Masculinities in Contemporary American Culture Thomas Keith,2017-01-12 Masculinities in Contemporary American Culture offers readers a multidisciplinary intersectional overview of masculinity studies that includes both theoretical and applied lenses Keith combines current research with historical perspectives to demonstrate the contexts in which masculine identities have come evolved With an emphasis on popular culture particularly film TV video games and music this text invites students to examine their gendered sensibilities and discuss the ways in which different forms of media appeal to toxic masculinity

Men to Boys Gary S. Cross,2008 Adam Sandler movies HBO s Entourage and such magazines as Maxim and FHM all trade in and appeal to one character the modern boy man Addicted to video games comic books extreme sports and dressing down the boy man would rather devote an afternoon to Grand Theft Auto than plan his next career move He would rather prolong the hedonistic pleasures of youth than embrace the self sacrificing demands of adulthood When did maturity become the ultimate taboo Men have gone from idolizing Cary Grant to aping Hugh Grant shunning marriage and responsibility well into their twenties and thirties Gary Cross renowned cultural historian identifies the boy man and his habits examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity Cross matches the rise of the American boy man to trends in twentieth century advertising popular culture and consumerism and he locates the roots of our present crisis in the vague call for a new model of leadership that ultimately failed to offer a better concept of maturity Cross does not blame the young or glorify the past He finds that men of the Greatest Generation might have embraced their role as providers but were confused by the contradictions and expectations of modern fatherhood Their uncertainty gave birth to the Beats and men who indulged in childhood hobbies and boyish sports Rather than fashion a new manhood baby boomers held onto their youth and when that was gone embraced Viagra Without mature role models to emulate or rebel against Generation X turned to cynicism and sensual intensity and the media fed on this longing transforming a life stage into a highly desirable lifestyle Arguing that contemporary American culture undermines both conservative ideals of male maturity and the liberal values of community and responsibility Cross concludes with a proposal for a modern marriage of personal desire and ethical adulthood

Detecting Men Philippa Gates,2012-02-01 Detecting Men examines the history of the Hollywood detective genre and the ways that detective films have negotiated changing social attitudes toward masculinity heroism law enforcement and justice Genre film can be a site for the expression and resolution of problematic social issues but while there have been many studies of such other male genres as war films gangster films and Westerns relatively little attention has been paid to detective films beyond film noir In this volume Philippa Gates examines classical films of the thirties and forties as well as recent examples of the genre including Die Hard the Lethal Weapon films The Usual Suspects Seven Devil in a Blue Dress and Murder by Numbers in

order to explore social anxieties about masculinity and crime and Hollywood's conceptions of gender. Up until the early 1990s, Gates argues, the primary focus of the detective genre was the masculinity of the hero. However, from the mid 1990s onward, the genre has shifted to more technical portrayals of crime scene investigation, forensic science, and criminal profiling, offering a reassuring image of law enforcement in the face of violent crime. By investigating the evolution of the detective film, Gates suggests, perhaps we can detect the male Arnold Schwarzenegger. Sally Lee, 2006. Biography of Schwarzenegger, the competitive bodybuilder and actor who became governor of California.

International Encyclopedia of Men and Masculinities, **Acting Up**. Dave Hopwood, 2001-09-21. This drama resource has been especially written for performance by or for children in family services, school assemblies, or as street theatre. The sketches are easy to perform and great to watch. As well as traditional sketches, there are raps, narrated mimes, response stories, and entertaining monologues. Second edition.

Man Card. Mike Klooster, 2021-05-07. Is your Man Card intact? Turn in your man card. Most men have heard this term, man card, before. It's a good-natured way we evaluate each other as men on whether we are acting like so-called manly men. This book introduces the concept of a new kind of man card, a man card for Christians. We explore the standard issue man card, examples of well-known people who have lost their man card, as well as a comparison to biblical men who also lost their man card. The Christian Man Card is discussed in detail from how it gets issued, who issues it, the ground rules for keeping this man card, and what you must do to get it back should you lose it. Today's world offers many temptations for a man, and we can quickly get sidetracked from how we are supposed to conduct ourselves. Morality and accountability are quickly becoming a thing of the past. Our actions can hurt or even destroy our loved ones and the people around us. The devastation that can be created by our actions can be detrimental to future generations. Inside Man Card for Christians, you will learn the essential character traits we should portray and the behaviors we must adhere to in order to hold onto your Christian Man Card. The book includes clear direction on how to start the process of conforming to a different way of life and the top areas we can address immediately to help in the transformation. Our future as a decent society relies on men receiving and maintaining their man card for Christians.

