

The 1862 Plot to Kidnap Jefferson Davis

VICTOR VIFQUAIN

Edited by Jeffrey H. Smith and Phillip Thomas Tucker

1862 Plot To Kidnap Jefferson Davis

John Eicher, David Eicher

1862 Plot To Kidnap Jefferson Davis:

The 1862 Plot to Kidnap Jefferson Davis Victor Vifquain, 2005-01-01 Victor Vifquain's memoir is an engaging firsthand account of a bold attempt to kidnap the president of the Confederate States of America. Archived for nearly a century, the chronicle of this previously unknown and daring plot has been brought to light by historians Jeffrey H. Smith, Vifquain's great-great-grandson, and Phillip Thomas Tucker in a meticulously edited and annotated volume. The plot to ride into Richmond and capture Jefferson Davis was concocted by three brash adventurers who, using pseudonyms from *The Three Musketeers*, were soon involved in escapades worthy of Dumas's trio. This stunning story provides a fresh perspective on Richmond during the Civil War and a personal account of a scheme devised to bring an early end to the war. *Kill Jeff Davis* Bruce M. Venter, 2016-01-22 The ostensible goal of the controversial Kilpatrick Dahlgren Raid on Richmond, February 28–March 3, 1864, was to free some 13,000 Union prisoners of war held in the Confederate capital. But orders found on the dead body of the raid's subordinate commander, Colonel Ulric Dahlgren, point instead to a plot to capture or kill Confederate president Jefferson Davis and set Richmond ablaze. What really happened and how and why are debated to this day. *Kill Jeff Davis* offers a fresh look at the failed raid and mines newly discovered documents and little-known sources to provide definitive answers. In this detailed and deeply researched account of the most famous cavalry raid of the Civil War, author Bruce M. Venter describes an expedition that was carefully planned but poorly executed. A host of factors foiled the raid: bad weather, poor logistics, inadequate command and control, ignorance of the terrain, the failures of supporting forces, and the leaders' personal and professional shortcomings. Venter delves into the background and consequences of the debacle, beginning with the political maneuvering orchestrated by commanding brigadier general Judson Kilpatrick to persuade President Abraham Lincoln and Secretary of War Edwin Stanton to approve the raid. Venter's examination of the relationship between Kilpatrick and Brigadier General George A. Custer illuminates the reasons why the flamboyant Custer was excluded from the Richmond raid. In a lively narrative describing the multiple problems that beset the raiders, *Kill Jeff Davis* uncovers new details about the African American guide whom Dahlgren ordered hanged, the defenders of the Confederate capital who were not just the old men and young boys of popular lore, and General Benjamin F. Butler's expedition to capture Davis, as well as Custer's diversionary raid on Charlottesville. Venter's thoughtful reinterpretations and well-reasoned observations put to rest many myths and misperceptions. He tells at last the full story of this hotly contested moment in Civil War history.

Lionel Jobert and the American Civil War Stephen D. Bosworth, 2021-09-01 Millions of soldiers and civilians passionately supported one side or the other in the American Civil War. For Colonel Lionel Jobert d'Epineuil of the Fifty Third New York Volunteer Regiment, however, his own advancement mattered more than the outcome of the conflict. This biography analyzes the remarkable exploits of a man driven by ambition and unhindered by scruples to attain position and prestige in the Atlantic region during the second half of the nineteenth century. Lionel Jobert, 1829–1881, was born in France but is

described as having an Atlantic identity A ship captain by trade Jobert exploited unstable governmental conditions in Haiti and the United States to pursue his private interests Drawing on previously unused sources Stephen D Bosworth allows us to view the Civil War from the perspective of a foreign participant whose life constitutes one colorful tile in the vast mosaic that makes up the history of the nineteenth century Atlantic **Public Executions in Richmond, Virginia** Harry M.

Ward,2012-08-14 Virginia s capital city knew poverty injustice slavery vagrancy substandard working conditions street crimes brutality unsanitary conditions and pandemics One of the biggest stains in the city s past was the spectacle of public executions attended by throngs Thousands including the old and the very young reveled in a carnival like atmosphere This book narrates the history of the executions hangings and during the Civil War also firing squads that formed a large part of Richmond s entertainment picture Revulsion slowly mounted until the introduction of the electric chair The history has a cast of unusual characters the condemned the crime victims family members the executioners and not least an 182 pound gallows dog

