Progress in Agricultural Geography (Routledge Revivals) Michael Pacione,2014-06-03 In the second half of the twentieth century significant changes were occurring within the agricultural industry including an increase in efficiency and government intervention as well as expanded and more complicated patterns of trade This comprehensive volume first published in 1986 reflects how these developments challenged the field of agricultural geography Considering agricultural innovations farming systems government policy and land ownership this title provides an essential background to students with an interest in agricultural methods distribution and reform *Transforming Agrarian Economies* Thomas P. Tomich,Peter Kilby,Bruce F. Johnston,2018-05-31 The world s 58 poorest countries are diverse in many respects but they share the characteristic of a labor force overwhelmingly dependent on agriculture Challenging the assumption that mass poverty and chronic hunger are insoluble problems this book systematically explores the multiple aspects of economic development in these countries which are home to 60 percent of the world s population The authors offer a broad based development strategy to raise incomes through agricultural productivity growth and expanded rural employment They present rich new information on the rural informal sector and on agriculture industry interactions and they analyze the impact of macroeconomic and social policies on the rural economy Policy instruments aimed at bringing about broad based development are carefully assessed from fiscal policy to development of hew seeds and farm implements The book includes detailed case studies of countries that have seized or missed development opportunities Comparison of the successful economic transformations of Japan and the United States shows how key ideas which the authors call strategic notions have enabled policymakers to act with foresight Analyses of strategic choices in China the Soviet Union Taiwan Mexico Kenya and Tanzania also show how development strategies that emerge from the real world political economy reflect a mix of individual interests and strategic notions **The Generosity of Social Policies in Socialist and Post-Socialist States** Andreas Heinrich,Monika Ewa Kaminska,Heiko Pleines,Tobias ten Brink,2025-07-11 This open access book maps and compares national social policies of socialist and post socialist countries examining designs implementation and outcomes It analyses how the generosity of social policies understood as the combination of their inclusiveness and the scope of benefits they offer has been conceptualised in different socialist and post socialist national contexts how these conceptualisations have shaped the content of social policies and finally how the content of social policies has actually been implemented Thus the contributions include the ideational de jure and de facto aspects of social policy in socialist and post socialist contexts

Food, Politics, And Agricultural Development Raymond F. Hopkins, 2019-03-08 This collection of studies on the politics of agricultural development in regions of Asia and Africa emphasizes the need for steady and significant increases in food production in the developing countries It is a set of exercises in the comparative analysis of agricultural modernization policies

The Political Economy of Chinese Development Mark Selden, 2016-09-16 The first edition of *The Political Economy of Chinese Socialism* reconceptualized the political economy of China by highlighting the changing character of urban rural and state society conflicts in the era of Mao Zedong's leadership and in the contemporary post Mao reforms The economic and social crises that engulfed China and indeed much of the rest of the socialist world in the late 1980s culminating in the 1989 democratic movement and its suppression stimulated a rethinking of central propositions of the first edition It particularly led the author to inquire anew into the meaning of socio political as well as economic development in a populous and poor agrarian nation This volume then assesses the economic performance and social consequences of China's political economy over four decades with a focus on China's countryside and city countryside relations In addition to a reconceptualization and updating of the introductory chapter there is a new chapter *The Social Origins and Limits of the Chinese Democratic Movement*

Comparative Economic Systems: v. 1 Richard L. Carson, 2015-03-02 This book focuses on advanced market capitalism that examines the economies of the United States Japan France Sweden and Germany It represents an effort to analyze and understand economic systems by using the standard principles of supply demand and cost analysis along with property rights

The Peasantry of Eastern Europe Ivan Volgyes, 2014-05-09 *The Peasantry of Eastern Europe Volume II 20th Century Developments* reviews research findings concerning rural life and rural transformation in Eastern Europe during the 20th century The economic and political problems of states where collectivization has been successful are examined including Hungary and Romania The social and societal aspects of rural transformation are also discussed Case studies of peasants in Russia are presented with emphasis on their response to the attraction of urban life and the imposed autocracy and tyranny of Soviet rule Comprised of 12 chapters this volume begins with an analysis of the conditions and the minds of Russia's peasants during the period 1900-1917 followed by a detailed account of the peasantry under Soviet rule The discussion then turns to private farming and the status of peasants in Poland since World War II land reform in Yugoslavia and agro mass production in Hungary Subsequent chapters explore rural transformation in Romania rural education in Bulgaria the transformation of the Hungarian peasantry

in the 20th century peasantry in China and the role of women in the transformation of rural life in post revolution Yugoslavia The book also considers the Third World experience with rural transformation before concluding with an assessment of the peasantry of Eastern Europe under communism This monograph is intended for students academic specialists economists and agriculturists Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee,1972 *The Journal of Developing Areas* ,1972 Socialist Models of Development Charles K. Wilber,Kenneth P. Jameson,2013-10-22 Socialist Models of Development covers the theories and principles in socialism development This book discusses the social evolution of different countries and the historical backgrounds that influence such evolution The opening sections deal with the socialism and economic appraisal of Burma Iraq Syria Tanzania and Africa These topics are followed by discussions of the prospects and problems of the transition from Agrarianism to Socialism of some countries including Angola Guinea Bissau and Mozambique Other sections examine the Socialist Cuba and the intermediate regimes of Jamaica and Guyana The North Korean model of socialism a comparative study of Romanian socialism and Greece capitalism as well as a socialist model of economic development of the Polish and Bulgarian are presented The concluding sections are devoted to the role of management in socialist development and to the agricultural productivity under socialism The book can provide useful information to sociologists political analysts students and researchers *Science, Technology and Development* Charles Cooper,2012-11-12 Published in the year 1973 Science Technology and Development is a valuable contribution to the field of Economics **Rural Poverty and Agrarian Reform** Steve Jones,Miguel Murmis,Puran Chandra Joshi,1982 Critical evaluation of rural development and agrarian reform programmes in developing countries comprising fifteen case studies selected conference papers examines the impact on poverty of rural populations and particularly the way alliances and conflicts between social class interest groups have inhibited or encouraged the implementation of agricultural policies References and statistical tables Conference held in Dacca and Calcutta 1979 Mar 7 to 20 **Reorientation and Commercial Relations of the Economies of Eastern Europe** United States.
