Adopted By God From Wayward Sinners To Cherished Children:

Adopted by God Robert A. Peterson, 2001 A sound devotional encouraging treatment of the doctrine of adoption Draws from the Bible s use of family imagery rather than preconceived notions of fatherhood adoption sonship Comforting and compelling application of adoption to difficult life situations What is the Doctrine of Adoption? Michael A.

Milton, 2024-10-18 *Salvation Applied by the Spirit* Robert A. Peterson, 2024-06-17 The doctrine of believers union with Christ has undergone a renaissance in recent years Evangelicals are rightly fascinated by this previously neglected doctrine a doctrine with wide ranging implications for the whole of Christian theology and the Christian life Drawing on his extensive teaching and research experience theologian Robert Peterson has written one of the most comprehensive theological treatments of union with Christ to date highlighting the Spirit s crucial role in uniting God to his people **When History Teaches Us Nothing, Second Edition** Tim J. R. Trumper, 2022-01-06 Tim J R Trumper draws on his decades of historical biblical and theological research into the doctrine of adoption to offer a unique reflection on the Sonship debate one with lasting implications for the Reformed tradition Much the buzz in confessional Presbyterian circles around the turn of the millennium the debate concerned the discipleship course developed by practical theologian John C Jack Miller 1928 1996 and his wife Rose Marie Whereas some attested to God s use of Sonship in their spiritual rejuvenation others questioned its Reformed credentials Setting the debate in pioneering fashion against the backdrop of the historical theology of adoption Trumper offers an assessment that is enlightening evenhanded and constructive His fresh portrayal of the history of the Reformed tradition teaches the value of pausing before rushing to judgment and is a reminder that the meeting of spiritual needs requires more biblical exposition not less of it While addressing the points of debate *When History Teaches Us Nothing* is above all a call to the church to recover the doctrine of adoption and to the Reformed community to revive her creative orthodoxy to recapture Scripture s balance of the juridical and familial aspects of the faith and to do so with grace 40 Questions About Salvation Matthew Barrett, 2018-05-15 This contribution to the 40 Questions series continues the tradition of excellent research presented in clear user friendly writing 40 Questions About Salvation makes sense of one of Christianity s most disputed doctrines covering the most common and difficult questions about election the order of salvation and perseverance of the saints This volume will help pastors college and seminary students and all Christians who want to grow in their understanding of what the Bible teaches about salvation Each chapter is succinct and readable with a bibliography of additional resources for those who wish to study further *Assurance of Adoption* Chun Tse, 2020-09-21 This book presents a new paradigm for assurance of salvation It argues that an adoption centric understanding of salvation based on union with Christ enables one to appreciate salvation in its fullest splendor Seeing assurance from historical exegetical and theological perspectives it contends that assurance of adoption is assurance of salvation **Getting Back in the Race** Joel R. Beeke, 2011-11 Neither a comprehensive marriage manual nor a complete exploration of the theological significance of

marriage Friends and Lovers focuses on two key ingredients in a vital marriage friendship and sexual intimacy Drawing from the wisdom of the Bible especially the Book of Proverbs Joel Beeke shows you how to grow closer to your spouse both emotionally and physically

Closer Than Close Dave Hickman,2016-08-01 How many times have you heard someone say I want to be close to God or I feel far from Jesus For many of us we have been led to believe that our relationship with Jesus is based on proximity a sliding scale of near or far based on the faithfulness of our spiritual devotion But what if being close to you isn't good enough for Jesus What if he wants to be closer than close Instead of simply having a personal relationship with you what if Jesus longs to be perfectly one with you instead In this achingly bold and beautiful book pastor scholar friend and now author Dave Hickman invites you into his personal journey from striving to abiding anxiety to peace weariness to rest from having a relationship with Jesus to awakening to the freedom of his union with Christ Through careful attention to Scripture personal stories and everyday examples join Dave as he guides you into the depths of the mystery of your personal and corporate union with Christ In doing so you too can awaken to the wonder and freedom that is already yours in Christ

Perichoretic Salvation James D. Gifford Jr.,2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In *Perichoretic Salvation* James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century

