The Arizona of
Joseph Pratt Allyn

Letters From a Pioneer Judge

JOHN NICOLSON, editor

Arizona Of Joseph Pratt Allyn

**Katrina J. Quinn, Mary M. Cronin, Lee
Jolliffe**

Arizona Of Joseph Pratt Allyn:

The Arizona of Joseph Pratt Allyn Joseph Pratt Allyn, **The Arizona of Joseph Pratt Allyn** Joseph Pratt Allyn, 1974 Joseph Pratt Allyn was appointed associated judge of the newly established Territory of Arizona in 1863 and immediately set out for the Great Southwest As he crossed the continent with the territorial party he began a brilliant series of letters to the Hartford Evening Press This collection of his correspondence provides a fascinating picture of pioneer Arizona Editor Nicholson s extensive annotations and the biography of Allyn supply important background information Enhanced by his quiet humor and talent for recording significant details Allyn s letters are rich in valuable primary source material They offer a personal view of such well known figures as King Woolsey Captain Joseph Reddeford Walker and Bishop John Lamy They also furnish vivid descriptions of the major settlements and outposts including the now partially submerged boom town of La Paz The Arizona of Joseph Pratt Allyn is a colorful and revealing panorama of the early territorial years *Adventure*

Journalism in the Gilded Age Katrina J. Quinn, Mary M. Cronin, Lee Jolliffe, 2021-07-12 These new essays tell the stories of daring reporters male and female sent out by their publishers not to capture the news but to make the news indeed to achieve star billing and to capitalize on the Gilded Age public s craze for real life adventures into the exotic and unknown They examine the adventure journalism genre through the work of iconic writers such as Mark Twain and Nellie Bly as well as lesser known journalistic masters such as Thomas Knox and Eliza Scidmore who took to the rivers and oceans mineshafts and mountains rails and trails of the late nineteenth century shaping Americans perceptions of the world and of themselves

America's Joan of Arc J. Matthew Gallman, 2006-04-15 One of the most celebrated women of her time a spellbinding speaker dubbed the Queen of the Lyceum and America s Joan of Arc Anna Elizabeth Dickinson was a charismatic orator writer and actress who rose to fame during the Civil War and remained in the public eye for the next three decades J Matthew Gallman offers the first full length biography of Dickinson to appear in over half a century Gallman describes how Dickinson s passionate patriotism and fiery style coupled with her unabashed abolitionism and biting critiques of antiwar Democrats known as Copperheads struck a nerve with her audiences In barely two years she rose from an unknown young Philadelphia radical to a successful New England stump speaker to a true national celebrity At the height of her fame Dickinson counted many of the nation s leading reformers authors politicians and actors among her friends Among the dozens of famous figures who populate the narrative are Susan B Anthony Whitelaw Reid William Lloyd Garrison Frederick Douglass Elizabeth Cady Stanton and Harriet Beecher Stowe Gallman shows how Dickinson s life illuminates the possibilities and barriers faced by nineteenth century women revealing how their behavior could at once be seen as worthy highly valued shocking and deviant **The Civil War in Arizona** Andrew E. Masich, 2012-12-04 Bull Run Gettysburg Appomattox For Americans these battlegrounds all located in the eastern United States will forever be associated with the Civil War But few realize that the Civil War was also fought far to the west of these sites The westernmost battle of the war took place in the

