Eco-Tourism And Livelihoods: Capacity Building For Local Authorities A.K. Bhattacharya, 2005 Tourism is the most rapidly growing and biggest civilian industry in the world and ecotourism forms the largest proportion of the present tourism Since ecotourism involves maximum number of stakeholders from local communities to the corporate world proper capacity building of the major stakeholders for effective planning and management of ecotourism has become a prerequisite for the sustainable ecotourism development This book attempts to fill in this gap The book addresses the key issues concerning ecotourism management with special focus on community participation It deals with a range of topics including the basic concept forms potential assessment planning and case studies of ecotourism At the same time it discusses the new concepts and techniques of ecotourism viz carrying capacity community participation and auditing The book will be useful for practitioners researchers and other stakeholders in planning and implementation of ecotourism *Love Don't Live Here* Therone Shellman, 2006-11 Love Don t Live Here the first book from a generational series A story about two young women in their early 20 s and takes place during the early 1970 s into the 80 s Barbara loves her boyfriend Trini dearly but finds out the hard way when he leaves her while she s six months pregnant that love is not always what it seems Having to raise their son Jermaine by herself poses to be a great task Like Barbara Beverly also becomes a single mother but through different circumstances Her boyfriend Malik a conscious young man in his early 20 s and is a member of the Black Panther party winds up getting killed during a bank robbery This leaves Beverly to fend for herself and two children Derrik and Tinesha Being a woman she knows what it takes to raise Tinesha into womanhood but is lost when it comes to Derrik The two women invite us into the world of relationships and single motherhood In the end we all find out it s about doing and being the best

that one can be **Mass Graves and Other Atrocities in Bosnia** United States. Congress. Commission on Security and Cooperation in Europe,1996 **Blackjacks** Tony Illman,2017-06-01 This book is based on our lives It starts very briefly in the United Kingdom and quickly moves to the Eastern Highland of Rhodesia It moves through our childhood while were living in the eastern border areas Umtali Sabi Tanganda and Chipinga As we pass through our teenage years and become adults it travels with us to Western Australia and then back to Chipinga We share the lives of others as the Rhodesian Bush War escalates in what was a quiet and idyllic country town to one of the most dangerous and deadly districts in Rhodesia Then the books deals with our final move back to Western Australia and our struggle to once again build a life for our children and ourselves To most people this may seem to be an unusual life but to a Rhodesian it would be considered pretty much the same story as many other families Although it is our story there are many stories told by others who have shared our way of life It is about love hate and humor It is about determination and desperation It is about life and death and friendship and community spirit Most of all I hope it is a monument to those who died or were seriously injured physically or mentally black or white It is also a salute to those incredible farmers the Rhodesian armed forces and those who worked in the rural areas during those troubled times For me personally writing this book has been a huge emotional journey Unsuitable for Adults over 16 Years Old Amanda George,2013-08-27 Fed up of being told things are unsuitable for children Well this book is unsuitable for adults Come on in and meet the Humirrels and read about their adventures Interactions of Degree and Quantification ,2020-06-29 Interactions of Degree and Quantification is a collection of chapters edited by Peter Hallman that deal with superlative equative and differential constructions cross linguistically interactions of the comparative with both individual quantifiers and event structure the use of the individual quantifier some as a numeral and the question of whether the very notion of degree is reducible to a relation between individuals These issues all represent semantic parallels and interactions between individual quantifiers every some etc and degree quantifiers more most numerals etc in the expression of quantity and measurement The contributions presented here advance the analytical depth and cross linguistic breadth of the state of the art in semantics and its interface with syntax in human language **Sensual Nights** PJ Fiala,2025-01-23 When desire meets danger only love can break through the shadows USAT author PJ Fiala brings you steamy small town romantic suspense stories where outside forces threaten to ruin the peace and tranquility Blossom Springs was built on Former Army surgeon Mason Thompson thought he left the battlefield behind but the war within him rages on Haunted by PTSD and memories of the lives he couldn t save Mason seeks solace behind the bar at Jace Marriott s pub in Blossom Springs But while pouring drinks may help him escape his past he knows deep down that he s meant for more After a painful breakup Carley Page is determined to start fresh Moving in with her sister and joining Price Realty is the first step Her first big assignment selling newly renovated condos to veterans should be simple But when Carley stumbles upon a dangerous secret inside one of the units her life is suddenly in peril As Mason and Carley s worlds collide sparks fly and an undeniable

attraction grows between them But when Carley is kidnapped Mason s protective instincts are pushed to the limit To save her he must face his own fears and rediscover the strength he thought he d lost With danger closing in and passion igniting Mason and Carley must navigate the shadows of their pasts to find a love worth fighting for Can Mason save her and himself before it s too late Sensual Nights is a steamy small town romantic suspense where love and danger intertwine USA Today bestselling author PJ Fiala delivers heart pounding action sizzling romance and a guaranteed happily ever after

Theologies of Fear in Early Greek Epic Carman Romano,2024-09-24 This book explores the theological significance of horror elements in the works of Hesiod and in the Homeric Hymns for the characters within these poems the mortal audience consuming them and the poet responsible for mythopoesis Theologies of Fear in Early Greek Epic argues that just as modern supernatural horror fiction can be analyzed to reveal popular conceptions of the divine so too can the horrific elements in early Greek epic Romano develops this analogy to show how myth makers chose to include omit or nuance horror elements from their narratives in order to communicate theological messages By employing methodological approaches from religious studies classical studies and literary studies of supernatural horror fiction this book brings a fresh perspective to our understanding of how the Greeks viewed their gods and how poets helped to create that view Theologies of Fear in Early Greek Epic will be of interest to scholars in classical studies religious studies and comparative literature as well as students in courses on myth religion and Greek culture and society

The Feral Classroom James Macpherson,2024-11-01 First published in 1983 The Feral Classroom argues that the experience of schooling needs to be understood in terms of peer interaction in the classroom Students interaction mediates the significance of the curriculum and teacher and is in its own right a major agent of socialisation The study reported in the book was conducted in an Australian state high school It employs ethnographic techniques focused on students accounts of relations and activities with classmates Concepts embodied in these accounts are interpreted through models of school and peer group as agents of socialisation The volume fills several gaps It is the first book to describe at length students accounts of classroom interaction to give equal weight to boys and girls accounts and to describe dominant students determination of the use of classroom norms and of the definition of performances This book will appeal to a wide range of readers including but not limited to teachers educational administrators and sociologists
