Arrows of the Queen , **The Arrows of the Heart** Jeffe Kennedy, 2018-10-08 A STRANGER S FAITH As the Twelve Kingdoms and their allies are drawn toward war a princess cast aside must discover a purpose she never dreamed of Karyn af Hardie behaved like a proper Dasnarian wife She acquiesced she accepted she submitted Until her husband gave her a choice their loveless unconsummated royal marriage or her freedom Karyn chose freedom But with nowhere to run except into the arms of Dasnaria s enemies she wonders if she s made a mistake She wants love security a family She can t imagine finding any of it among the mercurial Tala Worst of all is Zyr The uninhibited shapeshifter is everywhere she looks He s magnetic relentless teasing and tempting as if she s free to take her pleasure where she wishes As if there isn t a war rising before them against a vile and demanding force far stronger than they But with Karyn s loyalty far from certain Zyr offers her only chance to aid the defense a dangerous gambit to seek out a land not seen in centuries using clues no one can decipher Together they ll have every opportunity to fail and one chance to steal something truly precious I think where this author truly excels is in her ability to give us engaging believable heroines that pull us into her worlds and with Karyn she is absolutely spot on There s genuine emotion in this harrowing and yet enchanting story that pits mortals against ancient Gods and its a series that I never want to end Marta Cox on Goodreads This is a series that benefits from reading in order Each book wraps up a romantic fantasy in its own charming ribbons but also serves to advance the overall plot of the series That being said I think you could hop into THE ARROWS OF THE HEART without being lost and enjoy it for its own yummy goodness before plowing gleefully into the rest of the series Make Kay on Goodreads It was also a tale of empowerment finding strength within yourself and being your own hero among so many other things Timitra on Goodreads

The Complete Arrows Trilogy Mercedes Lackey,2016 **RETURN TO SENDER:** J.E Charles,2020-10-23 Return to sender can also be described as a divine law which God has established to address all the forms of diabolical arts of witchcraft manipulations against innocent souls Joel 3 4 7 Ps 7 16 Ps 79 12 2 Thessalonians 1 6 If someone mailed a suspicious package to you what would you do Return to Sender If you do not return those packages then you are accepting the consequences The author has outline biblical truths in this book on spiritual warfare to help us pray effectively against the works of darkness Vengeance is mine I will Repay Says the Lord It s only the will of God to determine the choice of action on the senders as we stand in prayer by putting on the full armor of Christ Our experience shows that He DOES take action br In this book you will learn how to reverse and return witchcraft curses back to the sender apply the biblical principles and the law of boomerang obtain victory over terrible dreams black magic voodoo and ritualistic curses overcome the strongholds of mental and physical fatigue confusion emptiness accidents disorientation affliction the demonic cage of poverty material adversity DNA bondage soul ties jealousy the loss of self control reputation and break free from all limitations binding your thoughts reclaim your freedom and receive breakthroughs in many areas of your life such as healing finances career unhealthy dependencies and family relationships Get ready to wage the good warfare The Mahabharata of Krishna-Dwaipayana Vyasa I Unbekannt,2016-08-18 The object of a translator should ever be to hold the mirror upto his author That being so his chief duty is to represent so far as practicable the manner in which his author s ideas have been expressed retaining if possible at the sacrifice of idiom and taste all the peculiarities of his author s imagery and of language as well In regard to translations from the Sanskrit nothing is easier than to dish up Hindu ideas so as to make them agreeable to English taste But the endeavour of the present translator has been to give in the following pages as literal a rendering as possible of the great work of Vyasa To the purely English reader there is much in the following pages that will strike as ridiculous Those unacquainted with any language but their own are generally very exclusive in matters of taste Having no knowledge of models other than what they meet with in their own tongue the standard they have formed of purity and taste in composition must necessarily be a narrow one The translator however would ill discharge his duty if for the sake of avoiding ridicule he sacrificed fidelity to the original He must represent his author as he is not as he should be to please the narrow taste of those entirely unacquainted with him Mr Pickford in the preface to his English translation of the Mahavira Charita ably defends a close adherence to the original even at the sacrifice of idiom and taste against the claims of what has been called Free Translation which means dressing the author in an outlandish garb to please those to whom he is introduced In the preface to his classical translation of Bhartrihari s Niti Satakam and Vairagya Satakam Mr C H Tawney