remote deserts of the future state of Arizona In this first book length account of the Civil War in Arizona Andrew E Masich offers both a lively narrative history of the all but forgotten California Column in wartime Arizona and a rare compilation of letters written by the volunteer soldiers who served in the U S Army from 1861 to 1866 Enriched by Masich s meticulous annotation these letters provide firsthand testimony of the grueling desert conditions the soldiers endured as they fought on many fronts Southwest Book Award Border Regional Library Association Southwest Book of the Year Pima County Public Library NYMAS Civil War Book Award New York Military Affairs Symposium *Oral History of the Yavapai* Mike Harrison, John Williams, 2022-06-07 In the 1970s the Fort McDowell Reservation in Arizona came under threat by a dam construction project that if approved would potentially flood most of its 24 680 acres of land As part of the effort to preserve the reservation Mike Harrison and John Williams two elders of the Yavapai tribe sought to have their history recorded as they themselves knew it as it had been passed down to them from generation to generation so that the history of their people would not be lost to future generations In March 1974 Arizona State University anthropologist Sigrid Khera first sat down with Harrison and Williams to begin recording and transcribing their oral history a project that would continue through the summer of 1976 and beyond Although Harrison and Williams have since passed away their voices shine through the pages of this book and the history of their people remains to be passed along and shared Thanks to the efforts of Scottsdale Arizona resident and Orme Dam activist Carolina Butler this important document is being made available to the public for the first time *Oral History of the Yavapai* offers a wide range of information regarding the Yavapai people from creation beliefs to interpretations of historical events and people Harrison and Williams not only relate their perspectives on the relationship between the White people and the Native American peoples of the Southwest but they also share stories about prayers songs dreams sacred places and belief systems of the Yavapai **Stealing the Gila** David H. DeJong, 2016-09-15 By 1850 the Pima Indians of central Arizona had developed a strong and sustainable agricultural economy based on irrigation As David H DeJong demonstrates the Pima were an economic force in the mid nineteenth century middle Gila River valley producing food and fiber crops for western military expeditions and immigrants Moreover crops from their fields provided an additional source of food for the Mexican military presidio in Tucson as well as the U S mining districts centered near Prescott For a brief period of about three decades the Pima were on an equal economic footing with their non Indian neighbors This economic vitality did not last however As immigrants settled upstream from the Pima villages they deprived the Indians of the water they needed to sustain their economy DeJong traces federal territorial and state policies that ignored Pima water rights even though some policies appeared to encourage Indian agriculture This is a particularly egregious example of a common story in the West the flagrant local rejection of Supreme Court rulings that protected Indian water rights With plentiful maps tables and illustrations DeJong demonstrates that maintaining the spreading farms and growing towns of the increasingly white population led Congress and other government agencies to willfully deny Pimas their water rights Had

their rights been protected DeJong argues Pimas would have had an economy rivaling the local and national economies of the time Instead of succeeding the Pima were reduced to cycles of poverty their lives destroyed by greed and disrespect for the law as well as legal decisions made for personal gain *Desert Lawmen* Larry D. Ball,1996-03-01 Elected for two year terms frontier sheriffs were the principal peace keepers in counties that were often larger than New England states As officers of the court they defended settlers and protected their property from the ever present violence on the frontier Their duties ranged from tracking down stagecoach robbers and serving court warrants to locking up drunks and quelling domestic disputes The reality of their job embraced such mundane duties as being jail keepers tax collectors quarantine inspectors court appointed executioners and dogcatchers Literature of Travel and Exploration Jennifer Speake,2014-05-12

Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **Fugitive Landscapes** Samuel Truett,2008-10-01 Published in Cooperation with the William P Clements Center for Southwest Studies In the nineteenth and early twentieth centuries Mexicans and Americans joined together to transform the U S Mexico borderlands into a crossroads of modern economic development This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain Focusing on a mining region that spilled across the Arizona Sonora border this book shows how entrepreneurs corporations and statesmen tried to domesticate nature and society within a transnational context Efforts to tame a wild frontier were stymied by labor struggles social conflict and revolution *Fugitive Landscapes* explores the making and unmaking of the U S Mexico border telling how ordinary people resisted the domination of empires nations and corporations to shape transnational history on their own terms By moving beyond traditional national narratives it offers new lessons for our own border crossing age