The Personal Development of Arnold Schwarzenegger and how He Changed from a Killing Machine to a Family Man with Moral Values. Dominik Lorenz, 2011-03. Seminar paper from the year 2005 in the subject English Language and Literature Studies, Culture and Applied Geography, grade 1.7. University of Freiburg course Proseminar Terrorism in Hollywood Movies. 9 entries in the bibliography, language English, abstract Christian. Metz stated that a film is difficult to explain because it is easy to understand. In Buckland, he becomes a wrestler, rides his chariot through Times Square, descends into hell, and gets mixed up with gangsters. In contrast to Collateral Damage, Arthur Allan Seidelman, the director of Hercules in New York, focuses on Schwarzenegger's muscle mass. In 1982, John Milius creates the

How He-Man Mastered the Universe Brian C.

Baer,2017-03-21 Elaborate cinematic universes and sophisticated marketing tie ins are commonplace in entertainment today It's easy to forget that the transmedia trend began in 1982 with a barbarian action figure He Man and the other characters in Mattel's popular Masters of the Universe toy line quickly found their way into comic books video games multiple television series and a Hollywood film The original animated series 1983 1985 was the first based on an action figure and the cult classic Masters of the Universe 1987 was the first toy inspired live action feature film But it wasn't easy He Man faced adversaries more dangerous than Skeletor entertainment lawyers Hollywood executives even the Reagan administration The heroes and villains of Eternia did more than shape the childhoods of the toy buying public they formed the modern entertainment landscape

Detecting Women Philippa Gates,2011-04-22 Finalist for the 2012 Edgar Award in the Best Critical Biographical Category presented by the Mystery Writers of America In this extensive and authoritative study of over 300 films Philippa Gates explores the woman detective figure from her pre cinematic origins in nineteenth century detective fiction through her many incarnations throughout the history of Hollywood cinema Through the lens of theories of gender genre and stardom and engaging with the critical concepts of performativity masquerade and feminism Detecting Women analyzes constructions of the female investigator in the detective genre and focuses on the evolution of her representation from 1929 to today While a popular assumption is that images of women have become increasingly positive over this period Gates argues that the most progressive and feminist models of the female detective exist in mainstream film's more peripheral products such as 1930's B picture and 1970's Blaxploitation films Offering revisions and new insights into peripheral forms of mainstream film Gates explores this space that allows a fantasy of resolution of social anxieties about crime and more interestingly gender in the 20th and early 21st centuries The author's innovative engaging and capacious approach to this important figure within feminist film history breaks new ground in the field of gender and film studies

The Viagra Myth Abraham Morgentaler,2003-09-24 In The Viagra Myth Dr Abraham Morgentaler a practicing urologist

on the faculty of Harvard Medical School shows us that while Viagra has proved enormously helpful to many men it has also uncovered previously ignored aspects of identity and authenticity in sexuality and relationships Some men for example may fear telling their partner they are using Viagra yet still struggle with the hope of being loved for their true self Women who discover their partner has resorted to a secret sexual enhancer may complain I thought it was me who turned you on Viagra may improve a man's sexual abilities but there may also be a profound cost involved If you or your partner is using or considering Viagra or even if you are only wondering what it might be like to have a better sex life this book is essential reading It will provide insight and instruction about the reality of quick fix solutions sexuality personal growth and meaningful relationships

Thelma & Louise Live! Bernie Cook, 2010-01-01 When they floored their Thunderbird off a cliff rather than surrender to the law Thelma and Louise became icons of female rebellion provoking strong reactions from viewers who felt either empowered or outraged by the duo's transgressions of women's traditional roles The 1991 film quickly became and continues to be a potent cultural reference point even inspiring a bumper sticker that declares Thelma to theories of comedy and the role of laughter in the film to the film's soundtrack and score to the performances of stars Susan Sarandon and Geena Davis to the emergence of Brad Pitt as a star and male sex object and to the film's place in the history of road and crime film genres Complementing the scholarly analysis is an in depth interview of screenwriter Callie Khouri by editor Bernie Cook as well as reviews of Thelma Louise that appeared in U S News World Report and Time Offering myriad new ways of understanding the complex interrelations of gender identity and violence Thelma Louise Live attests to the ongoing life and still evolving meanings of this now classic film

Gender and Globalization in Asia and the Pacific Kathy E. Ferguson, Monique Mironesco, 2008-08-01 What is globalization How is it gendered How does it work in Asia and the Pacific The authors of the sixteen original and innovative essays presented here take fresh stock of globalization's complexities They pursue critical feminist inquiry about women gender and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis The work is generated from within Asian and Pacific spaces bringing to the fore local voices and claims to knowledge The geographic emphasis on Asia Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages Although the book focuses on global gendered flows it expands its investigation to include the media and the arts intellectual resources activist agendas and individual life stories First rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated Taking feminist political thinking beyond simple oppositions the authors ask specific questions about how global practices work how they come to be who benefits and what is at stake Contributors Nancie Caraway Steve Dern Cynthia Enloe Kathy Ferguson Maria Ibarra Gwyn Kirk Sally Merry
