Arrangiarsi, the Italian Immigration Experience in Canada Roberto Perin, Franc Sturino, 1989-01-01 Righting
Canada's Wrongs: Italian Canadian Internment in the Second World War Pamela Hickman, Jean Smith Cavalluzzo, 2021-12-07
Righting Canada's Wrongs Italian Canadian Internment is designed to provide an introductory level overview of the internment of Italian Canadians during the Second World War This title makes use of photos and illustrations firsthand accounts and sections of easily digestible text to engage students with the material The titles in this series are ideal for introductory level university classes where students may not have encountered these subjects before **Fascism and the Italians of Montreal** Filippo Salvatore, 1998 This book of interviews is an absorbing autobiography of the Italian community of Montreal and its encounters with important events in Canada and in Europe from 1992 to 1945 from Mussolini's March on Rome to the Concordat between the Catholic Church and the Italian state from the war in Ethiopia to the Pact of Steel signed by Mussolini and Hitler from the Spanish civil war to the declaration of war between Italy and Canada The reader will discover sensational revelations about the hundreds of Italian Canadians who were interned by the Canadian government during the Second World War often on trumped up charges and without a single shred of evidence against them These interviews recount the Italian community's passions and sorrows its exuberant love of life and its struggle for survival and dignity in America Italian Canadian Heritage Valentina Sgro, 2022-12-21 Through a historical and economic analysis of Italian Canadian migration in the second half of the 20th century and through the study of Italian and Canadian archival sources this book provides an analytic and in depth tool for the study of the economic and cultural relations between Italy and Canada from the Golden Age until the present It focuses in particular on the analysis of migratory flows between the two countries on the evolution of integration work and assistance problems and on the promotion of Italian Canadian culture The book also retraces the evolution of some relevant non profit organizations and their role in the enhancement of Italian Canadian cultural heritage *The Anthology of Italian-Canadian Writing* Joseph Pivato, 1998 The more than fifty authors represented come from across Canada and have backgrounds in all regions of Italy **Memories of Belonging: Descendants of Italian Migrants to the United States, 1884-Present** Christa Wirth, 2015-02-11 Memories of Belonging is a three generation oral history study of the offspring of southern Italians who migrated to Worcester Massachusetts in 1913 Supplemented with the interviewees private documents and working from U S and Italian archives Christa Wirth documents a century of transatlantic migration assimilation and later generation self identification Her research reveals how memories of migration everyday life and ethnicity are passed down through the generations altered and contested while constituting family identities The fact that not all descendants of Italian migrants moved into the U S middle class combined with their continued use of hyphenated identities points to a history of lived ethnicity and societal exclusion Moreover this book demonstrates the extent of forgetting that is required in order to construct an ethnic identity Austrian Immigration

to Canada Franz A. J. Szabo, 1996 This collection of nine essays originated in a symposium on Austrian Immigration to Canada held at Carleton University in May 1995 Held in conjunction with the Austrian Immigration to Canada Research Project which was initiated to mark the Austrian millennium in 1996 the conference brought together European and Canadian scholars from several disciplines The full range of immigrant and refugee experience in Canada is addressed culture politics demographics identity language memory hardship and achievement Austrian Immigration is the companion volume to A History of the Austrian Migration to Canada also published by Carleton University Press BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Haunted Nations** Sneja Gunew, 2013-04-15 Postcolonialism has attracted a large amount of interest in cultural theory but the adjacent area of multiculturalism has not been scrutinised to quite the same extent In this innovative new book Sneja Gunew sets out to interrogate the ways in which the transnational discourse of multiculturalism may be related to the politics of race and indigeneity grounding her discussion in a variety of national settings and a variety of literary autobiographical and theoretical texts Using examples from marginal sites the settler societies of Australia and Canada to cast light on the globally dominant discourses of the US and the UK Gunew analyses the political ambiguities and the pitfalls involved in a discourse of multiculturalism haunted by the opposing spectres of anarchy and assimilation **Canadian Books in Print. Author and Title Index**, 1975