When Hell Came to Sharpsburg Steven Cowie,2022-08-11 Discover a forgotten chapter of American history with Steven Cowie s riveting account of the Battle of Antietam The Battle of Antietam fought in and around Sharpsburg Maryland on September 17 1862 was the bloodiest day in American history Despite the large number of books and articles on the subject the battle s horrendous toll on area civilians is rarely discussed When Hell Came to Sharpsburg The Battle of Antietam and Its Impact on the Civilians Who Called It Home by Steven Cowie rectifies this oversight By the time the battle ended about dusk that day more than 23 000 men had been killed wounded or captured in just a dozen hours of combat a grim statistic that tells only part of the story The epicenter of that deadly day was the small community of Sharpsburg Families lived worked and worshipped there It was their home And the horrific fighting turned their lives upside down When Hell Came to Sharpsburg investigates how the battle and opposing armies wreaked emotional physical and financial havoc on the people of Sharpsburg For proper context the author explores the savage struggle and its gory aftermath and explains how soldiers stripped the community of resources and spread diseases Cowie carefully and meticulously follows the fortunes of individual families like the Mummas Roulettes Millers and many others ordinary folk thrust into harrowing circumstances and their struggle to recover from their unexpected and often devastating losses Cowie s comprehensive study is grounded in years of careful research He unearthed a trove of previously unused archival accounts and examined scores of primary sources such as letters diaries regimental histories and official reports Packed with explanatory footnotes original maps and photographs Cowie s richly detailed book is a must read for those seeking new information on the battle and the perspective of the citizens who suffered because of it Antietam s impact on the local community was an American tragedy and it is told here completely for the first time **A Secret Society History of the Civil War** Mark A. Lause,2011-12-01 This unique history of the Civil War considers the impact of nineteenth century American secret societies on the path to as well as the course of the war Beginning with the European secret societies that laid the groundwork for Freemasonry in the United

States Mark A Lause analyzes how the Old World s traditions influenced various underground groups and movements in America particularly George Lippard s Brotherhood of the Union an American attempt to replicate the political secret societies that influenced the European revolutions of 1848 Lause traces the Brotherhood s various manifestations the most conspicuous being the Knights of the Golden Circle out of which developed the Ku Klux Klan and the Confederate secret groups through which John Wilkes Booth and others attempted to undermine the Union Lause profiles the key leaders of these organizations with special focus on George Lippard Hugh Forbes and George Washington Lafayette Bickley Antebellum secret societies ranged politically from those with progressive or even revolutionary agendas to those that pursued conservative or oppressive goals This book shows how in the years leading up to the Civil War these clandestine organizations exacerbated existing sectional tensions in the United States Lause s research indicates that the pervasive influence of secret societies may have played a part in key events such as the Freesoil movement the beginning of the Republican party John Brown s raid on Harpers Ferry Lincoln s election and the Southern secession process of 1860 1861 This exceptional study encompasses both white and African American secret society involvement revealing the black fraternal experience in antebellum America as well as the clandestine operations that provided assistance to escaped slaves via the Underground Railroad Unraveling these pervasive and extensive networks of power and influence A Secret Society History of the Civil War demonstrates that antebellum secret societies played a greater role in affecting Civil War era politics than has been previously acknowledged

Abraham Lincoln's Path to Reelection in 1864 Fred J. Martin Jr., 2013-12-20

PRAISE FOR ABRAHAM LINCOLN'S PATH TO REELECTION IN 1864 OUR GREATEST VICTORY Political polls consistently record a substantial lack of confidence in national political leaders of both major parties and a disturbing sentiment that the United States is on the wrong track in current policy developments These sentiments lead to unfortunate summaries of alleged failures of our democratic institutions and proposals Fortunately at this moment in our history Fred J Martin Jr has stepped forward with a comprehensive analysis of politics in 1860s and most importantly the political genius Abraham Lincoln as he led our country through a series of perilous crises into new paths of confidence and greatness I admire especially Fred Martin s mastery of political detail and the large variety of motivations strategies and actions of a wide assortment of political players Former Senator Richard Lugar Arguably the most consequential election in American history the presidential contest of 1864 has cried out for a more sophisticated analysis than it has heretofore received Fortunately Fred Martins background in political journalism and in banking has enabled him to provide such an analysis in this book which is a welcome addition to the Lincoln literature Michael Burlingame Author *Abraham Lincoln A Life* Distinguished Chair in Lincoln Studies History Department College of Liberal Arts and Sciences University of Illinois Springfield IL Fred Martin has written an illuminating account of the roots of Lincolns success as president culminating in his victory in the critical election of 1864 Effectively using Lincolns words as well as those of his contemporaries Martin demonstrates how it became

possible for Lincoln to overcome his early background and become a skillful and ethical political leader who saved the Union and ended slavery The book clearly is a labor of love for Martin a long time student of Abraham Lincoln Every person interested in Lincoln and his presidency should have this well researched and well written book in his her library William C Harris author of Lincoln and the Border States Preserving the Union 2011 and Lincoln and the Union Governors 2013

