Private Politics and Peasant Mobilization Maria-Therese Gustafsson,2017-09-13 This book explores how different corporate governance strategies affect community mobilization and the scope for influence when an area's population is faced with the arrival of the extraction industry Drawing on ethnographic research into Peruvian mining localities the author analyses a series of relationships which are characterized by confrontations clientelism demobilization and strategic collaboration By presenting a detailed account of micro practices and showing how these processes are interpreted by different groups Gustafsson offers a refined understanding of the multiple layers and informal workings of power between transnational corporations and local communities

Land Reform and Structural Adjustment in Sub-Saharan Africa

Jean-Philippe Platteau,1992-01-01 **Changing Agrarian Structure and Labour Relations** G. Satyanarayana,1992

Political Mobilization of the Venezuelan Peasant John Duncan Powell,1971 In the first part of this pioneering study John Duncan Powell traces the formation of a successful alliance between the peasant masses who sought land reform and a small urban elite which desperately needed a political power base Part II is devoted to an empirical structural functional analysis of the alliance Institutional Origins of Islamist Political Mobilization Quinn Mecham,2017-02-07 This book explores why Islam becomes politicized in some countries and not in others comparing diverse cases including Turkey Algeria and Senegal *Political Mobilisation and Democracy in India* Vernon Hewitt,2007-11-05 This book addresses the paradox of political mobilization and the failings of governance in India with reference to the conflict between secularism and Hindu nationalism authoritarianism and democracy It demonstrates how the Internal Emergency of 1975 led to increased support of groups such as the BJS and the RSS accounting for the rise of political movements advocating Hindu nationalism Hindutva as a response to rapid political mobilization triggered by the Emergency and an attempt by political elites to control this to their advantage Vernon Hewitt argues that the political disjuncture between democracy and mobilization in India is partly a function of the Indian state the nature of a caste class based society but also and significantly the contingencies of individual leaders and the styles of rule He shows how in the wake of the Emergency the BJP and the RSS gained popularity and power amid the on going decline and fragmentation of the Congress whilst at the same time Hindu nationalism appeared to be of such importance that Congress began aligning themselves with the Hindu right for electoral gains The volume suggests that in the light of these developments the rise of the BJP should not be considered as remarkable or as transformative as was at first imagined *Critical Perspectives on Agrarian Transition* B. B. Mohanty,2016-01-29 This book evaluates the relevance of classical debates on agrarian transition and extends the horizon of contemporary debates in the Indian context linking national trends with regional experiences It identifies new dynamics in agrarian political economy and presents a comprehensive account of diverse aspects of capitalist transition both at theoretical and empirical levels The essays discuss several neglected domains in agricultural economics such as discursive dimensions of agrarian relations and limitations of stereotypical binaries between capital and non capital rural and urban sectors agriculture and industry and accumulation and subsistence With contributions from major scholars in the field this volume will be useful to scholars and researchers of agriculture economics political economy sociology rural development and development studies *Agrarian Evolution in a Multiform Structure Society* V. G. Rastyannikov,2024-12-06 India in the 1950s and 1960s with its diversity of economic structures and different levels of regional development offers a unique opportunity to explore a wide range of agrarian evolution within a multiform society Basing his study on an extensive survey of the existing literature as well as on fieldwork conducted in India the author analyses in his book *Agrarian Evolution in a Multiform Structure Society* first published in English in 1981 the roots of the Indian society and suggests future directions He argues that India like many

Asian countries exhibits tendencies peculiar to an economy evolving on the basis of dependent capitalist development The author goes on to show how the state in seeking to ease the teething problems of development has assumed a decisive role expressed in terms of the nationalisation of certain sectors of private exploitative property and in the supersession of private interests by public ones The historically inevitable progress of Indian society is therefore a paradoxical one because its economy exists on the periphery of its system moulding structure world capitalism it has special problems reconciled only by state intervention this in turn makes the development of a capitalist society impossible The result is a unique study of a society which has assumed increasing importance in world affairs