When History Teaches Us Nothing Tim J. R. Trumper, 2008-05-01
When History Teaches Us Nothing is an early historical reflection on the recent Reformed debate over the late John C Jack Miller s Sonship Discipleship Course Miller 1928 1996 an erstwhile professor of practical theology at Westminster Theological Seminary Pennsylvania and an influential pastor in the New Life congregations of the Presbyterian Church in America sought to minister to the jaded by accenting God s grace in the gospel Gradually fears grew that his approach was spawning among other things an antinomianism and a revivalism antithetical to Reformed theology and piety While not dismissing these concerns Trumper argues that Sonship can only be accurately evaluated once it is understood in light of the practical loss within conservative Presbyterianism i e within Westminster Calvinism of the gracious Fatherhood of God and the sonship of believers Drawing on his knowledge of the theological history of adoption Trumper notes the significant parallels between Miller s protest of paternal grace and that of the early nineteenth century Scottish churchman John Macleod Campbell notably his stress on the life of sonship the prospective aspect of the atonement Trumper thus cautions today s Westminster Calvinists against repeating their forebears mistake which was to dismiss the validity of Campbell s protest on the basis of the problems with his proposed solution By so arguing the author provides a more balanced and constructive response to the debate highlighting its potential for the biblical renewal of Westminster Calvinism Essential to this renewal is the recovery of the Fatherhood of God and of adoption the evening out of attention accorded the Bible s forensic and relational specifically familial elements and the better reflection of the theology and tenor of the New Testament especially Only such a renewal Trumper argues can render superfluous further protests for paternal grace Heirs With Christ Joel R. Beeke, 2008-01-01 The Puritans have gotten bad press for their supposed lack of teaching on the doctrine of spiritual adoption In Heirs with Christ Joel R Beeke dispels this caricature and shows that the Puritan era did more to advance the idea that every true Christian is God s adopted child than any other age of church history This little book lets the Puritans speak for themselves showing how they recognized adoption s far reaching transforming power and comfort for the children of God Table of Contents 1 Introduction Correcting a Caricature 2 The Greatness and Comprehensiveness of Adoption 3 Adoption Compared in the Two Testaments 4 What Adoption Is Not 5 The Westminster Assembly s Definitions of Adoption 6 The Transforming Power of Adoption 7 Pastoral Advice in Promoting Adoption 8 The Marks of Adoption 9 Transformed Relationships in Adoption 10 The Privileges and Benefits of Adoption 11 The Responsibilities or Duties of Adoption 12 Motives for Pursuing the Consciousness of Adoption 13 Warning Invitation and Comfort Pregação

cristocêntrica Bryan Chapell, 2024-09-13 Em *Prega o Cristocêntrica* Bryan Chapell oferece um guia essencial e transformador para pastores e pregadores que desejam expor as Escrituras com profundidade, clareza e centralidade em Cristo. Este livro é uma ferramenta indispensável para quem busca redescobrir o poder e a relevância da pregação expositiva ao mesmo tempo em que desafia os pregadores a conectar as verdades eternas da Bíblia com as lutas e realidades do cotidiano. Chapell defende que toda a Escritura aponta para a redenção através de Jesus Cristo e por isso toda pregação fiel deve ser fundamentada nesse foco cristocêntrico. Ele explora com detalhes as técnicas e os princípios que guiam a pregação expositiva desde a preparação do sermão até sua apresentação com dicas práticas para alcançar a congregação de forma eficaz e poderosa. Além disso, o autor oferece orientações valiosas sobre como estruturar sermões para ocasiões especiais como casamentos, funerais e eventos evangelísticos, tornando este livro um recurso completo para ministros. Mais do que um manual técnico, *Prega o Cristocêntrica* é uma defesa apaixonada do papel da pregação como meio pelo qual o poder transformador da Palavra de Deus se manifesta. Chapell adverte contra as pregações moralistas ou focadas em graça barata e em vez disso propõe um modelo redentivo que revela a graça de Deus e desafia os crentes a responderem em obediência amorosa ao evangelho. Se você deseja aprimorar suas habilidades de pregação, aprofundar sua compreensão das Escrituras ou simplesmente conectar sua função ministerial, este livro é um convite para proclamar o evangelho com autoridade e paixão, sempre apontando para o centro de toda a Bíblia: Jesus Cristo. Prepare-se para ser desafiado, inspirado e equipado a pregar de forma fiel e transformadora. Romans John D. Harvey, 2017-05-01 *The Exegetical Guide to the Greek New Testament* EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text. **One with Christ** Marcus Peter Johnson, 2013-08-31 Regeneration, justification, sanctification. These are the primary words that come to mind when talking about the theology of salvation. However, the Bible teaches that each of these concepts is firmly rooted in something more foundational: our union with Christ. In this accessible book, Johnson introduces us to this neglected doctrine, arguing that it is the dominant organizing concept for salvation in the New Testament. In eight thought-provoking chapters, Johnson shows how a believer's position in Christ is the lens through which all other facets of salvation should be understood. Interacting extensively with the biblical text and drawing on lessons from church history, Johnson presents a compelling case for the unique importance of this beautiful biblical doctrine. **Reformed Systematic Theology, Volume 3** Joel Beeke, Paul M. Smalley, 2021-12-01 Here is catechesis at its best, instructing the student of theology, providing pastors with a sermon-enriching manual, and giving growing Christians a resource book that will both inform and nourish them, as well as provide endless theological enjoyment. Sinclair B. Ferguson, Chancellor's Professor of Systematic Theology, Reformed Theological Seminary, Teaching Fellow, Ligonier Ministries. The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life, separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous

historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley unpack the work and role of the Holy Spirit Pneumatology and salvation soteriology The authors examine the Holy Spirit s role in the history of salvation the order of salvation and the believers experience of salvation As readers consider the interrelationship between the Spirit and salvation they are invited to explore the direct activity of the Lord in their lives for their salvation
