The Quest for Meaning ,2009-01-01 The Quest for Meaning Teaching Learning and the Arts presents a narrative arts based approach to pedagogy and research in higher education Through narratives of experience the book offers revealing poignant examples of the transformative power of the arts and of narrative inquiry in learners lives and of the centrality of story in their ongoing quest for meaning The Quest for Meaning will be valuable in a wide range of graduate and undergraduate settings It provides a framework for the development of new pedagogies which integrate the theory and practice of narrative arts based approaches to education The work makes a contribution to the fields of narrative and arts based inquiry and pedagogy qualitative research methods holistic and integrated studies and self directed inquiry It will appeal to a range of audiences who are interested in this creative integrative approach to education and who want to gain insights into how students learn

from their own unique perspectives Grounded in Dr Beattie's interconnected approach to research and pedagogy the book begins with her own story of teaching learning research and the arts This provides the backdrop to an account of a collaborative pedagogy designed to enable students to conduct in depth narrative inquiries into their lives and to learn how to do narrative arts based research with others The author provides insights into the practices and processes of solitary and collaborative inquiry and the interaction and integration that take place within the three kinds of dialogue she proposes the dialogue with the self the dialogue with others and the dialogue between the dialogues The book's other twelve narratives show from learners unique perspectives how the creation and re creation of their ways of ways of knowing and being is a distinctively individual process involving all aspects of their humanity Individually these narratives provide valuable glimpses into the challenges the joys the frustrations and emotionality and the important personal satisfactions involved in the processes of learning unlearning and re learning In their own voices these learners tell of the diverse ways in which they became more responsive to their own inner lives to the perspectives and understandings of others and to the creation of more meaningful narratives for their current and future lives Collectively the narratives highlight the importance of recognizing personal experience in settings of higher education They also present compelling evidence for acknowledging the significance of inquiry creativity imagination dialogue interaction and integration in enabling learners to bring the whole of their being to the learning process to the exploration of the stories by which they live and to the creation of new narratives for their future lives

The Mind's Eye Marian M. MacCurdy, 2007 In the post September 11 world therapeutic writing has become a topic of heightened interest in both academic circles and the popular press reflecting a growing awareness that writing can have a beneficial effect on the emotional and cognitive lives of survivors of traumatic experiences Yet teachers and others who encounter such writing often are unsure how to deal with it In The Mind's Eye Image and Memory in Writing about Trauma Marian Mesrobian MacCurdy investigates the relationship between writing and trauma examines how we process difficult experiences and how writing can help us to integrate them and provides a pedagogy to deal with the difficult life stories that often surface in the classroom MacCurdy begins by discussing what trauma is how traumatic memories are stored and accessed and how writing affects them She then focuses on the processes involved in translating traumatic images into narrative form showing how the same patterns and problems emerge whether the writers are students or professionals Using examples drawn from the classroom MacCurdy investigates the beneficial effects of the study of trauma on communities as well as individuals witnesses as well as writers and explores the implications of these relationships for the world at large particularly as they pertain to issues of justice retribution and forgiveness Throughout the volume the author draws on her own experience as teacher writer survivor and descendant of survivors to explain how one can engage student work on difficult subjects without appropriating the texts or getting lost in the emotions generated by them She further shows how appropriate safeguards can be put in place to protect both teacher and student writer The end result of such a

pedagogy MacCurdy demonstrates is not simply better writers but more integrated people capable of converting their own losses and griefs into compassion for others What is "college-level" Writing? Bloom, 2004-02-01 **Anthropology Newsletter**, 1995 **Whitaker's Cumulative Book List**, 1973 The Arlington Reader Lynn Z. Bloom, 2014 **Revolvers and Pistolas, Vaqueros and Caballeros** D. H. Figueredo, 2014-12-09 This riveting expos reveals how a distorted belief in Anglo superiority necessitated the rewriting of American western history replacing heroic images of Mexican and Spanish cowboys with negative stereotypes Early Anglo settlers in the Old West crafted negative images of Latinos in part to help justify the takeover of land occupied by Mexicans and Spaniards at the time Unfortunately these depictions were perpetuated throughout the 20th century in art popular culture and media eventually reshaping the narrative of the American West to the exclusion of the non Anglo people This book contrasts dominant lore with historical reality to provide a broad overview of the history and contributions of Latinos in the Old West Author D H Figueredo sets out to debunk the myths and falsehoods of the American West by chronicling the cultural perceptions that led to such historical inaccuracies Through spellbinding accounts chapters address such topics as the legends behind the caballeros Mexican culture in the Old West and the search for cities of gold in the Southwest Arranged chronologically and thematically the book examines how popular culture diminished the role of the Mexican vaqueros and illustrates how the image of the Anglo cowboy became the iconic symbol of the Old West Subject Guide to Books in Print, 1975 Arts & Humanities Citation Index, 1995 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **The Arlington Reader** Lynn Z. Bloom, Louise Z. Smith, 2011-01-06 What do you look for in a thematic composition reader Certainly a combination of

classic essays that you think every student should read as well as fresh contemporary selections that showcase some of the best contemporary writing and writers Probably an array of relevant themes that appeal to students even as they point toward the disciplinary thinking and writing students will have to perform as undergraduates Likely the kind of writing apparatus that moves students from critical reading to thoughtful writing and revising The Arlington Reader offers all this and more It is the only thematic reader to pay attention to the contexts and connections that give rise to great writing with contextual documents that illuminate some of the most celebrated essays in the composition canon and paired readings that stimulate comparative critical thinking and writing Further it is the least expensive and most manageable full service thematic reader on the market with a price students can afford and in a size they ll be happy to carry in their backpacks
