Armed And Considered Dangerous A Survey Of Felons And Their Firearms:

Armed and Considered Dangerous Peter Henry Rossi, 2008-02-01 *Armed and Considered Dangerous* is a book about bad guys and their guns But Wright and Rossi contend that for every suspected criminal who owns and abuses a firearm a hundred or more average citizens own guns for sport for recreation for self protection and for other reasons generally regarded as appropriate or legitimate *Armed and Considered Dangerous* is the most ambitious survey ever undertaken of criminal acquisition possession and use of guns There are vast differences between the average gun owner and the average gun abusing felon but the analyses reported here do not suggest any obvious way to translate these differences into gun control policies Most policy implications drawn from the book are negative in character this will not work for this reason that will not work for that reason and so on When experts are asked Okay then what will work they usually fall back on the old warhorses of poverty the drug problem or the inadequate resources of the criminal justice system and otherwise have little to say This is not a failure of social science It simply asks more of the data than the data were ever intended to provide Several of Wright and Rossi's findings have become coin of the realm in the gun control debate cited frequently by persons who have long since forgotten where the data came from or what their limitations are Several other findings including many that are important have been largely ignored Still other findings have been superseded by better and more recent data or rendered anachronistic by intervening events With the inclusion of a new introduction detailing recent statistics and updated information this new edition of *Armed and Considered Dangerous* is a rich source of information for all interested in learning about weapon behavior and ownership in America

Armed and Considered Dangerous Peter H. Rossi, 2017 *Armed and Considered Dangerous* is a book about bad guys and their guns But Wright and Rossi contend that for every suspected criminal who owns and abuses a firearm a hundred or more average citizens own guns for sport for recreation for self protection and for other reasons generally regarded as appropriate or legitimate *Armed and Considered Dangerous* is the most ambitious survey ever undertaken of criminal acquisition possession and use of guns There are vast differences between the average gun owner and the average gun abusing felon but the analyses reported here do not suggest any obvious way to translate these differences into gun control policies Most policy implications drawn from the book are negative in character this will not work for this reason that will not work for that reason and so on When experts are asked Okay then what will work they usually fall back on the old warhorses of poverty the drug problem or the inadequate resources of the criminal justice system and otherwise have little to say This is not a failure of social science It simply asks more of the data than the data were ever intended to provide Several of Wright and Rossi's findings have become coin of the realm in the gun control debate cited frequently by persons who have long since forgotten where the data came from or what their limitations are Several other findings including many that are important have been largely ignored Still other findings have been superseded by better and more recent data or rendered anachronistic by intervening events With the inclusion of

a new introduction detailing recent statistics and updated information this new edition of *Armed and Considered Dangerous* is a rich source of information for all interested in learning about weapon behavior and ownership in America Provided by publisher *Armed and Considered Dangerous* James D. Wright,2017-07-12 *Armed and Considered Dangerous* is a book about bad guys and their guns But Wright and Rossi contend that for every suspected criminal who owns and abuses a firearm a hundred or more average citizens own guns for sport for recreation for self protection and for other reasons generally regarded as appropriate or legitimate *Armed and Considered Dangerous* is the most ambitious survey ever undertaken of criminal acquisition possession and use of guns There are vast differences between the average gun owner and the average gun abusing felon but the analyses reported here do not suggest any obvious way to translate these differences into gun control policies Most policy implications drawn from the book are negative in character this will not work for this reason that will not work for that reason and so on When experts are asked Okay then what will work they usually fall back on the old warhorses of poverty the drug problem or the inadequate resources of the criminal justice system and otherwise have little to say This is not a failure of social science It simply asks more of the data than the data were ever intended to provide Several of Wright and Rossi s findings have become coin of the realm in the gun control debate cited frequently by persons who have long since forgotten where the data came from or what their limitations are Several other findings including many that are important have been largely ignored Still other findings have been superseded by better and more recent data or rendered anachronistic by intervening events With the inclusion of a new introduction detailing recent statistics and updated information this new edition of *Armed and Considered Dangerous* is a rich source of information for all interested in learning about weapon behavior and ownership in America ***Armed and Considered Dangerous*** James D. Wright,Peter Henry Rossi,1986 *Gun Control and Gun Rights* Andrew J. McClurg,David B. Kopel,Brannon Denning,2002-06 The benefits of gun ownership The costs of firearms Philosophical roots of the right to arms and of opposition to the right The right to arms in the Second Amendment and state constitutions cases and commentary Guns and identity race gender class and culture *Data Resources of the National Institute of Justice* National Institute of Justice (U.S.),1996 *Guns in America* Jan E. Dizard,Robert Muth,Stephen P. Andrews,1999-04 Firearms have long been at the core of US national narratives From the Puritans embrace of such weapons to beat back the devilish Indian to a guilty delight in the illegal exploits of Dirty Harry Americans have relied on the gun to right wrongs both real and imagined **NIJ Program Plan** National Institute of Justice (U.S.),1993 *The Brady Handgun Violence Prevention Act* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1991 *Crime and Public Policy* James Q. Wilson,Joan Petersilia,2012-06-01 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the role of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely

