

ADMIRAL OF THE OCEAN SEA A Life of Christopher Columbus

By Samuel Eliot Morison

This is a sailor's life of the greatest sailor of them all. There has never been a biography of Columbus like it. Professor Morison is a writer with a real gun, a historian skilled in sifting the evidence, and a navigator who knows all the hazards the great Columbus made. He read all the records, he did all the dusty, exacting work — and does he want and save for himself the most the documents' experience in fair weather and foul. By this method the old story says in sailor life. In all probability this book will stand as the whole truth about Columbus that man will ever come.

"This is a masterpiece of a book as has ever been published by the Atlantic Monthly Press." — ELBERT DEDMON