The Assassination of Abraham Lincoln John Fazio,2023-10-31 Covering one of the most defining moment of America s history The Assassination of Abraham Lincoln aims to lay the multitude of theories surrounding Lincoln s assassination to rest Immediately after the assassination of Abraham Lincoln suspicion naturally fell on Confederate leaders as being responsible for the great crime The belief in their complicity faded when the case against Jefferson Davis and other unindicted co conspirators collapsed at the trial of John Wilkes Booth s action team Booth was dead in May and June 1865 The belief then hibernated for 123 years during which period the prevailing wisdom was that Booth had in fact acted with the help of no one other than his team with the possible exception of Dr Samuel Mudd and Mary Surratt In 1988 however assassination historians James O Hall William A Tidwell and David Gaddy thoroughly discredited the simple conspiracy theory in their seminal work Come Retribution holding that the original suspicions were right after all In 1995 Tidwell followed with a solo titled April 65 in which he strengthened the case against Confederate leaders The authors conclusions quickly gained acceptance by many experts in the field including the author of this work which is intended to remove any remaining doubt as to the validity of the theory It does so by describing in detail four subplots in the overall plot to murder the President subplots that demonstrate unequivocally that Booth was merely a pawn in the hands of far more powerful influential and purposeful men than he men whose backs were to the wall and who would therefore stop at nothing to avert the catastrophe that they had fought four long years to prevent and that was now upon them **Civil War High**

Commands John Eicher,David Eicher,2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies regular provisional volunteers and militia and admirals and commodores of the two navies Civil War High Commands will become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure

matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders **North & South** ,2005 **Plotting to Kill the President** Mel Ayton,2017-02 Since the birth of our nation and the election of the first president groups of organized plotters or individuals have been determined to assassinate the chief executive From the Founding Fathers to the Great Depression three presidents have been assassinated Abraham Lincoln James Garfield and William McKinley However unknown to the general public almost all presidents have been threatened put in danger or survived near lethal approaches during their terms Plotting to Kill the President reveals the numerous previously untold incidents when assassins plotters and individuals have threatened the lives of American presidents from George Washington to Herbert Hoover Mel Ayton has uncovered these episodes including an attempt to assassinate President Hayes during his inauguration ceremony an attempt to shoot Benjamin Harrison on the streets of Washington an assassination attempt on President Roosevelt at the White House and many other incidents that have never been reported or have been covered up Ayton also recounts the stories of Secret Service agents and bodyguards from each administration who put their lives in danger to protect the commander in chief Plotting to Kill the President demonstrates the unsettling truth that even while the nation sleeps those who would kill the president are often hard at work devising new schemes **Nebraska History** Addison Erwin Sheldon,James Lee Sellers,James C. Olson,1999 **The Maryland Campaign of September 1862, Volume I** Ezra Carman,2010-05-20 The definitive soldier s eye view of the Battle of Antietam the bloodiest day in American history A veteran of the Battle of Antietam Ezra A Carman served as a colonel of the 13th New Jersey Infantry After the horrific fighting of September 17 1862 he recorded in his diary that he was preparing a good map of the Antietam battle and a full account of the action Unbeknownst to the young officer the project would become the most significant work of his life Appointed as the Historical Expert to the Antietam Battlefield Board in 1894 Carman solicited accounts from hundreds of veterans scoured through thousands of letters and maps and assimilated the material into the hundreds of cast iron tablets that still mark the field today Carman also wrote an 1 800 page manuscript on the campaign Although it remained unpublished for more than a century many historians and students of the war consider it to be the best overall treatment of the campaign ever written Dr Thomas G Clemens recognized internationally as one of the foremost historians of the Maryland Campaign has spent more than two decades studying Antietam and editing and richly annotating Carman s exhaustively written manuscript The result is The Maryland Campaign of September 1862 Carman s magisterial account published for the first time in two volumes Jammed with firsthand accounts personal anecdotes maps photos a biographical dictionary and a database of veterans accounts of the fighting this long awaited study will be read and appreciated as battle history at its finest **De**
