Adoption In The Two Jurisdictions Of Ireland A Comparative Study

Kerry O'Halloran

Adoption In The Two Jurisdictions Of Ireland A Comparative Study:

Adoption in the Two Jurisdictions of Ireland Kerry O'Halloran, 1994 **Research Handbook on Adoption Law** Nigel Lowe, Claire Fenton-Glynn, 2023-01-20 Bringing together scholars from a wide range of disciplines this captivating and judicious Research Handbook provides diverse perspectives on the law and practice of adoption It examines how adoption laws differ between countries and cultures and the ongoing effects of adoption on the child the birth parent s and the adoptive parent s *Current Publications in Legal and Related Fields*, 1994 *The Politics of Adoption* Kerry O'Halloran, 2008-12-01 Adoption has always had a political dimension Its use to achieve political ends has been evident throughout history and in many different cultures In Roman times an emperor would adopt a successful general to 1 continue his rule In Ireland under the Brehon Laws the reciprocal placements of 2 children between clans was an accepted means of cementing mutual allegiances In Japan the adoption of non relatives was traditionally seen as a means of allying 3 with the fortunes of the ruling family The willingness of governments to use adoption as a political strategy was apparent for example in Australia where it was used to 4 further the assimilation of indigenous people It is now present in the phenomenon of intercountry adoption where the flow of children particularly in the aftermath of war is often politics by proxy Adoption can be profoundly affected by politics as demonstrated by the decision of the Chinese government to advocate one child families which resulted in very many Chinese girls being relinquished for adoption abroad as their parents exercised a preference for a male child Again as in Korea in the recent past c rently in some South American countries and in those states of eastern Europe newly emerged from under the blanket of totalitarianism governments can and do facilitate an outward flow of children for reasons of economic and political 5 expediency **Comparative Spatial Deprivation in Ireland** Sally Cook, 2000 This study analyses the spatial dimensions of deprivation in Ireland Despite the economic boom in the Republic of Ireland the number of poor people has remained high There is a danger that the ongoing hype about the Celtic Tiger could serve to distract from the urgency of the situation The high average prosperity masks massive internal inequality This raises important questions about the nature and causes of poverty and social deprivation in particular there is a need for a greater understanding of the geographical dimensions of poverty and deprivation The main aim of this report is to undertake a detailed analysis of socio economic indicators at small area level for all of Ireland adopting a common methodology for both North and South Manitoba Law Journal Volume 46 Issue 6: Criminal Law Edition (Robson Crim) Richard Jochelson, Brandon Trask, Rebecca Jaremko Bromwich, James Gacek, 2024-06-20 The Manitoba Law Journal MLJ is a peer reviewed journal founded in 1961 The MLJ s current mission is to provide lively independent and high caliber commentary on legal events in Manitoba or events of special interest to our community The MLJ aims to bring diverse and multidisciplinary perspectives to the issues it studies drawing on authors from Manitoba Canada and beyond Its studies are intended to contribute to understanding and reform not only in our community but around the world Robson Crim is housed in Robson

Hall one of Canada's oldest law schools Robson Crim has transformed into a Canada wide research hub in criminal law with blog contributions from coast to coast and from outside of this nation's borders With over 30 academic peer collaborators at Canada's top law schools Robson Crim is bringing leading criminal law research and writing to the reader We also annually publish a special edition criminal law volume of the Manitoba Law Journal providing a chance for authors to enter the peer reviewed fray *Whitaker's Books in Print*, 1998 **Public Procurement** Louise Knight, Christine Harland, Jan Telgen, Khi V. Thai, Guy Callender, Katy McKen, 2012-08-06 In many countries and sectors public procurement is developing from a functional orientation to an effective socio economic policy lever There is a great interest among managers and academics to learn from other countries and other sectors change initiatives and how they dealt with the challenges they encountered This text provides such learning opportunities presenting case studies of public procurement covering diverse nations sectors and issues The cases are combined with editorial commentary and contextualizing chapters to assist the student reader in understanding this complex topic The text combines descriptions of cases of public procurement with cross case analysis to draw out the key dimensions to enable further examination of the central themes Each case study concludes with three questions to aid its use as a teaching and training text Edited by a team of internationally recognised experts in the field this innovative text illustrates the strategies and innovations within public procurement on a global scale and highlights common problems that all countries encounter Public Procurement is vital reading for anyone with an interest in this topical area