heard in public discussions and is often missing from the desks of policymakers This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it Thoroughly revised and updated this new version of Crime and Public Policy will include twenty chapters and five new substantial entries As with previous editions each essay reviews the existing literature discusses the methodological rigor of the studies identifies what policies and programs the studies suggest and then points to policies now implemented that fail to reflect the evidence The chapters cover the principle institutions of the criminal justice system juvenile justice police prisons probation and parole sentencing how broader aspects of social life inhibit or encourage crime biology schools families communities and topics currently generating a great deal of attention criminal activities of gangs sex offenders prisoner reentry changing crime rates With contributions from trusted leading scholars Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers community leaders and students of crime and criminal justice

Encyclopedia of Police Science Jack Raymond Greene, 2006-10-23 In 1996 Garland published the second edition of the Encyclopedia of Police Science edited by the late William G Bailey The work covered all the major sectors of policing in the US Since then much research has been done on policing issues and there have been significant changes in techniques and in the American police system Technological advances have refined and generated methods of investigation Political events such as the terrorist attacks of September 11 2001 in the United States have created new policing needs while affecting public opinion about law enforcement These developments appear in the third expanded edition of the Encyclopedia of Police Science 380 entries examine the theoretical and practical aspects of law enforcement discussing past and present practices The added coverage makes the Encyclopedia more comprehensive with a greater focus on today's policing issues Also added are themes such as accountability the culture of police and the legal framework that affects police decision New topics discuss recent issues such as Internet and crime international terrorism airport safety or racial profiling Entries are contributed by scholars as well as experts working in police departments crime labs and various fields of policing

To Trust the People with Arms Robert J. Cottrol, Brannon P. Denning, 2023-10-06 In 2007 for the first time in nearly seventy years the Supreme Court decided to hear a case involving the Second Amendment The resulting decision in *District of Columbia v Heller* 2008 was the first time the Court declared a firearms restriction to be unconstitutional on the basis of the Second Amendment It was followed two years later by a similar decision in *McDonald v City of Chicago* and in 2022 the Court further expanded its support for Second Amendment rights in *New York State Rifle and Pistol Association v Bruen* a decision whose far reaching implications are still being unraveled *To Trust the People with Arms* explores the remarkable and complex legal history of how the right to bear arms was widely accepted during the nation's founding was near extinction in the late twentieth century and is now experiencing a rebirth in the Supreme Court in the twenty first century Robert J Cottrol and Brannon P Denning link the right to bear arms with other

