and the Cross Timbers area of present Dallas Fort Worth During this time Texas Frontier Regiment built a great military road roughly parallel to modern Interstate 35 Moore also shows how the Colt repeating pistol came into use by Texas Rangers Finally he sets the record straight on the battles of the legendary Captain Jack Hays Through extensive use of primary military documents and first person accounts Moore provides a clear view of life as a frontier fighter in the Republic of Texas The reader will find herein numerous and painstakingly recreated muster rolls as well as casualty lists and a compilation of 1841 rangers and minutemen For the exacting historian or genealogist of early Texas the Savage Frontier series is an indispensable resource on early nineteenth century Texas frontier warfare **A Thunder of Cannon** Charles M.
