West, 2024-05-20 America is broken Dissension anger and hopelessness all describe the political feelings of many Americans Families and friendships are fractured Our struggles seem to grow worse with each new election as we hear the same old hype This is the most important election of our lifetimes These realities apply to Christians and non Christians alike Yet aren t Christians supposed to offer hope Sadly there s little

evidence that Christians have the answers for America's struggles But there is hope In *Here We Go Again* an old approach is revisited Christians are reminded of an unconventional way of living one that Jesus and his disciples taught and modeled for Christians to follow In thought provoking ways *Here We Go Again* practically applies the truth of Scripture to many of today's most pressing political questions Should a Christian vote for the lesser of two evils Is Christianity's goal to transform culture or to Make America Great Again How should a Christian treat his political enemies Can your vote thwart God's will And more In *Here We Go Again* you will be challenged to realize that much of what you have been conditioned to believe might be at odds with Scripture Driver ,1984-08 *Here We Go Again* Alison Cochrun,2024-04-02 A queer rom com following once