major themes in American history Prompted by the eighteenth century belief that arms played a vital role in preserving the liberties of the citizen the Second Amendment met many challenges in the nation s history Among the most acute of these were racism racial violence and the extension of the right to bear arms to African Americans and other marginalized groups The development of modern firearms and twentieth century urbanization also challenged traditional notions concerning the value of an armed population Cottrol and Denning make a particularly important contribution linking the nation s participation in the wars of the twentieth century and the strengthening of American gun culture Most of all they give a nuanced and sophisticated legal history that engages legal realism different varieties of originalism and the role of chance and accident in history To Trust the People with Arms integrates history politics and law in an interdisciplinary way to illustrate the roles that guns and the right to keep and bear arms have played in American history culture and law *More Guns, Less Crime* John R. Lott,2013-01-29 On its initial publication in 1998 John R Lott s *More Guns Less Crime* drew both lavish praise and heated criticism More than a decade later it continues to play a key role in ongoing arguments over gun control laws despite all the attacks by gun control advocates no one has ever been able to refute Lott s simple startling conclusion that more guns mean less crime Relying on the most rigorously comprehensive data analysis ever conducted on crime statistics and right to carry laws the book directly challenges common perceptions about the relationship of guns crime and violence For this third edition Lott draws on an additional ten years of data including provocative analysis of the effects of gun bans in Chicago and Washington D C that brings the book fully up to date and further bolsters its central contention

Handgun Violence Prevention Act of 1987 United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1989 *Informational Bulletin* Wisconsin. Legislature. Legislative Reference Bureau,1993 *The Encyclopedia of Police Science* William G. Bailey,1995 The first edition 1989 is cited in ARBA 1990 and the Supplement to Sheehy A reference that contains signed alphabetical entries which examine all major aspects of American policing and police science including history current practices new initiatives social pressures and political factors The second edition considerable expands its scope with 70 new entries and revisions and updates of others In this edition greater emphasis is placed on the coverage of drug abuse suppression new types of crime federal mandates for action and international developments that affect American police Annotation copyright Book News Inc Portland OR *Force & Fear* Frederick John Desroches,2002 Eighty convicted bank robbers the Canadian penitentiary service and police departments across the country have all actively contributed to Desroches quest to uncover why an individual embarks on a crime for which the proceeds are minimal the arrest rate high and the jail sentence long The first book of its kind *Force and Fear Robbery in Canada* examines robbery not just as a crime but as a criminal event The author looks at offender motivation and social background responses to robberies by the criminal justice system and interaction between robber and victim *Targeting Guns* Gary Kleck,2017-07-05 This new paperback comprehensively reviews the research evidence on the links between guns violence

and gun control and reports results of the author's own research as well. In *Targeting Guns*, Kleck follows the line of argument and careful statistical inference of his earlier prizewinning volume *Point Blank* while updating the literature reviews and statistical information and adding two chapters.

Offenders on Offending Wim Bernasco, 2013-01-11 The book addresses the issue of assessing the reliability of information about crime from offenders taking stock of the various methods used to elicit information on offending from offenders and collecting useful information on criminal behaviour.

Youth Violence Daniel J. Flannery, C. Ronald Huff, 1999 This is a resource for dealing with both perpetrators and victims of violence and understanding the risk factors facing youth. Presenting an assessment of effects of exposure to violence and the continuity of aggression from early childhood to adulthood, it outlines an integration strategy for public policy towards prevention and treatment.

Armed And Considered Dangerous A Survey Of Felons And Their Firearms Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Armed And Considered Dangerous A Survey Of Felons And Their Firearms free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Armed And Considered Dangerous A Survey Of Felons And Their Firearms free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Armed And Considered Dangerous A Survey Of Felons And Their Firearms free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Armed And Considered Dangerous A Survey Of Felons And Their Firearms. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Armed And Considered Dangerous A Survey Of Felons And Their Firearms any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Armed And Considered Dangerous A Survey Of Felons And Their Firearms Books

1. Where can I buy Armed And Considered Dangerous A Survey Of Felons And Their Firearms books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Armed And Considered Dangerous A Survey Of Felons And Their Firearms book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
