**Essays and Speeches Vol 1** S R Ramaswamy, **Introduction to Psalms** Hermann Gunkel, 2020-02-05 Hermann Gunkel's commentary on Psalms Die Psalmen HKAT considered by many to be his magnum opus was published in 1926 But he was unable to complete his final work on the Psalms The severe suffering of the final months of his life forced him to hand over his incomplete manuscript at Christmastime 1931 to his pupil Joachim Begrich

Gunkel died on 11 March 1932. Begrich put the final touches on the organization of Gunkel's last work on Psalms and it was published in 1933 as *Einleitung in die Psalmen die Gattungen der religiösen Lyrik Israels*. As with much of Gunkel's other work the influence of *Einleitung in die Psalmen* on the study of the Psalms Hebrew poetry and indeed the whole realm of Old Testament literature lyric and cult as already noted can scarcely be overestimated.

*The Birth Report Genre in the Hebrew Bible* Timothy D. Finlay, 2005 Timothy D. Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible. These passages include genealogies stories of annunciation to barren women and prophetic narratives. The birth reports may be short but they contribute greatly to the plot.

**BOOK JACKET** **Joshua 1-12** Thomas B. Dozeman, 2015-01-01 An acknowledged expert on the Hebrew Bible Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature function and causes of the religious violence depicted therein. By blending the distinct teachings of Deuteronomy and the Priestly literature Dozeman provides a unique interpretation of holy war as a form of sacred genocide arguing that since peace in the promised land required the elimination of the populations of all existent royal cities a general purging of the land accompanied the progress of the ark of the covenant. This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua an independent book between Deuteronomy and Judges. The author traces the evolution of this reinterpretation of the central themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book's reception history.

*The Loving Struggle* Emmanuel Falque, 2018-10-15 It has been 25 years since Dominique Janicaud derisively proclaimed the theological turn in French phenomenology due to the return of God to philosophy through the influence of religious thinkers such as Levinas Ricoeur and Marion. Since then the theological turn has flowered into a fully fledged movement on both sides of the Atlantic. But what will be the shape and direction of the second generation of the theological turn? In this important new book Emmanuel Falque engages with all the major twentieth century French phenomenologists something heretofore unavailable in English. He argues that rather than being content to argue for the return of God to philosophy something fought for and developed by the foregoing generation of the theological turn it is necessary to stage a philosophical confrontation or disputation with them and their work in order to ensure the ongoing vitality of the unexpected contemporary relationship between philosophy and theology. Drawing on the legacies of Jaspers and Heidegger who both staged their own loving struggles to arrive at defining philosophical conclusions Falque confronts interrogates and learns from his most influential philosophical forebears to steer the theological turn in a new direction. Offering a novel and creative philosophy of the body Falque argues for a reorientation of philosophy of religion generally and the theological turn specifically from a philosophy of revelation from above to a philosophy of the limit from below.
