stars include Abbott Costello Alan Ladd Batman Calamity Jane Elvis Presley Harry Callahan Harry Palmer Hercules Indiana Jones James Bond John Wayne Laurel Hardy Martin Lewis Matt Helm Nick Carter Red Ryder The Saint Sinbad the Sailor Spider Man Star Trek Texas Rangers The Thin Man The Three Stooges and Tony Rome plus so many more character based series The third book in the series of 3 See the other Books in the series [The Encyclopedia of Best Films](#) Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i.e. animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection **Christopher Lee and Peter Cushing and Horror Cinema** Mark A. Miller, David J. Hogan, 2020-02-28 From their first pairing in Hamlet 1948 to House of the Long Shadows 1983 British film stars Christopher Lee and Peter Cushing forged perhaps the most successful collaboration in horror film history In its revised and expanded second edition this volume examines their 22 movie team ups with critical commentary complete cast and credits production information details on cinematography and make up exhibition history and box office figures A wealth of background about Hammer Amicus and other production companies is provided along with more than 100 illustrations Lee and Cushing describe particulars of their partnership in original interviews Exclusive interviews with Robert Bloch Hazel Court and nearly fifty other actors directors and others who worked on the Lee Cushing films are included **World Film Locations: Liverpool** Jez Conolly, Caroline Conolly, 2013-01-01 Outside of the capital London no other British city has attracted more film makers than Liverpool Sometimes standing in for London New York Chicago Paris Rome or Moscow and sometimes playing itself or a version of its own past in Beatles biopics Liverpool is an adaptable filmic backdrop that has attracted film makers to its ports for decades A place of passion humour and pride Liverpool evokes caverns and cathedrals ferries and football grounds it is a city so vivid we see it clearly even if we've never been there From the earliest makers of moving images among them the Mitchell Kenyon film company the Lumi re brothers and pioneering early cinematographer Claude Friese Greene who preserved the city the river the docks the streets and the people Liverpool has endured as a

cinematic destination This collection celebrates that survival instinct and will be welcomed by enthusiasts of British cities films and culture

New York Magazine ,1988-09-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Jules Verne on Film Thomas C. Renzi,2004-03-24 Jules Verne Voila a name that resonates with visions of fantastic adventures and images of exotic exploits In his voyages extraordinaires the noted French author fuses his encyclopedic knowledge of science and geography with his ability to tell fascinating tales taking his readers on unprecedented journeys across the globe into the earth and out into space This revered writer who with his boundless imagination had hoped to contribute substantially to the world of letters has surpassed that expectation to become coincidentally a significant influence on film Jules Verne on Film is both a penetrating analytical overview of Verne s epic novels and a comprehensive filmography of the numerous films inspired by his stories and characters There are the obvious adaptations that come directly from the pages of Verne s writings films such as In Search of the Castaways and Mysterious Island However looking closely at the plots characters and themes of many other films science fiction and otherwise one discovers that the incomparable Verne has had a far wider influence on filmmakers than one might have thought For instance most of us are familiar with Disney s 20 000 Leagues Under the Sea 1954 and some of us may have even seen the two 1997 television productions But Verne s classic undersea adventure also provides the underpinnings for such entertaining movies as Fantastic Voyage 1966 and Innerspace 1987 Structurally Jules Verne on Film begins with a biographical sketch and contains 23 chapters arranged alphabetically according to book title starting with The Adventures of Captain Hatteras and ending with Voyage Across the Impossible Each chapter includes a summary and analysis of Verne s story followed by a chronological treatment of the cinematic adaptations compared to their respective written work Production credits appear in the film entries along with plot synopses and thorough critical commentaries
