A Few Acres of Snow Paul Simpson-Housley,Glen Norcliffe,1992-09-01 In 1759 Voltaire in *Candide* referred to Canada as quelques arpents de neige For several centuries the image prevailed and was the one most frequently used by poets writers and illustrators Canada was perceived and portrayed as a cold hard and unforgiving land this was not a land for the fainthearted Canada has yielded its wealth only reluctantly while periodically threatening life itself with its displays of fury Discovering its beauty and hidden resources requires patience and perseverance *A Few Acres of Snow* is a collection of twenty two essays that explore from the geographer's perspective how poets artists and writers have addressed the physical essence of Canada both landscape and cityscape Sense of place is clearly critical in the works examined in this volume Included among the book's many subjects are Hugh MacLennan Gabrielle Roy Lucius O'Brien the art of the Inuit Lawren Harris Malcolm Lowry C W Jefferys L M Montgomery Elizabeth Bishop Marmaduke Matthews Antonine Maillet and the poetry of Japanese Canadians **Catalogue of the Library of the National Gallery of Canada: Has** National Gallery of Canada. Library,1973 **History of the Book in Canada** History of the Book in Canada Project,2004 The History of the Book in Canada is one of this country's great scholarly achievements with three volumes spanning topics from Aboriginal communication systems established prior to European contact to the arrival of multinational publishing companies Each volume observes developments in the realms of writing publishing dissemination and reading illustrating the process of a fledgling nation coming into its own The third and final volume follows book history and print culture from the end of the First World War to 1980 discussing the influences on them of the twentieth century including the country's growing demographic complexity and the rise of multiculturalism Crucial to creating a sense of identity during this period was the Royal Commission on National Development in the Arts Letters and Sciences whose report of 1951 led to the establishment of influential cultural institutions such as the Canada Council for the Arts and the National Library of Canada Other key

developments included the initiation and growth of library systems the expansion of film radio and television the burgeoning of children s literature enhanced opportunities for writers the Quiet Revolution in Quebec and the rise of Canadian studies and Canadian literature as respected fields for teaching and research In English Canada mainstream book publishing flourished during the 1920s suffered severely during the Depression went through a period of renewal and advance after the Second World War but became imperilled by the 1970s Small literary presses and allophone publishers in turn grew increasingly significant during the 1960s a decade in which Quebec s new cultural policies began to foster ongoing support for francophone book culture In addition to telling the stories of Canada s recent book history this volume pays due attention to multifarious developments in print culture including book prizes sports writing pulp magazines the alternative press Coles Notes the international success of Harlequin and the unprecedented influence of Les insolences du Fr re Untel the famous cry for education reform in 1960s Quebec Volume three of the History of the Book in Canada marks the successful completion of an extraordinary project that documents the country s achievements for generations of scholars and readers to come *Catalogue of the Library of the National Gallery of Canada: Mah* National Gallery of Canada.
