The Christian Right, the Far Right and the Boundaries of American Conservatism Martin Durham, 2000 Mothers and meaning on the early modern English stage is a study of the dramatised mother figure in English drama from the mid sixteenth to the early seventeenth centuries It explores a range of genres moralities histories romantic comedies city comedies domestic tragedies high tragedies romances and melodrama and includes close readings of plays by such diverse dramatists as Udall Bale Phillip Legge Kyd Marlowe Peele Shakespeare Middleton Dekker and Webster The study is enriched by reference to religious political and literary discourses of the period from Reformation and counter Reformation polemic to midwifery manuals and Mother s Legacies the political rhetoric of Mary I Elizabeth I and James VI reported gallows confessions of mother convicts and Puritan conduct books It thus offers scholars of literature drama art and history a unique opportunity to consider the literary visual and rhetorical representation of motherhood in the context of a discussion of familiar and less familiar dramatic texts

Enemies Within Robert Alan Goldberg, 2008-10-01 divdiv There is a hunger for conspiracy news in America Hundreds of Internet websites magazines newsletters even entire publishing houses disseminate information on invisible enemies and their secret activities subversions and coverups Those who suspect conspiracies behind events in the news the crash of TWA Flight 800 the death of Marilyn Monroe join generations of Americans from the colonial period to the present day who have entertained visions of vast plots In this enthralling book Robert Goldberg focuses on five major conspiracy theories of the past half century examining how they became widely popular in the United States and why they have remained so In the post World War II decades conspiracy theories have become more numerous more commonly believed and more deeply embedded in our culture Goldberg contends He investigates conspiracy theories regarding the Roswell UFO incident the Communist threat the rise of the Antichrist the assassination of President John Kennedy and the Jewish plot against black America in each case taking historical social and political environments into account Conspiracy theories are not merely the products of a lunatic fringe the author shows Rather paranoid rhetoric and thinking are disturbingly central in America today With media validation and dissemination of conspiracy ideas and federal government

behavior that damages public confidence and faith the ground is fertile for conspiracy thinking DIV DIV **A House Divided-7 Events Before Rapture & the Coming Christian Holocaust** Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth *ThirdWay* ,1995-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture Fallen EH Walter,2011-12-29 Cast out of the heavens Lucifer falls to Earth slowly over time his punishment to land thousands of years after his banishment in modern London Seeing this new world Lucifer decides to plot his revenge on God by becoming more loved and worshipped than his creator By any means *The Bible and Zionism* Nur Masalha,2007-08 This text investigates the Biblical justification for Zionism charts the historical rise of Zionism since its 19th century roots Providing a contribution to the argument for a single democratic secular Israeli state it shows how the biblical language of chosen people promised land is used to justify ethnic division violence **Take Hyperianism to the Morgue: Book II** The Illuminist Army,2023-02-18 When a cult gives out red

flags everywhere then all decent moral people have an absolute duty a categorical imperative to blow the whistle and protect others People should have blown the whistle on influencer Andrew Tate long ago and now it s even more essential to blow the whistle on people such as Morgue the leader of the modern cult of Hyperianism and all the rest of the cult predators who are preying on na ve people those easy to manipulate and fleece This Hyperian cult is the epitome of cancel culture It actively tries to cancel anyone who says anything against it Absolutely no one is allowed to get away with criticizing it even though the cult leader hilariously claims that he will answer any question well except any question he doesn t like and that s nearly all of them The cult s attack dogs will be out for sure regarding this book We know what s coming We ve been through it all before This is a book featuring the direct victims of this dangerous Hyperian cult and its predatory leader Morgue Three people were criminally swatted by the leadership of this cult And that s just the tip of the iceberg Come inside and find out all about what the leader of this cult and his chief accomplices get up to Hear those affected in their own words uncensored This book will be of enormous value to anyone including academic researchers dealing with a modern online cult There are many cults out there just like Hyperianism with dark triad leaders just like Morgue Society needs to do something about it The influencer industry resembles the Wild West It s completely unregulated and is doing extraordinary damage to some of the feeblest most impressionable and suggestible people in society They are sitting ducks for online predators looking for a fast buck and adulation Buffy a former member of this cult added this alarming comment about Morgue He has ways of punishing people they verbally punish you until you feel at your lowest He gets the other admin to do it he never does it Watch out
