

The First Epistle of **PETER**

Greeting to the Elect Pilgrims

Peter, an apostle of Jesus Christ,

1 To the pilgrims of the Dispersion in Pontus, Galatia, Cappadocia, Asia, and Bithynia,

elect according to the foreknowledge of God the Father, in sanctification of the Spirit, by obedience and sprinkling of the blood of Jesus Christ.

4 to an inheritance incorruptible and undefiled and that does not fade away, reserved in heaven for you,

5 who are kept by the power of God through faith for salvation ready to be revealed in the last time.

6 In this you greatly rejoice, though now for a little while, if need be, you have been grieved by various trials.

7 All the proof of your faith, which is more precious than gold, though it is tested by fire, is found to result in praise and glory and honor at the revelation of Jesus Christ.

8 Since you love Him who has called you to glory and honor, endure the trial, so that when the trial is over, you may receive the crown of life which He has promised to those who love Him.

1st Peter:

1 Peter Joel B. Green, 2007-10-26 Even though the letter of 1 Peter has sometimes been overshadowed by Paul's many New Testament letters it is nonetheless distinctive for the clarity with which it presents the Christian message In this volume Joel Green offers a clear paragraph by paragraph analysis of 1 Peter and even more unpacks the letter's theology in ways that go beyond the typical modern commentary Following Green's paragraph by paragraph commentary is an extended discussion of the theological horizons of 1 Peter Throughout his study Green brings the message of 1 Peter into conversation with Christian theologians ancient and contemporary so that the challenge of this letter for Christian faithfulness can be heard more clearly today 1 Peter Donald Senior, Daniel J. Harrington, 2003 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church's golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter's name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of America and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published

Liebengood, 2025-03-18 The central argument of this work is that 1 Peter does not promote a supersessionist view in which the church has replaced Israel as the new and true people of God Rather Liebengood contends that 1 Peter as an authoritative Jewish apostolic text extends to gentile followers of Jesus the privileges and promises originally given to Israel affirming their full inclusion and belonging within the people of God as gentiles By closely attending to the letter's use of Jewish restoration imagery and eschatology as well as its christological and pneumatological grounding Liebengood demonstrates that 1 Peter constructs the identity of its gentile addressees in continuity with rather than discontinuity from God's covenant with Israel The apostolic correspondence serves to welcome these gentiles into a form of Jewish identity or Israelhood centered on following the pattern of the Davidic Messiah Jesus without requiring them to become Torah observant proselytes **Who are the Elect in 1 Peter?** Stephen Ayodeji A. acclaimed BECNT series respected New Testament scholar Karen H Jobs provides a fresh commentary on 1 Peter 1 Peter admirably achieves the dual aims of the BECNT series it is academically sophisticated as well as pastorally sensitive and accessible This volume features Jobs s own translation of the Greek text and detailed interaction with the meaning of the text emphasizing the need to read 1 Peter in light of its cultural background Jobs s commentary will help pastors students and teachers better understand the Christian s role as a foreigner in contemporary society *Ecclesiology and the Scriptural Narrative of 1 Peter* Patrick Thomas Egan,2016-03-24 The relationship between the church and the scriptures of Israel is fraught with complexities particularly in regard to how the first Christians read scripture in light of the gospel of Christ Patrick Egan examines the text of 1 Peter in light of its numerous quotations of scripture and demonstrates how the epistle sets forth a scriptural narrative that explains the nature and purpose of the church Egan argues that 1 Peter sets forth an ecclesiology based in a participatory christology in which the church endures suffering in imitation of Jesus role as the suffering servant The epistle admonishes the church to a high moral standard in light of Christ s atoning work while also encouraging the church to place hope in God s final vindication of his people Addressing the churches of Asia Minor 1 Peter applies the scriptural narrative to the church in unexpected ways Good Works in 1 Peter Travis B. Williams,2014-10-08 Drawing on recent insights from postcolonial theory and social psychology Travis B Williams seeks to diagnose the social strategy of good works in 1 Peter by examining how the persistent admonition to do good is intended to be an appropriate response to social conflict Challenging the modern consensus which interprets the epistle s good works language as an attempt to accommodate Greco Roman society and thereby to lessen social hostility the author demonstrates that the exhortation to do good envisages a pattern of conduct which stands opposed to popular values The Petrine author appropriates terminology that was commonly associated with wealth and social privilege and reinscribes it with a new meaning in order to provide his marginalized readers with an alternative vision of reality one in which the honor and approval so valued in society is finally available to them The good works theme thus articulates a competing discourse which challenges dominant social structures and the hegemonic ideology which underlies them **Bibliography of Literature on First Peter** Casurella,2019-07-01 The Bibliography of Literature on First Peter gives comprehensive publication details of a categorized list of articles and books concerned with the exposition of the New Testament letter known as 1 Peter The bibliography which primarily presents works of modern scholarship but also includes important works which have appeared throughout the lengthy period of Christian interpretation has been conceived with the needs of a variety of users in mind It provides an extremely valuable reference tool for all those interested in a deeper understanding of this important document of early Christianity and will meet the needs of researchers of all kinds from lay students to the professional scholar Not every work represented in this bibliography will be of equal use to all but judicious selection on the basis of the helpful classification provided will save the researcher much time **Reading 1 Peter Missiologically** Abeneazer G.
