Adrift On Blinding Light:

Adrift on Blinding Light Paul Pines,1990 **Adrift on Blinding Light** Paul Pines,2003 Poetry This evening I m surprise anew by the way light alludes to an exile wherein a world of which I cannot speak is glorified Pont L Archiveche Praise for Paul Pines Breath the poems in Breath constitute a heartfelt extended meditation on the transporting effects of everyday phenomena how the psychic wormholes that allow instantaneous travel along out internal galaxies hide just under the next memory the next sentence and beneath them all the All itself unknowable perhaps but in Pines poetry nearly imaginable American Book Review **Rain Taxi Review of Books** ,2003 Last Call at the Tin Palace Paul Pines,2009

The Demon Road Richard Gray,2012 Imagine what would happen if your inner voices could materialise and interact with the world around you changing shape and acting on their own will at the very time you needed to be at your most focused Imagine if every antic every argument and every mishap these voices led you into was actually imprinting on your memory powerful visual associations ready to be recalled with ease as you walked into your driving theory test well equipped to pass with flying colours the first time Imagine no more Red Green and Amber are three specialist drivers prepared to do whatever it takes to become the driver for The Big Boss s next job They don t yet know what the job is but Big Boss has promised the cargo will be priceless First they must compete against each other in a gruelling two day round the country road race until three become one The rules of engagement are simple Avoid speeding fines parking tickets in fact any violation that could draw attention to yourselves If you are arrested at any point along the way your participation in the interview process will end there Red suspected he was going to have a problem with all of the above With every aspect of the theory test invisibly woven into each scene The Demon Road packs a genuinely memorable punch and delivers an explosive twist ending It has been written with anyone studying to drive and pass their theory test in mind but is a must read for anybody driving on UK roads today Author Richard reads widely but is most inspired by the surreal writings of Haruki Murakami and Natsuo Kirino
