Armenian Folk Tales And Fables:

Armenian Folk-tales and Fables Charles Downing, 1972 These folk tales were told by simple people vine dressers farm laborers millers and were preserved by word of mouth to be repeated for entertainment in the coffee house or at home during the long hard winters There are fables here too selected from the collections of medieval scholars and philosophers while the expressive and often humorous proverbs show the ways of the world through shrewd Armenian eyes Abebooks com viewed Mar 3 2023 *The Golden Maiden, and other folk tales and fairy stories told in Armenia* A. coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s along with the recent surge of interest in the Armenian Orthodox church a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business However hopefully this study will at least in some small way help to set the process in motion
