Around The World With 1000 Birds:

Waterbirds Around the World G. C. Boere, Colin A. Galbraith, David A. Stroud, 2006 This book is the outcome of a major international conference on waterbirds held in Edinburgh in April 2004

Around the World with 1000 Birds Russell Boyman, 2002 Following one man's extraordinary answer to his midlife crisis this engaging story chronicles the worldwide pursuit of an uncommon goal Documenting the author's journey of finding 1 000 birds in their natural habitats and walking in the landscapes of every wildlife documentary he had ever watched this narrative travels from the Amazon jungle and the African Savannah to the glaciers of New Zealand savoring the splendors of the natural world Along the way all of his quirky adventures are recorded investigating the strange noises coming from the chalet next door deep in the Indian jungle finding an antelope in his shower and even flying halfway across the world for a weekend with one very special bird Providing a fascinating insight into the calming influence and inspiration that nature provides this voyage of emotions and experiences shows how one man gave up sweaty commuter trains and a stressful job to make his dream come true

The World's Rarest Birds Erik Hirschfeld, Andy Swash, Robert Still, 2013-03-17 An illustrated survey of the world's most endangered birds This illustrated book vividly depicts the most endangered birds in the world and provides the latest information on the threats each species faces and the measures being taken to save them Today 571 bird species are classified as critically endangered or endangered and a further four now exist only in captivity This landmark book features stunning photographs of 500 of these species the results of a prestigious international photographic competition organized specifically for this book It also showcases paintings by acclaimed wildlife artist Tomasz Cofta of the 75 species for which no photos are known to exist The World's Rarest Birds has introductory chapters that explain the threats to birds the ways threat categories are applied and the distinction between threat and rarity The book is divided into seven regional sections Europe and the Middle East Africa and Madagascar Asia Australasia Oceanic Islands North America Central America and the Caribbean and South America Each section includes an illustrated directory to the bird species under threat there and gives a concise description of distribution status population key threats and conservation needs This one of a kind book also provides coverage of 62 data deficient species

THE GOLDEN BIRD 2.0 Raina Singhwi Jain, 2020-09-24 The Golden Bird 2.0 draws from India's rich past to take a fresh look at its potential for a glorious future a second golden age shaped by powerful public will economic wherewithal and the nation's status as the world leader What made ancient India the Golden Bird in the first place What did China the Land of the Dragon have in common with India and when did these two ancient civilizations diverge on their paths to global success Raina Singhwi Jain discusses the immediate need and measures for a quantum jump in our attitude towards development While conventional wisdom suggests improvements in manufacturing the ease of doing business and digital technology Jain goes a step further drawing surprising parallels between other areas that beg our attention process engineering communication design journalism and education This is a work of reflection and a call to action
