Europe and Soviet Union Branch, 1971 **Agriculture Fact Book** , 2001 Social Survey Methods Paul Nichols, 1991-01-01 *Social Survey Methods* is a readable guide to selecting and implementing an appropriate affordable research method Designed for those without a formal training in statistics it includes advice on design of survey forms interview methods and statistical analysis of results *Transforming Agrarian Economies* Thomas P. Tomich, Peter Kilby, Bruce F. Johnston, 2018-05-31 The world's 58 poorest countries are diverse in many respects but they share the characteristic of a labor force overwhelmingly dependent on agriculture Challenging the assumption that mass poverty and chronic hunger are insoluble problems this book systematically explores the multiple aspects of economic development in these countries which are home to 60 percent of the world's population The authors offer a broad based development strategy to raise incomes through agricultural productivity growth and expanded rural employment They present rich new information on the rural informal sector and on agriculture

industry interactions and they analyze the impact of macroeconomic and social policies on the rural economy Policy instruments aimed at bringing about broad based development are carefully assessed from fiscal policy to development of new seeds and farm implements The book includes detailed case studies of countries that have seized or missed development opportunities Comparison of the successful economic transformations of Japan and the United States shows how key ideas which the authors call strategic notions have enabled policymakers to act with foresight Analyses of strategic choices in China the Soviet Union Taiwan Mexico Kenya and Tanzania also show how development strategies that emerge from the real world political economy reflect a mix of individual interests and strategic notions Using the Agricultural, Environmental, and Food Literature Barbara S. Hutchinson,Antoinette Paris-Greider,2002-07-17 This text discusses a wide range of print and electronic media to locate hard to find documents navigate poorly indexed subjects and investigate specific research topics and subcategories It includes a chapter on grey and extension literature covering technical reports and international issues
