Does Eurosclerosis Matter? Michelle Riboud, Carolina Sánchez-Páramo, Carlos Silva-Jauregui, 2002 Whether or not labor market rigidities are an important contributor to persistently high levels of unemployment remains at the center of an important debate in Europe European labor markets are often viewed as rigid and inflexible in opposition to those in North America where legislation is less protective and fosters more mobility This paper shows that the labor market policies adopted by Central and Eastern European countries aspiring to join the European Union do not appear excessively rigid However significant and wide ranging economic reform programs make it difficult to assess the impact of labor market institutions

Kosovo Saumya Mitra, 2001-01-01 This report contains discussion of the principal economic and social reform policy tasks facing Kosovo It is intended to present ideas to the interim civil administration for the consolidation of peace Key reforms are the formulation of a sustainable budget the establishment of a liberal trade and customs regime use of a hard currency for internal transactions creation of a reformed framework for encouraging the growth of private SMEs

Attacking Extreme Poverty Quentin Wodon, 2001-01-01 this book gives us a history lesson and a guide on how to build commercial finance that fits the needs of the world's poorest majority Policy makers finance leaders and anyone who wants to join this revolution in banking must read this book Around the world a revolution is occurring in finance for low income people The microfinance revolution is delivering financial services to the economically active poor on a large scale through competing financially self sufficient institutions In a few countries this has already happened in others it is under way The emerging microfinance industry has profound implications for social and economic development For the first time in history capital is well on its way to being democratized The Microfinance Revolution in three volumes is aimed at a diverse readership Acirc economists bankers policymakers donors and social scientists microfinance practitioners and specialists in local finance and rural and urban development and members of the general public interested in development This first volume Sustainable Finance for the Poor focuses on the shift from government and donor subsidized credit systems to self sufficient microfinance institutions providing voluntary savings and credit services Acirc A magnificent work Acirc Elizabeth Littlefield CEO Consultative Group to Assist the Poorest CGAP Acirc A much needed wake up call for economists Acirc David E Bloom Clarence James Gamble Professor of Economics and Demography Harvard University Acirc A major work that will unquestionably lie at the very center of microfinance literature Acirc Robert Peck Christen Senior Adviser CGAP Secretariat Academic Director Microfinance Training Program Naropa University Acirc A seminal work Acirc Ira W Lieberman former CEO of CGAP Senior Manager World Bank
