Adoption Is Another Word For Love:

Orphaned, Fostered and Adopted Marissa Kline-Gonzales, 2009-04-20 A true memoir of a child who had seen and experienced it all before age nine living in the third world country of the Philippines her family succumbed to poverty Her birth mother died when she was seven and was separated from her siblings that she loves She was put in two foster homes where one based their child rearing in superstitions blaming her for every bad thing that happened She was also put in two orphanages where she was later adopted by an American couple She writes of her growing experiences from a girl to a young lady while living in the countryside of Pennsylvania Life was not easy for this young girl learning the language culture and the people around her Read it to believe it She will touch your heart This book will make you realize what she went through as an orphan foster and adopted child You will also learn of her struggle to be happy and how she manages to get through her trials and find real love Marissa Kline Gonzales lives in Bayonne New Jersey with her husband Al They were married August of 2006 After graduating from high school in 1998 she went to Word of Life Bible Institute for a year Now she is a flight attendant for an airline and annually visits her birth family in the Philippines She not only sees her family but also visits the orphanages where she grew up Her love for those children will never diminish for she was once like them **PaniK**

Melissa Ferina, 2011-11 **PaniK** is a compilation of true stories submitted by men and women from all over the United States They have experienced some of life's greatest challenges single parenting abortion adoption miscarriage and stillbirth This collection of 60 stories will give the reader a new perspective heal a wound or just embrace another through words This book is NOT pro life or pro choice It is real life and what we make of it These amazing stories will help give support to those who are or who will be going through similar circumstances This project also gives the writer an outlet to finally have a voice This is an on going project You can submit your story to be a part of this ever growing project Testimonial for this project I feel that Help Inspire Others is a powerful force through which people who have seen and felt the same experiences can come together and offer support when the journey becomes turbulent For more information visit www.Helpinspireothers.com

Adoption and the Gospel Gerald D. Clark, 2014-10-15 Adoption and The Gospel delivers sound biblical doctrine that most have never heard One does not need to be a bible scholar to understand its message Gerald Clark chronicles his struggle to overcome his traditional image of an orphanage and how he learned from heart wrenching personal experiences with the children what they so desperately want and need Six years working with children in an orphanage in the Philippines left Gerald and his wife seeking answers to difficult and very troubling questions If God loves me why am I an orphan If you love me why don't you adopt me I kept asking myself What's wrong with this picture No matter how much we love and care for children in an orphanage they're still orphans What's wrong with the picture is that we simply don't understand that children just don't want to BE orphans Would we need more orphanages if Adoption was part of the Global Mission Strategy of every evangelical church in the world Adoption says something about the Gospel and God's love that no other word can say The

Gospel is incomplete if it fails to include adoption Jesus came into the world to bring us a living example of God's love so that we might receive the adoption as sons Galatians 4:4-5 As many as received Him to them He gave the right to become children of God John 1:12 The solution to the world's orphan crisis is found in the bible Adoption Ministry equips the church to accomplish the task and God has called millions of families around the world who already want to adopt

A Hope Deferred J. Stephen Yuille, 2013-10-01 We use the word adoption very casually today we speak of adopting pets books and highways Yet the word has a far nobler significance Adoption is the permanent placement of a child in a family with all its rights and privileges God has forever placed us in his family He has forever made us his children He has forever changed our legal status A Hope Deferred probes the depths of this wonderful reality and intertwines these blessings with an account of one family's journey to international adoption The result is a valuable glimpse into the essential relationship between adoption affliction and the fatherhood of God over his people

In The Heavenlyies H.A. Ironside, 2014-09-05 There is nothing redundant in God's Word Men write books and very frequently pad them in order to give quantity as well as quality but there is nothing like that in the Bible God's words are tried as silver tried in a furnace of earth purified seven times and therefore we may well give our most careful attention to every item and every expression used What is the outstanding theme of the Epistle to the Ephesians It opens up the truth of the privileges and responsibilities of the church as the body and bride of Christ It brings before us our position as believers who have been quickened raised and seated in Christ in heavenly places There are very remarkable similarities between certain Old Testament books and New Testament Epistles The Epistle to the Romans for instance corresponds to the book of Exodus the letter to the Hebrews is the counterpart of Leviticus and the Epistle to the Ephesians is the New Testament book of Joshua In Joshua we have the people of Israel entering the possession of their inheritance In Ephesians believers are called to enter now by faith into the possession of that inheritance which eventually we shall enjoy in all its fullness We are far richer than we realize All things are ours and yet how little we appropriate It is said in the prophecy of Obadiah that when the Lord returns and His kingdom is established the people of Israel shall possess their possessions This is a challenge to us Do you possess your possessions Or are your heavenly estates like castles in Spain about which you dream but never really possess I trust the Spirit of God may lead us into the present enjoyment of our inheritance in Christ For our purpose the Epistle may be divided very simply without breaking it up into many portions that would be difficult to carry in our memories We shall divide it into two parts the first three chapters giving

us the doctrine and the last three the practical outcome the first division gives us our inheritance and the last the behavior that should characterize those who are so richly blessed Often that is the divine order of Scripture instruction in the truth first practice in accordance with the truth afterwards H A I The Morning Exercises at Cripplegate [edited by S.
