Art And Aesthetics At Work:

Art and Aesthetics at Work A. Carr, P. Hancock, 2003-04-15 Over the last decade or so aesthetic and art theory has played an increasingly significant role in the way work and its organization has come to be understood Bringing together the work of an international spectrum of academics this collection contributes in an overall more critical vein to such emerging debates Combining both empirical and theoretical material each chapter re evaluates the emerging relationship between art aesthetics and work exploring its potential as both a medium of critical analysis and as a site of conflict and resistance

Heidegger on Art and Art Works J.J. Kockelmans, 2012-12-06 This book grew from a series of lectures presented in 1983 in the context of the Summer Program in Phenomenology at The Pennsylvania State University For these lectures I made use of notes and short essays which I had written between 1978 and 1982 during interdisciplinary seminars on Heidegger's later philosophy in general and on his philosophy of language and art in particular The participants in these seminars consisted of faculty members and graduate students concerned with the sciences the arts literature literary criticism art history art education and philosophy On both occasions I made a special effort to introduce those who did not yet have a specialized knowledge of Heidegger's philosophy to his later way of thinking In this effort I was guided by the conviction that we as a group had to aim for accuracy precision clarity faithfulness and depth while at the same time taking distance comparing Heidegger's views with ideas of other philosophers and thinkers and cultivating a proper sense of criticism Over the years it has become clear to me that among professional philosophers literary critics scholars concerned with art history and art education and scientists from various disciplines there are many who are particularly interested in Heidegger's philosophy of art I have also become convinced that many of these dedicated scholars often have difficulty in understanding Heidegger's lectures on art and art works This is understandable

Art, Aesthetics, and the Brain Joseph P. Huston, Marcos Nadal, Francisco Mora, Luigi F. Agnati, Camilo José Cela Conde, 2015-06-25 Humans have engaged in artistic and aesthetic activities since the appearance of our species Our ancestors have decorated their bodies tools and utensils for over 100 000 years The expression of meaning using color line sound rhythm or movement among other means constitutes a fundamental aspect of our species biological and cultural heritage Art and aesthetics therefore contribute to our species identity and distinguish it from its living and extinct relatives Science is faced with the challenge of explaining the natural foundations of such a unique trait and the way cultural processes nurture it into magnificent expressions historically and ethnically unique How does the human brain bring about these sorts of behaviors What neural processes underlie the appreciation of painting music and dance How does training modulate these processes How are they impaired by brain lesions and neurodegenerative diseases How did such neural underpinnings evolve Are humans the only species capable of aesthetic appreciation or are other species endowed with the rudiments of this capacity This volume brings together the work on such questions by leading experts in genetics psychology neuroimaging neuropsychology art history and philosophy

It sets the stage for a cognitive neuroscience of art and aesthetics understood in the broadest possible terms With sections on visual art dance music neuropsychology and evolution the breadth of this volume s scope reflects the richness and variety of topics and methods currently used today by scientists to understand the way our brain endows us with the faculty to produce and appreciate art and aesthetics Informatics and Management Science I Wenjiang Du,2012-12-05 The International Conference on Informatics and Management Science IMS 2012 will be held on November 16 19 2012 in Chongqing China which is organized by Chongqing Normal University Chongqing University Shanghai Jiao Tong University Nanyang Technological University University of Michigan Chongqing University of Arts and Sciences and sponsored by National Natural Science Foundation of China NSFC The objective of IMS 2012 is to facilitate an exchange of information on best practices for the latest research advances in a range of areas Informatics and Management Science contains over 600 contributions to suggest and inspire solutions and methods drawing from multiple disciplines including Computer Science Communications and Electrical Engineering Management Science Service Science Business Intelligence **Philosophy of Arts (Aesthetics)** Mr. Rohit Manglik,2023-08-23 In this book we will study about the philosophy of beauty art criticism aesthetic experience and cultural meaning What Makes an Experience Aesthetic? Readings in Philosophy of Art and Aesthetics Milton Charles Nahm,1974 **Digital Art, Aesthetic Creation** Paul Crowther,2018-10-10 Is art created with computers really art This book answers yes Computers can generate visual art with unique aesthetic effects based on innovations in computer technology and a Postmodern naturalization of technology wherein technology becomes something we live in as well as use The present study establishes these claims by looking at digital art s historical emergence from the 1960s to the start of the present century Paul Crowther using a philosophical approach to art history considers the first steps towards digital graphics their development in terms of three dimensional abstraction and figuration and then the complexities of their interactive formats **Is There an Author in This Text?** Peter A. Sutcliffe,2013-12-13 The interpretation of any written discourse is problematic which is the concern of this book The relevant hermeneutical questions are Do authors communicate their intention so that understanding of their intent is possible Can a person other than an author speak through an author s text Can individual meaning which is personal ever be regarded as equivalent to that of the author Any assertion of God speaking in and through the biblical text must first deal with these hermeneutical questions Questions of the existence and speaking of God are matters of belief However questions asking can a God who exists speak so that I understand His intention and can my meaning be relative to His these are matters of hermeneutics The answer in contemporary philosophical approaches to texts has been to declare a resounding no creating confusion for someone seeking to deal with God s intention for their lives in understanding biblical text This must be addressed and not treated dismissively When this is done a resounding yes is disclosed as valid hermeneutically opening new horizons not only in dealing with biblical text but with any author s text This is not Christianized hermeneutics but an answer
