in celebration of the discipline s centenary Building the Kingdom of God on Earth Martin Erdmann, 2005-03-31 In his book Building the Kingdom of God on Earth Dr Erdmann deals primarily with John Foster Dulles participation in the ecumenical movement from 1919 to 1945 Dulles role in shaping the religious economic and political policies of the Federal Council of Churches in its support of world order and peace especially in his function as chairman of the Commission on a Just and Durable Peace was crowned with success in the founding of the United Nations Organisation in 1945 His personal friends Philip Kerr Lord Lothian and Lionel Curtis the principal leaders of the Round Table Group come into the pictures at various times By and large they pursued the same objectives as those of Dulles The book shows the detailed influence of the Round Table Group and its affiliated organisations such as the Royal Institute of International Affairs London and the Council for Foreign Relations New York City on the ecumenical movement using it successfully for their purpose of creating an international community of nations Xenophon's Anabasis and its Reception Tim Rood, Melina Tamiolaki, 2022-10-24 This volume constitutes the first large scale collaborative reflection on Xenophon's Anabasis gathering experts on Greek historiography and Xenophon It is structured in three sections the first section provides a linear reading of the Anabasis through chapters on select episodes from Book 1 through Book 7 including the opening Cyrus characterisation the meeting of Socrates and Xenophon Xenophon s leadership the marches through Armenia and along the Black Sea coast and the service under Seuthes in Thrace The second section offers an in depth exploration of hitherto overlooked recurrent themes Based on new approaches and scholarly trends it focuses on topics such as the concept of friendship the speeches of characters other than Xenophon the suffering of the human body the role of rumour and misrepresentation and the depiction of emotions The third section offers a more thorough investigation of the manifold reception of this work in Antiquity Byzantium Renaissance modern period in cinema studies and illustrations Finally in acknowledgement of the Anabasis long history as a pedagogical text the volume contains an envoi on the importance and benefits of teaching Xenophon and the Anabasis more specifically

Anthropologists and the Rediscovery of America, 1886–1965 John S. Gilkeson, 2010-09-20 This book examines the intersection of cultural anthropology and American cultural nationalism from 1886 when Franz Boas left Germany for the United States until 1965 when the National Endowment for the Humanities was established Five chapters trace the development within academic anthropology of the concepts of culture social class national character value and civilization and their dissemination to non anthropologists As Americans came to think of culture anthropologically as a complex whole far broader and more inclusive than Matthew Arnold s the best which has been thought and said so too did they come to see American communities as stratified into social classes distinguished by their subcultures to attribute the making of the American character to socialization rather than birth to locate the distinctiveness of American culture in its unconscious canons of choice and to view American culture and civilization in a global perspective LIFE ,1948-03-15 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing

collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Apostle Arnold Alon Kadish, 1986 The Oxford **History of Historical Writing** Daniel R. Woolf, Andrew Feldherr, Grant Hardy, 2011-05-05 A chronological scholarly survey of the history of historical writing in five volumes Each volume covers a particular period of time from the beginning of writing to the present day and from all over the world The New Makers of Modern Strategy Hal Brands, 2023-05-02 First published by Princeton in 1943 the collection of essays that constituted Makers of Modern Strategy has largely held the field as the key book that studied the means and ends of military power and thought and the historical figures that shaped that history The books in two editions have long been a staple of Princeton's backlist in international politics and strategic studies The first edition edited by Edward Mead Earle and subtitled Military Thought from Machiavelli to Hitler emerged out of a seminar of foreign policy and security experts organized between Princeton and the Institute of Advanced Study in reaction to World War II as a global conflict The subsequent edition edited by Peter Paret then at Stanford University was prepared in the early 1980s and subtitled From Machiavelli to the Nuclear Age In that edition three essays were reprinted from the earlier book four others were revised and the remainder twenty two essays were wholly new to reflect the updates in the field and also how the global political context had changed The two books together are regarded as the founding and leading text in military and strategic studies containing influential essays by many of the best known scholars of the subject The ambition of the new volume is to commission an entirely new edition of this classic reference work with 37 chapters organized into 5 sections covering key military leaders and the most important elements of strategic thinking since Thucydides and Sun Tzu The field of strategic and military history has witnessed an intellectual renaissance in recent decades as the number of strategic challenges faced by the world has grown enormously International politics has also changed The Cold War ended and the Soviet Union disappeared The United States entered a period of unipolarity only to see it challenged by the rise of new powers China in particular Terrorism civil wars so called roque states insurgency and counter insurgency and cybersecurity all joined a growing list of strategic concerns New technologies promise to upend our understanding of conflict Furthermore scholars have learned more about earlier periods from the classic thinkers of strategy to the struggles of great power war to the dynamics of world politics during the Cold War Finally scholarship on international politics war and peace in the 20th century and after has become increasingly internationalized with the opening of new archives and the incorporation of new perspectives The aim of this volume is to serve as an overview and stimulant to research in this field one that encompasses the broader definitions of strategy in current research reflects the current state of world politics and also takes a more global and less Western perspective Publisher's description H.V. Evatt and the Establishment of Israel Daniel Mandel, 2004 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure Archaeologies, Origins, Antiquities Nicoletta Bruno, 2025-04-21 This book examines the

narratives of early cultural history in ancient Greece and Rome spanning from a macrocosmic outlook to a microcosmic exploration of individual stories familial dynamics and societal contexts The collection investigates the concepts of archaeologies origins and antiquities through a multifaceted approach considering literary rhetorical philosophical historical and epigraphic viewpoints Each chapter delves into various aspects of cultural history encompassing the influence of Homeric scholarship on Thucydides Archaeology Plato's concept of archaeologies the interpretation of the past through Hellenistic inscriptions and the cultural histories of Sallust Dicaearchus and Varro It also discusses the relationship between history humanity and the natural world in Lucretius and Seneca Vergil's accounts of early human history the role of families in shaping cultural history the origins of sexual violence in mythological stories and the reinterpretation of Roman foundational myths in late antiquity This volume invites readers to reflect on the ways in which the Greeks and Romans narrated their past interpreted their origins and constructed their collective memories The ^ASpiritual-Industrial **Complex** Jonathan P. Herzog, 2011-08-05 This fascinating volume argues that American leaders in the early Cold War considered the conflict to be profoundly religious that they saw Communism not as godless but as a religion fighting faith with faith As a result they deliberately used religious beliefs and institutions as part of the plan to defeat the Soviet enemy Jonathan Herzog offers an illuminating account of the spiritual industrial complex chronicling the rhetoric programs and policies that became its hallmarks
