Armstrong's Last Goodnight:

Armstrong's Last Goodnight John Arden, 1965 **Armstrong's Last Goodnight**, 1965 Armstrong's Last Goodnight, 1963 **Armstrong's Last Goodnight** John Arden, 1965 *The Function of Song in Contemporary British Drama* Elizabeth Hale Winkler, 1990 This comprehensive study formulates an original theory that dramatic song must be perceived as a separate genre situated between poetry music and theater It focuses on John Arden Margaretta D Arcy Edward Bond Peter Barnes John Osborne Peter Nichols Harold Pinter Tom Stoppard Peter Shaffer and John McGrath **World Premiere : Armstrong's Last Goodnight by John Arden** Citizens' Theatre (Glasgow), 1964 Post-War British Theatre Criticism (Routledge Revivals) John Elsom, 2014-10-14 This book first published in 1981 sets out the critical reaction to some fifty key post war productions of the British theatre as gauged primarily through the contemporary reviews of theatre critics The plays chosen are each in their different ways important in their contribution to the development of the British theatre covering the period from immediately after the Second World War when British theatre fell into decline through the revival of the late 1950s to the time in which this book was first published in which British theatre enjoyed a high international reputation for its diversity and quality This book is ideal for theatre studies students as well as for the general theatre goer

Arden (Routledge Revivals) Albert Hunt, 2014-06-17 John Arden was one of the major playwrights to have emerged during the 1950s yet his work has arguably been misunderstood In this book first published in 1974 Albert Hunt's primary concern is to relate the plays written by John Arden alone as well as those written in collaboration with Margaretta D Arcy both to Arden's whole concept of theatre and to his social and political attitudes The book begins with a biographical introduction followed by a play by play study of Arden's work and a survey of the impact of his plays in performance alongside fascinating images Celebrating the work and life of the playwright this timely reissue will be of particular value to students of theatre studies as well as professional actors with an interest in John Arden's plays and theatrical ideologies
