Around The World With Fanny Hill:

Sexy Eroine Stefano Piselli, Riccardo Morocchi, 2003 *Bowker's Complete Video Directory 1996* R R Bowker Publishing, 1996 **Fanny Hill in Bombay** Hal Gladfelder, 2012-03-23 A study of the life and work of the notorious English novelist John Cleland is among the most scandalous figures in British literary history both celebrated and attacked as a pioneer of pornographic writing in English His first novel *Memoirs of a Woman of Pleasure or Fanny Hill* is one of the enduring literary creations of the eighteenth century despite over two hundred years of legal prohibition Yet the full range of his work is still too little known In this study Hal Gladfelder combines groundbreaking archival research into Cleland's tumultuous life with incisive readings of his sometimes extravagant sometimes perverse body of work positioning him as a central figure in the development of the novel and in the construction of modern notions of authorial and sexual identity in eighteenth century England Rather than a traditional biography *Fanny Hill in Bombay* presents a case history of a renegade authorial persona based on published works letters private notes and newly discovered legal testimony It retraces Cleland's career from his years as a young colonial striver with the East India Company in Bombay through periods of imprisonment for debt and of estrangement from collaborators and family shedding light on his paradoxical status as literary insider and social outcast As novelist critic journalist and translator Cleland engaged with the most challenging intellectual currents of his era yet at the same time was vilified as a pornographer atheist and sodomite Reconnecting Cleland's writing to its literary and social milieu this study offers new insights into the history of authorship and the literary marketplace and contributes to contemporary debates on pornography censorship the history of sexuality and the contested role of literature in eighteenth century culture Cleland's life story is a puzzle with many pieces still missing But Gladfelder's careful painstaking reconstructions have brought the fascinating picture into much clearer focus Choice Anyone interested in the history of pornography or Cleland cannot afford to be without this study of the writer and his work Julie Peakman *Times Literary Supplement* UK Innovative adventurous and exciting Gladfelder has given us a new and for eighteenth century studies a newly significant and central John Cleland a writer whose notoriety as author of the first pornographic novel in English has until now overshadowed a long varied and remarkable career as colonial administrator projector jailbird bookseller's hack alleged sodomite translator reviewer philologist and author of numerous original works beyond the *Memoirs* An exemplary unusual and immensely enabling combination of painstaking archival and other historical research and analytic expository flair The scholarship is formidable throughout Thomas Keymer University of Toronto *Sources and Methods in the History of Sexuality* Anna Clark, Elizabeth W. Williams, 2024-09-12 *Sources and Methods in the History of Sexuality* outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to sources due the peculiar nature of sexuality On one hand sexuality is

frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality

Sexual Fiction Maurice Charney, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies *New Accents* is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study

Fanny Hill John Cleland, 2012-08-15 Fanny Hill shrouded in controversy for most of its more than 250 year life and banned from publication in the United States until 1966 was once considered immoral and without literary merit even earning its author a jail sentence for obscenity The tale of a naive young prostitute in bawdy eighteenth century London who slowly rises to respectability the novel and its popularity endured many bannings and critics and today Fanny Hill is considered an important piece of political parody and sexual philosophy on par with French libertine novels This uncensored version is set from the 1749 edition and includes commentary by Charles Rembar the lawyer who defended the novel in the 1966 U S Supreme Court case and newly commissioned notes

Kinky History Esmé Louise James, 2023-10-03 Irreverent and provocative this is a history of sex from TikTok sensation Esm Louise James It s time to take your seat for a dinner party like no other Discover the long long history of the dildo Hear James Joyce celebrate the beauty of his wife s farts And you ll never guess Albert Einstein s thoughts on marital relations Kinky History draws on Esm Louise James s phenomenally successful series on TikTok which explores scandalous stories in the ancient world and the saucy secrets of famous figures Teaming up with her statistician mother Dr Susan James the pair have surveyed the nation for all of your intimate secrets and the results are in By placing the past in conversation with the present we ll explore five kinks that challenge our thinking about sex How has the idea of sin shaped

our sex lives Why is masturbation so taboo Where are our hidden queer histories How do kinks and fetishes play with the idea of sex And why does pornography have so much power over us Kinky History aims to blow open our conversation about sexuality and gender Strap yourself in or on let s build a more liberated sex positive future Sexual Ideology in the Works of Alan Moore Todd A. Comer, Joseph Michael Sommers, 2012-02-28 Alan Moore the idiosyncratic controversial and often shocking writer of such works as Watchmen The League of Extraordinary Gentlemen and V for Vendetta remains a benchmark for readers of comics and graphic novels This collection investigates the political social cultural and sexual ideologies that emerge from his seminal work Lost Girls and demonstrates how these ideologies relate to his larger body of work Framed by Moore s insistence upon deconstructing the myth of the superhero each essay attends to the form and content of Moore s comics under the rubric of his pervasive metaphor of the politics of sexuality the sexing of politics

Speaking the Unspeakable Peter Michelson, 1993-01-01 This book studies the literary and cinematic functions of the pornographic as a development from a poetics of obscenity It focuses on the developments of French British and American

artistic pornography since the eighteenth century Discussing female literary figures including Hall Wharton Nin Reage Jong and Shulman such men as Cleland Sade Beardsley Lawrence Joyce and Miller and film makers such as Brakhage Jack Smith Bruce Conner Bertolucci Oshima and Wertmuller Michelson analyzes both the use of aesthetic pornography and the philosophical cultural and legal implications of its use He proposes that realizing the obscene in the sense of speaking the unspeakable is the principle aesthetic function of pornography **Harry Alan Towers** Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives

Hard Core Linda Williams,1989-01-01 Looks at the history of pornographic films discusses what they reveal about attitudes towards sexuality and considers the censorship issue Gleaning Modernity Eric Rothstein,2007 Through rigorously historical but not univocal readings of several widely familiar works the book also argues that this literature does socially constitutive work in a way that differs from commonly made neofoucauldian marxisant claims Its non cynical consumer driven model in which artworks offer variously instructive make believe does not require or invoke transgression subversion finger wagging or complaisance as means of social efficacy BOOK JACKET
