Addition Subtraction Educational Workbooks:

Addition and Subtraction Workbook Ages 5-7: Ideal for Home Learning (Collins Easy Learning KS1) Collins Easy Learning, 2015-06-26 This fun range of Maths and English activity books really helps to boost your child's progress at every stage of their learning. The series builds important skills in line with their learning at school. *Let's Do Addition and Subtraction 7-8* Andrew Brodie, 2016 From trusted primary education expert Andrew Brodie the Let's Do series is the ideal home learning resource for children. Expertly designed to meet all the demands of the National Curriculum, the workbooks provide all the practice children need to build their confidence and boost their ability. Let's Do Addition and Subtraction is a brand new series of six titles in the popular Let's Do range. Each book addresses the new National Curriculum maths specifications and contains a rich variety of activity pages and progress tests with over 400 questions in total. Topics include column addition and subtraction by decomposition and practice of basic number bonds. Designed to be used at home with parental support, each book includes fun tips and clues as well as extra challenges in Brodie's Brain Boosters. Building up speed and confidence is key, and so these books feature progressively more difficult activities with a progress test at the end of each section. There is a clear answer section for reference by parents and children together with over 100 bright, colourful reward stickers.
