Arnhem The Fight To Sustain:

Arnhem: The Fight To Sustain Frank Steer, 2020-10-30 On the ground the airborne logisticians at the battle of Arnhem fought to the bitter end indistinguishable from their paratroop comrades In the air their deeds and sacrifice were shining examples of duty done under the most desperate circumstances Witness the account of Flight Lieutenant H J King navigator of Dakota KG 374 of 271 squadron RAF Down Ampney These men were not volunteers like aircrew They received no flying pay yet were without doubt superb in their fulfilment of duty even though KG 374 was burning for the whole period over the dropping zone Arnhem The Fight To Sustain tells the stirring story of the men and the methods employed in sustaining 1st Airborne Division It is the first account of forming corps of today's Royal Logistic Corps in action together Following extensive research the story draws heavily on contemporary documents and eyewitness accounts and is lavishly illustrated

A Bridge Too Far? Martin W. Bowman, 2013-09-24 This final entry in a series on the Allied Operation Market Garden examines the final days of the Battle of Arnhem with eyewitness accounts This the fourth and final volume of the series on Market Garden in September 1944 reveals the final fate of the troops at Oosterbeek and the decision to evacuate all able bodied men in Operation Berlin as well as the subsequent Operation Pegasus when the Allies tried to return as many beleaguered troops back to Allied lines as possible Was Arnhem indeed a bridge Too Far While Market Garden certainly was a heroic failure conducted at great cost it is debatable whether it contributed materially to the ultimate victory or was a foolish sacrifice of thousands of troops aircrew and Dutch civilians in an ill conceived assault on the German held bridges across the Lower Rhine There is no doubting the gritty gallant and valorous contribution on the part of the British Dominion American and Polish paratroopers the RAF and USAAF aircrews and their German opponents and Dutch civilians Their incredible illuminating and often understated accounts of extraordinary courage camaraderie shared terror and encounters with the enemy offer a more personalized view of Market Garden through the words of those who were there at the heart of the action These tales are complemented by the author's background information supplemented by the inclusion of daily timelines that give an overall picture of each battle and air operation