Celebrating Ethnicity and Nation Jürgen Heideking, Geneviève Fabre, Kai Dreisbach, 2001 Arising out of the context of the re configuration of Europe new perspectives are applied by the authors of this volume to the process of nation building in the United States By focusing on a variety of public celebrations and festivities from the Revolution to the early twentieth century the formative period of American national identity the authors reveal the complex interrelationships between collective identities on the local regional and national level which over time shaped the peculiar character of American nationalism This volume combines vivid descriptions of various public celebrations with a sophisticated methodological and theoretical approach Contemporary Quebec Michael D. Behiels, Matthew Hayday, 2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions *Canadian Culture and Literature* University of Alberta. Research Institute for Comparative Literature, 1998 Encyclopedia of North American Immigration John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more *Jewish Roots, Canadian Soil* Rebecca Margolis, 2011 How Montreal's Yiddish community ensured its lasting cultural importance and influence WorldCat **The Empire Within** Sean Mills, 2010-03-26 A

compelling study of the global dimensions and local particularities of political activism in Sixties Montreal **Mary Melfi** William Anselmi, 2007 Expanding on her analysis of the Canadian literary canon this collection of essays offers an in depth look at accomplished writer Mary Melfi Focusing on a variety of genres from poetry and the novel to drama and the modern fairy tale this volume expertly establishes the timeless relevance of Melfi's work Featured contributors including Domenico D Alessandro Lise Hogan and Marino Tuzi explore issues such as her emphasis on displacement irony ethnicity class and gender **Mamma Mia!** Maria McLean, 2004-05-27 Growing up a second generation Italian woman in Canada is not as easy as it looks In fact it requires the keeping of secrets the telling of lies the casting of curses and the patience of a saint Here 20 Italian Canadian women share their stories some comic some tragic some nostalgic all true about living a double life with a private public split personality Intimate inspiring brave and confessional these tales reveal women old enough to reminisce yet young enough to revolutionize Balancing between the Old Country and the new a respect for tradition and the need to break with it this collection is a rare and surprising blend of humour and candor that promises the perfect conversation starter Mamma mia what will they dare say next **Enjoying the Interval: Murray Enkin: A Life** Kerreen M. Reiger, 2022-08-31 Anyone who has enjoyed the great happiness and intimacy of a family centred birth and any midwife or health professional who has attended one owes a debt of gratitude to internationally known Canadian doctor researcher and medical reformer Murray Enkin Enjoying the Interval takes on the fascinating joyful task of exploring Dr Enkin's identity and achievements along with the social context that shaped them It offers a critical assessment of the ongoing challenges in maternity care the field to which Enkin devoted his life but it is also the story of an immigrant Jewish family's contribution to Canadian society and the wider world Using archival sources and interviews the book traces Enkin's story from his birth in 1924 through his early young married life education and medical practice to his passionate championing of the emerging childbirth reform movement and its influence Interweaving the personal and professional to provide insight into the man the times and the causes that shaped him it not only recognises Enkin's distinctive social contribution but also that of his family and colleagues It chronicles the highly personable Enkin's days as a med student awestruck by the courage and beauty of women in labour to his joyful life as a husband and father to his international impact as a practitioner academic and researcher and as an inveterate traveller Scholarly yet accessible it will prove of interest to professional and lay readers alike Enjoying the Interval is an account of an important social movement that shook the medical establishment but it's also a love story a travelogue and an entertaining portrait of a complex man who helped to change the world for the better

Contrasts Joseph Pivato, 1991 This historic collection the first of its kind is devoted to the discussion of Italian Canadian writers publishing in English in French or in Italian These critical essays include analyses of some important writing F G Paci's Black Madonna the poetry of Mary di Michele and Pier Giorgio Di Cicco the plays of Marco Micone Gens du Silence and Addolorata the novels of Maria Ardizzi and many other titles The ten contributors make significant additions to the study of

Canadian literature D C Minni examines the short story Alexandre Amprimoz and Sante Viselli consider Italian Canadian poetry Roberta Sciff Zamaro analyses Black Madonna Robert Billings fathoms di Michels s verse Frank Paci considers the task of the novelist Fulvio Caccia s essay on the literary languages of Quebec is controversial as are Filippo Salvatore s arguments on the writer and politics Antonio D Alfonso speculates on future developments among the more than one hundred Italian Canadian writers In addition to editing the collection Joseph Pivato introduces the volume with a long essay on ethnic history and literary criticism in Canada includes another essay on Italian language writers and concludes with a detailed bibliography and an index

Bound by Distance Pasquale Verdicchio, 1997 Bound by Distance takes its place among a growing body of scholarship the goal of which is to challenge the kind of thinking that reproduces the West as a stable and homogenous political and discursive entity The Italian nation with its peculiar process of formation the continuous tensions between its own northern and southern regions and its history of emigration provides an important case for complicating and reassessing concepts of national racial economic and cultural dominance The author analyzes the interactive space of the history of Italian state formation Italian subaltern literature Italian emigrant writing and the current situation of North African and Asian immigrants to Italy in order to contest the feigned homogeneity of the Italian nation and to complicate and reassess concepts of national racial economic and cultural dominance
