Mark Twain's Library of Humor Mark Twain,1888 Anthology of poems short stories and jokes by various authors including Mark Twain Compiled by Mark Twain The Enlightenment and Captain James Cook Janet Susan Holman,2008-05-23 May all beings enjoy The Enlightenment The Enlightenment and Captain James Cook The Lono Cook Kirk Regenes is a thoroughly informative and a deeply personal read It is afictionalized biography that takes place during Britain s Age of Enlightenment

and Discovery and it is highly truth based integrating the first written and compiled Polynesian facts and mythology that includes the diaries and actual journals of the many men on board Cook's ships. No writer has better put together a more complete compilation of the facts integrated with mythology and told in novel form giving the reader a bird's eye view of the action. She touches on James Cook and his co-relation with Gene Roddenberry's James T. Kirk and how it inter-relates with her own account of learned spiritual wisdom and her mythic writer's journey. She gives a personal account of her journey that was guided by the Aumakua Hawaiian and British ancestors alike and Archangel Metatron to create a feature film script about James Cook that led her on a spiritual pilgrimage where she encountered the truth behind reincarnation, remanifestation archetypes and extraterrestrial realities. She then made a trip to Sarnath India and also discovered a link to Polynesia with the name Lono or Rono the name Cook was referred to as when he arrived in Polynesia and the Phurba Diety in ancient Tibet. Reviews: This is an important story that needs to be told and your writing is very good. See to it that the film gets produced. Jagdish P.
