Meg Gray from the review in *Clavier Companion* July/August 2010 issue: What I like most about the HLSPL is the variety of music. All of the pieces are beautiful, with or without the CD. I teach a lot of young beginners, and most method books start out on the black notes, as yours does. The big difference is that the pieces in your method are artistic right from the beginning. The children love the illustrations. And I love seeing results. Karen Ferguson, Coquitlam, BC, Canada. Follow the method that encourages practice, progress, confidence, and best of all, student joy.