Prehistories of the War on Terror A. J. Yumi Lee,Karen R. Miller,2024-09-24 Reveals fundamental continuities between the contemporary War on Terror and earlier U S imperial conflicts *Prehistories of the War on Terror* examines the longstanding American project of classifying enemies who challenge U S power abroad as terrorists To do so the volume brings disparate episodes of U S military empire building into dialogue across time and space From settler colonial wars in the nineteenth century American West to twentieth century wars of conquest in Asia and the Pacific the collection s essays argue that the United States has drawn both materially and ideologically on older systems of empire in the conflicts through

which it has waged the present day War on Terror Attending to the local histories from which these conflicts emerged and examining the effects of U S intervention in these sites contributors analyze the cultural frameworks for understanding and remembering past conflicts that confirm challenge or refigure the logics of the War on Terror This volume reveals how contestations over sovereignty extraction and inequality must be suppressed and flattened in public discourse to maintain a coherent vision of a totalizing War on Terror Together the contributors illustrate that there was no single road that led to 9 11 or the War on Terror Rather they argue that we must follow multiple paths into the past to fully understand our present and to fight for a more just future Contributors Moustafa Bayoumi Joo Ok Kim Janne Lahti A J Yumi Lee Naveed Mansoori Karen R Miller Kalyan Nadiminti Tim Roberts Colleen Woods

Die Rich Here Ralph Reynolds,2012-08 After searching for sixty years for a long lost gold mine known as the Adams Diggings Ralph Reynolds tells all he s learned This is a rousing tale of Apache cunning and Yankee gullibility And it s a story of lost lives emptied souls and misguided senses in a land of magnificent mountains mesas and canyons His book delivers evidence that three or more prospecting parties were massacred after they located the diggings and the startling implications of these events And most rewardingly it tells how and most likely from where the gold nuggets were clandestinely removed late in the nineteenth century and why and where the mother lode may soon be found Arizona and the West ,1985

Directory of Manuscript Collections Related to Federal Judges, 1789-1997 ,1998 Arizona Politics and Government David R. Berman,2024-07 Arizona has become a swing state in recent national elections the source of controversial policies and policy proposals and the home of well known political personalities In this new edition of Arizona Politics and Government David R Berman examines contemporary issues in a broad historical comparative and theoretical context to identify the mixture of ideas activities and events that have helped shape the essential character of the Arizona polity Beginning with an overview of continuities and changes in Arizona politics Berman then discusses more specific topics such as immigration and water issues cultural wars political extremism voting rights and political reform as well as intergovernmental relations judicial elections the place of rural Arizona and organized labor in state politics and the state s treatment of Natives Mexican Americans and African Americans Above all Berman considers the values beliefs and behavioral patterns reflected in the state s political life that have fueled Arizonans quests for autonomy democracy and development

A Civil War History of the New Mexico Volunteers and Militia Jerry D. Thompson,2015-09 Thompson draws on service records and numerous other archival sources that few earlier scholars have seen in this comprehensive work

On the Borders of Love and Power David Wallace Adams,Crista DeLuzio,2012-07-09 Embracing the crossroads that made the region distinctive this book reveals how American families have always been characterized by greater diversity than idealizations of the traditional family have allowed The essays show how family life figured prominently in relations to larger struggles for conquest and control *Utah Historical Quarterly* ,1975

List of charter members of the society v 1 p 98 99 *Wars for Empire* Janne Lahti,2017-10-05 After the end of the U S

Mexican War in 1848 the Southwest Borderlands remained hotly contested territory Over following decades the United States government exerted control in the Southwest by containing destroying segregating and deporting indigenous peoples in essence conducting an extended military campaign that culminated with the capture of Geronimo and the forced removal of the Chiricahua Apaches in 1886 In this book Janne Lahti charts these encounters and the cultural differences that shaped them Wars for Empire offers a new perspective on the conduct duration intensity and ultimate outcome of one of America s longest wars Centuries of conflict with Spain and Mexico had honed Apache war making abilities and encouraged a culture based in part on warrior values from physical prowess and specialized skills to a shared belief in individual effort In contrast U S military forces lacked sufficient training and had little public support The splintered protracted and ferocious warfare exposed the limitations of the U S military and of federal Indian policies challenging narratives of American supremacy in the West Lahti maps the ways in which these weaknesses undermined the U S advance He also stresses how various Apache groups reacted differently to the U S invasion Ultimately new technologies the expansion of Euro American settlements and decades of war and deception ended armed Apache resistance By comparing competing martial cultures and examining violence in the Southwest Wars for Empire provides a new understanding of critical decades of American imperial expansion and a moment in the history of settler colonialism with worldwide significance