Comparing the Prospective Effect of Judicial Rulings Across Jurisdictions Eva Steiner, 2015-05-05 This work deals with the temporal effect of judicial decisions and more specifically with the hardship caused by the retroactive operation of overruling decisions By means of a jurisprudential and comparative analysis the book explores several issues created by the overruling of earlier decisions Overruling of earlier decisions when it occurs operates retrospectively with the effect that it infringes the principle of legal certainty through upsetting any previous arrangements made by a party to a case under long standing precedents established previously by the courts On this account in the recent past a number of jurisdictions have had to deal with the prospect of introducing in their own systems the well established US practice of prospective overruling whereby the court may announce in advance that it will change the relevant rule or interpretation of the rule but only for future cases However adopting prospective overruling raises a series of issues mainly related to the constitutional limits of the judicial function coupled by the practical difficulties attendant upon such a practice This book answers a number of the questions raised by this practice It makes use of the great reservoir of foreign legal experience that furnishes theoretical and practical ideas from which national judges may draw their knowledge and inspiration in order to be able to advise a rational method of dealing with time when they give their decisions **The Role of the Cyprus Attorney General's Office in Prosecutions: Rhetoric, Ideology and Practice** Despina Kyprianou, 2009-10-06 Attorney General Republic of Cyprus It is with great pleasure that I foreword the book of Dr Despina Kyprianou's for many reasons The first one is that books on any

area of Cyprus Law is particularly welcomed as there are limited studies which focus on this field and reveal the singularities and special features of Cyprus Law The second one is that this book is about the Attorney General's Office and of course that I have served for almost thirty years and have personal knowledge of its crucial role not only regarding prosecutions but also regarding a wide variety of other legal issues The third and most important reason is that this is an excellent work and a thought provoking contribution to our understanding of the Role of the Cyprus Attorney General's Office in Prosecutions The last reason that I am very happy to commend this study is the fact that a few years ago I was the one that granted access to the Law Office for Dr Kyprianou's research The publication of this highly informative book is the best confirmation that I was right in doing so The Republic of Cyprus was established as an independent sovereign republic with a presidential regime on 16 August 1960 when its Constitution came into force and British sovereignty over Cyprus as a Crown Colony ceased

Towards a System of European Criminal Justice Andrea Ryan, 2014-06-05 With the developing landscape of a European criminal justice sphere comes an increasing imperative for scholars and practitioners to gain some insight into the diversity that exists in the criminal justice systems of European Union Member States This book explores the mutual admissibility of evidence a facet of EU criminal justice that is proving difficult to realise While the Lisbon Treaty places the issue of mutual admissibility of evidence squarely on the agenda the EU instruments to date have not succeeded in achieving this goal Andrea Ryan argues that part of the reason for this failure is that while the mutual recognition instruments have focussed on the issue of gathering evidence and safeguarding suspects rights they have not addressed how evidence is to be presented and contested at trial Drawing upon case studies from Ireland France and Italy and adopting a legal cultural perspective and enriched by the author's observations of criminal trials the book presents a detailed analysis of the developments to date in EU criminal justice and evidence law By examining evidence practices the book asks whether the inquisitorial and accusatorial traditions within the EU systems are too irreconcilable to achieve a system of mutual admissibility of evidence The book will be of great interest and use to academics and practitioners with an interest in European and comparative criminal justice criminal procedure human rights and socio legal studies

Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards, 2008 Theses on any subject submitted by the academic libraries in the UK and Ireland

Courts' Inquiry into Arbitral Jurisdiction at the Pre-Award Stage Sandra Synková, 2013-06-14 International arbitration has become the favored method of resolving disputes between business partners in almost every aspect of international trade commerce and investment The resolution of a dispute by means of international arbitration provides the parties with an opportunity to resolve their disputes in a private confidential cost and time efficient manner before a neutral tribunal of their choice However challenges to arbitral jurisdiction have become a common practice in the field Resolution of such challenges may significantly delay the resolution of the parties primary substantive dispute increase overall dispute resolution costs and

even whittle down the benefits of the parties bargain to arbitrate Accordingly adopting a proper approach to the resolution of such disputes becomes crucial to the efficacy of international arbitration as a system of dispute resolution The present book provides a comparative analysis of the practice of three carefully selected legal orders the English German and Swiss and outlines possible ways forward As the work strikes a balance between theory and practice it will appeal to practitioners researchers but also students looking to develop their understanding of the international arbitration field

