

**RE EX PARTE APPLICATION OF RIDZWAN IBRAHIM
(PRESUMPTION OF DEATH)**

**HIGH COURT MALAYA, KUALA LUMPUR
HELILIAH MOHD YUSOF J**

**[ORIGINATING MOTIONS NO: S7-25-8-2002]
27 AUGUST 2002**

EVIDENCE: Presumption - Death - Person missing for more than seven years - Declaration to presume person dead - Application for - Evidence Act 1950, s. 108 - Burden of proof - Whether there was evidence to prove person's whereabouts unknown - Syariah laws - Application involved a Muslim - Whether matter within jurisdiction of Syariah Court

The applicant applied to this court for a declaration that his relative, one Sheikh Mohamed, be presumed dead. Affidavits were tendered from those related to the said Sheikh to prove that efforts to secure information as to whether he was alive or dead had been unsuccessful.

The main issue in this matter was whether the said Sheikh could be presumed dead as no one close to him could ascertain whether he was alive. However, in considering the said application, this court saw it fit to comment on whether the present matter fell within the jurisdiction of the Syariah Court as firstly, the said Sheikh was a Muslim and the reason for the application was for the applicant to obtain letters of administration in relation to the said Sheikh's estate in absence of a will.

Held:

[1] Evidence disclosed that the applicant's father had failed in his efforts to obtain a death certificate of the said Sheikh. It was also indicated that the daughters of the said Sheikh had made a disclaimer to the assets of the latter which were situated in Malaysia. Such a conduct would not have been inconsistent with the said Sheikh being alive. Further affidavits from the applicant's relatives disclosed that the said Sheikh had left Malaysia for Saudi Arabia and had passed away. But attempts made by them to secure a death certificate have thus far been unsuccessful. (pp 505 f, h-i, 506 a, 514 b-d & 516 f-g)

[2] This court had the option of not making an order on the present application in view of the existence of a similar provision under the Syariah Court Civil Procedure (Federal Territories) Act 1998. However, granting this application would not be repugnant to the implementation of the 1998 Act. In allowing the application sought under s. 108 of the Evidence Act, consideration was also given to the fact that the period
