The Secret American Dream Nicholas Hagger,2011-01-01 This powerful sequel to The Secret Founding of America presents compelling evidence of a secret American Dream nothing less than the establishment of a benign world state which would establish a universal peace under which all the peoples of the Earth would flourish

What Do You Know About the United States? Rapha Holding,2010-05 This book is based on a true story to the best of my knowledge about a little girl who grew up being physically mentally and sexually abused most of her life She turned to drugs and alcohol to forget about everything At times things got so bad she decided to try and commit suicide several times until one day she met Danni her guardian angel who changed her life

The British Empire Philippa Levine,2013-11-04 This is a broad survey of the history of the British Empire from its beginnings to its demise It offers a comprehensive analysis not just of political events and territorial conquests but paints a picture of what life was like under colonial rule both for those who ruled and for those whose countries came under British authority There has been a lively debate in recent years about whether empires generally are good or bad things and the British Empire has been very much at the centre of that debate with a number of voices arguing that it was a kinder gentler Empire than its rivals This book speaks specifically to that debate and also to a second and equally vigorous debate about whether anyone in Britain actually cared about the possession of an Empire
