Arneson And The Object:

A Troublesome Subject Jonathan Fineberg, 2013-03-01 The first major book to consider the life and work of Robert Arneson *A Troublesome Subject* tells the fascinating story of how a high school art teacher transformed himself into an artist of international stature and ambition Representing the full scope of Arneson's career in a rich survey of color reproductions this book is at once a study of the trajectory of contemporary culture the work of Robert Arneson and the relationship between the two It shows how Arneson's work articulated the crisis of narcissism that has defined American culture since 1970 Jonathan Fineberg develops his ongoing work toward a psychosocial history of art as he proceeds through Arneson's career chronicling his early life the formation of a personal style and finding a unique subject matter in his famous post 1970 turn to self portraiture

Arneson and the Object Robert Arneson, Leo G. Mazow, 2004 I have been working with polychrome low fire ceramics making objects and sculpture arts and crafts but never tiles for my floor Robert Arneson 1970 This catalogue which accompanied an exhibition of the same name at the Palmer Museum of Art provides new insight into the significance of the sculpture of Robert Arneson 1930 1992 an internationally acclaimed artist and influential teacher Through much of his career Arneson concentrated on making ceramic sculptures either of himself or of commonplace objects from bricks to toasters and telephones Arneson's sculptures of the stuff of everyday life as Leo G Mazow observes challenge the practice of separating craft from art and more generally the practice of excluding everyday objects from the sphere of the museum Mazow also discusses the sculptor's role in the formation of Pop art and his eerie foreshadowing of certain of the politically charged themes chosen by many recent artists In addition to Mazow's critical essay *Arneson and the Object* offers color reproductions of all the works in the 2004 exhibition at the Palmer Museum and the text of a hitherto unpublished interview with the sculptor's widow Sandra Shannonhouse and his student Stephen Kaltenbach

Deontology, Responsibility, and Equality Kasper Lippert-Rasmussen, 2005 Three questions that loom large in moral and political philosophy are these Can

deontological moral constraints be justified When if ever are we morally responsible for what we do How is the ideal of equality best configured Deontology Responsibility and Equality deals with selected aspects of these three broad questions It critically discusses certain attempts by Frances Kamm and Thomas Nagel among others to account for the impermissibility of minimizing violations in terms of moral status Also it challenges the view that there is a morally relevant difference between doing and allowing harm and especially between killing and letting die In relation to the second question it concentrates on recent developments within compatibilist accounts of moral responsibility prompted by the work of Harry Frankfurt It challenges his purported refutation of the principle of alternative possibilities as well as certain positive compatibilist identification based accounts of respon The Oxford Handbook of Distributive Justice Serena Olsaretti,2018 Distributive justice has come to the fore in political philosophy how should we arrange our social and economic institutions so as to distribute benefits and burdens fairly Thirty eight leading figures from philosophy and political theory present specially written critical assessments of the key issues in this flourishing area of research **The Not-So-Still Life** Susan Landauer,William H. Gerdts,Patricia Trenton,2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET Art in the San Francisco Bay Area, 1945-1980 Thomas Albright,2023-12-22 Art in the San Francisco Bay Area 1945 1980 An Illustrated History by Thomas Albright provides a comprehensive exploration of the postwar art movement in one of America s most vibrant cultural hubs Spanning over three decades this book delves into the unique contributions of the San Francisco Bay Area to the nation s artistic heritage covering the evolution of its art scene its rise to prominence and its eventual decline in relation to New York s dominance in the 1960s Originally sparked by a series of lectures Albright gave at the San Francisco Museum of Modern Art in 1974 the book offers a rich narrative that blends personal insight with rigorous research Albright a longtime art critic for the San Francisco Chronicle brings his extensive experience and insider perspective to the task of documenting a previously unexamined period in American art history The book s beautifully illustrated pages not only capture the artistic essence of the region but also shine a light on the creative figures and movements that shaped the Bay Area s distinctive artistic voice This invaluable volume serves as both a historical record and an engaging guide for anyone interested in the evolution of modern art in the San Francisco Bay Area This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 *Robert Arneson* Robert Arneson,Gary Garrels,Janet C. Bishop,Jonathan David Fineberg,1997 *Thinking Through Craft* Glenn Adamson,2019-02-07 This book is an introduction to the way that artists working in all

media think about craft Workmanship is key to today's visual arts when high production values are becoming increasingly commonplace Yet craft's centrality to contemporary art has received little serious attention from critics and historians Dispensing with clichéd arguments that craft is art Adamson persuasively makes a case for defining craft in a more nuanced fashion The interesting thing about craft he argues is that it is perceived to be inferior to art The book consists of an overview of various aspects of this second class identity supplementarity sensuality skill the pastoral and the amateur It also provides historical case studies analysing craft's role in a variety of disciplines including architecture design contemporary art and the crafts themselves Contracubierta Capabilities, Gender, Equality Flavio Comim, Martha C.

Nussbaum, 2014-04-17 Provides unique reflections on the capability approach and its relevance to new human development policies and political liberalism **The Confucian Philosophy of Harmony** Chenyang Li, 2013-10-30 Harmony is a concept essential to Confucianism and to the way of life of past and present people in East Asia Integrating methods of textual exegesis historical investigation comparative analysis and philosophical argumentation this book presents a comprehensive treatment of the Confucian philosophy of harmony The book traces the roots of the concept to antiquity examines its subsequent development and explicates its theoretical and practical significance for the contemporary world It argues that contrary to a common view in the West Confucian harmony is not mere agreement but has to be achieved and maintained with creative tension Under the influence of a Weberian reading of Confucianism as adjustment to a world with an underlying fixed cosmic order Confucian harmony has been systematically misinterpreted in the West as presupposing an invariable grand scheme of things that pre-exists in the world to which humanity has to conform The book shows that Confucian harmony is a dynamic generative process which seeks to balance and reconcile differences and conflicts through creativity Illuminating one of the most important concepts in Chinese philosophy and intellectual history this book is of interest to students of Chinese studies history and philosophy in general and eastern philosophy in particular **San Francisco Museum of Modern Art, the Painting and Sculpture Collection** San Francisco Museum of Modern Art, Diana C.
