Around The Maggids Table

David Baud

Around The Maggid's Table:

Around the Maggid's Table Paysach J. Krohn, 1989 This sequel to *The Maggid Speaks* is packed with wonderful stories and their morals as told by some of Jewry's most eloquent and popular speakers This book masterfully captures the distinctive art of the Maggid *Speaking Torah Vol 1* Dr. Arthur Green, 2013-07-23 The most powerful Hasidic teachings made accessible from some of the world's preeminent authorities on Jewish thought and spirituality The teachings of Torah from beginning to end are read here as a path toward liberation a way of uplifting your soul and allowing it to journey homeward back to its Source in the oneness of all being Or even better to discover that oneness right here in a loving but transformative embrace of both world and self from To the Reader While Hasidic tales have become widely known to modern audiences the profound spiritual teachings that stand at the very heart of Hasidism have remained a closed book for all except scholars This fascinating selection presented in two volumes following the weekly Torah reading and the holiday cycle and featured in English and Hebrew makes the teachings accessible in an extraordinary way Volume 1 covers Genesis Exodus and Leviticus and includes a history of early Hasidism and a summary of central religious teachings of the Maggid's school Volume 2 covers Numbers and Deuteronomy and the holiday cycle and includes brief biographies of the Hasidic figures Each teaching is presented with a fresh translation and contemporary commentary that builds a bridge between the eighteenth and twenty-first centuries And each teaching concludes with a dynamic round table discussion between distinguished Jewish scholar Arthur Green and his closest students the editors of this volume They highlight the wisdom that is most meaningful for them thus serving as a contemporary circle's reflections on the original mystical circle of master and disciples who created these teachings Volume 1 of a 2 volume set **A Partner in Holiness Vol 1** Rabbi Jonathan P. Slater, DMin, 2014-07-28 Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality The soul yearns to feel connected to something greater and to know happiness despite personal suffering and seemingly endless need Surprisingly the perspectives of the late eighteenth and nineteenth-century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today's spiritual seekers whose faith has been shattered by both modernity and the Holocaust These masters taught of interdependence interconnectedness selflessness service and joy anticipating the insights of contemporary science and twenty-first-century spirituality Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev 1740-1809 and the practice of mindfulness meditation Rabbi Jonathan P Slater reveals a new entrance into Jewish spiritual life Covering the Five Books of Moses these two volumes present accessible translations of selections from *Kedushat Levi* R. Levi Yitzhak's Hasidic Torah commentary which emphasizes our spiritual capacity to transform consciousness and so our life experience The selections are paired with Rabbi Slater's commentaries to illuminate their message **Honey from the Rock** Lawrence Kushner, 2000 Quite simply the easiest introduction to Jewish mysticism you can read An insightful and

absorbing introduction to the ten gates of Jewish mysticism and how it applies to daily life **A Time to Mourn, a Time to Comfort** Ron Wolfson, 2005 A Step by Step Guide for Honoring the Dead and Empowering the Living When someone dies there are so many questions from what to do in the moment of grief to dealing with the practical details of the funeral to spiritual concerns about the meaning of life and death This indispensable guide to Jewish mourning and comfort provides traditional and modern insights into every aspect of loss In a new easy to use format this classic resource is full of wise advice to help you cope with death and comfort others when they are bereaved Dr Ron Wolfson takes you step by step through the mourning process including the specifics of funeral preparations preparing the home and family to sit shiva and visiting the grave Special sections deal with helping young children grieve mourning the death of an infant or child and more Wolfson captures the poignant stories of people in all stages of grieving children spouses parents rabbis friends non Jews and provides new strategies for reinvigorating and transforming the Jewish ways we mourn grieve remember and carry on with our lives after the death of a loved one **Essential Papers on Hasidism** Gershon David Hundert, 1991-03 *A New Hasidism: Branches* Arthur Green, Ariel Evan Mayse, 2019-10-01 You are invited to enter the new old pathway of Neo Hasidism a movement that uplifts key elements of Hasidism s Jewish revival of two centuries ago to reexamine the meaning of existence see everything anew and bring the world as it is and as it can be closer together This volume brings this discussion into the twenty first century highlighting Neo Hasidic approaches to key issues of our time Eighteen contributions by leading Neo Hasidic thinkers open with the credos of Zalman Schachter Shalomi and Arthur Green Or Rose wrestles with reinterpreting the rebbe s harsh teachings concerning non Jews Ebn Leader assesses the perils of trusting one s whole being to a single personality can Neo Hasidism endure as a living tradition without a rebbe Shaul Magid candidly calibrates Shlomo Carlebach how the singing rabbi transformed him and why Magid eventually walked away Other contributors engage questions such as How might women enter this hitherto gendered sphere created by and for men How can we honor and draw nourishment from other religions teachings Can the rebbe s radiant wisdom guide those who struggle with self diminishment to reclaim wholeness Together these intellectually honest and spiritually robust conversations inspire us to grapple anew with Judaism s legacy and future The Heart of the Matter Arthur Green, 2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God s presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism s biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green s own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green s scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim

that they are all of a piece They represent one man s attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question What does it mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher s description

