A. Moore, 2015-04-24 After a sudden silent but brilliantly dazzling meteor shower one night nothing seems very much different except for an odd little fungus that appears on computer consultant Stanley s deck next morning But then his cat Livingston begins acting strangely and has what seems to be a fatal seizure This is the prelude to a suspenseful and romantically enlightening journey of discovery into the Oregon wilderness for Stanley and the feisty but alluring veterinarian Penelope It might also mark the beginning of a whole new epoch of human animal alien relations That s the gist of *A Second Coming* the first in this witty little collection of science fiction and magical reality that takes the reader on a comic trek around the galaxy and back again From extra terrestrial bureaucratic disputes to a magical cure for foot in mouth gaffes to an up to the minute twist on the revenge of the machines *A Second Coming and Other Stories* will keep readers amused and musing about both the past and the future with every page turn *Coming Home and Other Stories* Edith Wharton, 2016-01-25 *Coming Home* I The young men of our American Relief Corps are beginning to come back from the front with stories There was no time to pick them up during the first months the whole business was too wild and grim The horror has not decreased but nerves and sight are beginning to be disciplined to it In the earlier days moreover such fragments of experience as one got were torn from their setting like bits of flesh scattered by shrapnel Now things that seemed disjointed are beginning to link themselves together and the broken bones of history are rising from the battle fields I can t say that in this respect all the members of the Relief Corps have made the most of their opportunity Some are unobservant or perhaps simply inarticulate others when going beyond the bald statistics of their job tend to drop into sentiment and cinema scenes and none but H Macy Greer has the gift of making the thing told seem as true as if one had seen it So it is on H Macy Greer that I depend and when his motor dashes him back to Paris for supplies I never fail to hunt him down and coax him to my rooms for dinner and a long cigar Greer is a small hard muscled youth with pleasant manners a sallow face straight hemp coloured hair and grey eyes of unexpected inwardness He has a voice like thick soup and speaks with the slovenly drawl of the new generation of Americans dragging his words along like reluctant dogs on a string and depriving his narrative of

every shade of expression that intelligent intonation gives But his eyes see so much that they make one see even what his foggy voice obscures Some of his tales are dark and dreadful some are unutterably sad and some end in a huge laugh of irony I am not sure how I ought to classify the one I have written down here **Indu's Home-Coming and Other Stories** Durgaprasad Mishra,2024-02-14 **The Neutrinos are coming and other stories** Dinker Charak,2022-06-10 Dinker Charak's anthology allows the readers involvement in finding the scientific principles which are implicit in these stories The binding force of all the seven stories in the anthology is that they take the readers to the far fetched future and also to the unexplored regions where the basic scientific principles could help anyone to resolve the problems of the future each one of them provides us with humor I wish that the esteemed readers will enjoy this unique work of art which could provide not only entertainment but also thought provoking ideas Dr Srinarahari Vice President of the Asian Science Fiction Association and Secretary General of the Indian Association for Science Fiction Studies **A Storm Is Coming And Other Stories** Rachel Lawson,2025-07-19 **A Storm Is Coming and Other Stories** by Rachel Lawson Step into the surreal worlds of Rachel Lawson where thunder cracks not just across skies but through souls This eclectic collection of short stories brims with supernatural intrigue gothic flair and flashes of dark humor From ominous forecasts to otherworldly encounters each tale delivers a jolt of the unexpected told with Lawson's signature poetic voice and spellbinding imagination For readers drawn to speculative fiction with a touch of the macabre **A Storm Is Coming** is a lightning strike of literary magic 1 **A Storm Is Coming** 2 **The Angel of Death Saga** 3 **The Masked Magician The Game Is Murder** 4 **The Emperor's Secret** 5 **The Uncrowned Empress** 6 **The King Sings** 7 **The Masquerade** 8 **Illusions and Delusions** 9 **The Other Man** 10 **The Other Man's Shoes** 11 **The Death Of The Emperor Novella** 12 **The Age Of Treason A Novella** 13 **Hollow Crown or The Ghost Empire A Song** **The Way Spring Arrives and Other Stories** Yu Chen,Regina Kanyu Wang,2022-03-08 An Oprah Daily Top 25 Fantasy Book of 2022 From an award winning team of authors editors and translators comes a groundbreaking short story collection that explores the expanse of Chinese science fiction and fantasy In **The Way Spring Arrives and Other Stories** you can dine at a restaurant at the end of the universe cultivate to immortality in the high mountains watch roses perform Shakespeare or arrive at the island of the gods on the backs of giant fish to ensure that the world can bloom Written edited and translated by a female and nonbinary team these stories have never before been published in English and represent both the richly complicated past and the vivid future of Chinese science fiction and fantasy Time travel to a winter's day on the West Lake explore the very boundaries of death itself and meet old gods and new heroes in this stunning new collection At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied ***The Twin Fortunes and Other Stories*** James I. Luke, 2014-09-11 The ancient Romans are well known for their love of the pageantry of power No single ceremony better attests to this characteristic than the triumph which celebrated the victory of a Roman commander through a grand ceremonial entrance into the city that ended in rites performed to Rome's chief tutelary deity Jupiter Optimus Maximus on the Capitoline hill The triumph however was only one form of ceremonial arrival at the city and Jupiter was not the only god to whom vows were made and subsequently fulfilled at the end of a successful assignment Ushering in a New Republic expands our view beyond a narrow focus on the triumph to look at the creative ways in which the great figures of Rome in the first century BCE men such as Sulla Caesar Augustus and others crafted theological performances and narratives both in and around their departures from Rome and then returned to cast themselves in the role of divinely supported saviors of a

faltering Republic Trevor S Luke tackles some of the major issues of the history of the Late Republic and the transition to the empire in a novel way Taking the perspective that Roman elites even at this late date took their own religion seriously as a way to communicate meaning to their fellow Romans the volume reinterprets some of the most famous events of that period in order to highlight what Sulla Caesar and figures of similar stature did to make a religious argument or defense for their actions This exploration will be of interest to scholars of religion political science sociology classics and ancient history and to the general history enthusiast While many people are aware of the important battles and major thinkers of this period of Roman history the story of its theological discourse and competition is unfolded here for the first time **Lady Deane, and**