Civil Recovery of Criminal Property Colin King, Jennifer Hendry, 2023-07-18 Follow the money approaches are increasingly being adopted to tackle organized crime corruption and terrorist activities The rationale behind such an approach is oft stated to show that crime does not pay to reinforce confidence in a fair and effective criminal justice system and to deter criminal activity Civil Recovery of Criminal Property is an in depth analysis of the confiscation of the proceeds of crime in the absence of criminal conviction in Ireland and England Wales more than two decades since the introduction of this civil criminal hybrid procedure This book considers the development of civil recovery in both jurisdictions providing a comprehensive comparative account and critical examination of its legislative context and framework judicial reception and case law development It leads the argument that civil recovery like other civil criminal hybrids straddles civil and criminal procedure in a manner that takes advantage of the resultant legal ambiguity to the detriment of due process civil liberties and human rights Through interviews with practitioners professionally engaged with civil recovery proceedings both in defence and in enforcement King and Hendry remedy what has until now been a lack of empirical engagement with the operation of civil recovery in practice The authors provide a comprehensive analysis of civil recovery in terms of its procedural hybridity its follow the money approach its questionable compliance with the requirements of due process its property specific character and its supposed pragmatism in tackling the problem of serious and organized crime Blending doctrinal socio legal and theoretical perspectives Civil Recovery of Criminal Property will appeal both to academics and practitioners engaged with civil recovery

A Comparative Examination of Multi-Party Actions Joanne Blennerhassett, 2016-10-20 This monograph addresses the phenomenon of mass harm and how it may be resolved through collective redress It examines particularly how such redress may be achieved through mechanisms such as multi party actions MPAs In order to do this an analytical framework is created against which to evaluate various multi party procedures This is illustrated through the experience of a selection of common law jurisdictions in dealing with mass harm namely that of England and Wales Canada Australia and the United States as well as that of EU collective redress It examines multi party action laws benchmarked against the objectives identified in the analytical framework The phenomenon of environmental mass harm in particular is explored as a case study as it illustrates some of the difficulties that may arise in mass harm litigation Also this work explores where the best solutions for mass harm redress may lie in the future perhaps in collective actions or through alternatives such as regulation and alternative dispute resolution or a combination of these Finally the experience of mass harm litigation in Ireland is examined

as currently this jurisdiction does not have an effective mechanism for dealing with mass harm This title is included in Bloomsbury Professional s International Arbitration online service **Active Citizenship and Disability** Andrew Power, Janet Lord, Allison DeFranco, 2013-01-14 This book provides an international comparative study of the implementation of disability rights law and policy focused on the emerging principles of self determination and personalisation It explores how these principles have been enshrined in the United Nations Convention on the Rights of Persons with Disabilities and how different jurisdictions have implemented them to enable meaningful engagement and participation by persons with disabilities in society The philosophy of active citizenship underpinning the Convention that all citizens should be able to actively participate in the community provides the core focal point of this book which grounds its analysis in exploring how this goal has been imagined and implemented across a range of countries The case studies examine how different jurisdictions have reformed disability law and policy and reconfigured how support is administered and funded to ensure maximum choice and independence is accorded to people with disabilities **The British National Bibliography** Arthur James Wells, 1998 Bowker's Law Books and Serials in Print 1988 R. R. Bowker, 1988 *The Cumulative Book Index* , 1996 A world list of books in the English language **Family Law** , 1996

Adoption In The Two Jurisdictions Of Ireland A Comparative Study Introduction

In today's digital age, the availability of Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Adoption In The Two Jurisdictions Of Ireland A Comparative Study versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These

books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Adoption In The Two Jurisdictions Of Ireland A Comparative Study books and manuals for download and embark on your journey of knowledge?

FAQs About Adoption In The Two Jurisdictions Of Ireland A Comparative Study Books

1. Where can I buy Adoption In The Two Jurisdictions Of Ireland A Comparative Study books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