Laws of the Spirit Ariel Evan Mayse,2024-05-28 The compelling vision of religious life and practice found in Hasidic sources has made it the most enduring and successful Jewish movement of spiritual renewal of all time In this book Ariel Evan Mayse grapples with one of Hasidism s most vexing questions how did a religious movement known for its radical views about immanence revelation and the imperative to serve God with joy simultaneously produce strict adherence to the structures and obligations of Jewish law Exploring the movement from its emergence in the mid 1700s until 1815 Mayse argues that the exceptionality of Hasidism lies not in whether its leaders broke or upheld rabbinic norms but in the movement s vivid attempt to rethink the purpose of Jewish ritual and practice Rather than focusing on the commandments as law he turns to the methods and vocabulary of ritual studies as a more productive way to reckon with the contradictions and tensions of this religious movement as well as its remarkable intellectual vitality Mayse examines the full range of Hasidic texts from the eighteenth and early nineteenth centuries from homilies and theological treatises to hagiography letters and legal writings reading them together with contemporary theories of ritual Arguing against the notion that spiritual integrity requires unshackling oneself from tradition *Laws of the Spirit* is a sweeping attempt to rethink the meaning and significance of religious practice in early Hasidism

Hasidic Commentary on the Torah Ora Wiskind-Elper,2018-03-13 Hasidism a movement of religious awakening and social reform originated in the mid eighteenth century After two and a half centuries of crisis upheaval and renewal it remains a vibrant way of life and a compelling aspect of Jewish experience This book explores the profound intellectual and religious issues that the hasidic masters raised in their Torah commentary and brings to the fore the living qualities of their sermons

Arthur Green: Hasidism for Tomorrow Hava Tirosh-Samuelson,Aaron W. Hughes,2016-07-11 Arthur Green is Rector of the post denominational Rabbinical School and Irving Brudnick Professor of Jewish Philosophy and Religion at Hebrew College in Newton Massachusetts Originally ordained as a Conservative rabbi Green considers himself a neo Hasidic Jew identifying with none of the established Jewish denominations He combines historical knowledge of the Jewish mystical tradition with an original constructive theology Recognized as both a rabbi and a scholar Green has sought to make spiritual pursuit an essential part of committed Jewish life Through scholarship educational work and popular teaching he has contributed to the growth and vitality of Judaism in America and helped promote neo Hasidism as Jewish spirituality for the 21st century

A New Hasidism Arthur Green,Ariel Evan Mayse,2019-01-01 You are invited to enter the new old pathway of Neo Hasidism a movement that uplifts key elements of Hasidism s Jewish revival of two centuries ago to reexamine the meaning of existence see everything anew and bring the world as it is and as it can be closer together This volume brings this discussion into the twenty first century highlighting

Neo Hasidic approaches to key issues of our time Eighteen contributions by leading Neo Hasidic thinkers open with the credos of Zalman Schachter Shalomi and Arthur Green Or Rose wrestles with reinterpreting the rebbes harsh teachings concerning non Jews Ebn Leader assesses the perils of trusting one s whole being to a single personality can Neo Hasidism endure as a living tradition without a rebbe Shaul Magid candidly calibrates Shlomo Carlebach how the singing rabbi transformed him and why Magid eventually walked away Other contributors engage questions such as How might women enter this hitherto gendered sphere created by and for men How can we honor and draw nourishment from other religions teachings Can the rebbes radiant wisdom guide those who struggle with self diminishment to reclaim wholeness Together these intellectually honest and spiritually robust conversations inspire us to grapple anew with Judaism s legacy and future

Your Word is Fire ,2017-09-05 A fully updated and revised edition of a classic text on Jewish prayer The power of prayer for spiritual renewal and personal transformation is at the core of all religious traditions Because Hasidic literature contains no systematic manual of contemplative prayer the texts included in this volume have been culled from many sources From the teachings of the Hasidic Masters the Ba al Shem Tov the Maggid Dov Baer of Meidzyrzec and their immediate disciples the editors have gleaned hints as to the various rungs of inner prayer and how they are attained Hasidism the Jewish revivalist movement that began in the late eighteenth century saw prayer as being at the heart of religious experience and was particularly concerned with the nature of a person s relationship with God The obstacles to prayer discussed by the Hasidic masters distraction loss of spirituality and inconstancy of purpose feel very close to concerns of our own age Through advice parables and explanations the Hasidic masters of the past speak to our own attempts to find meaning in prayer

Iddushim Michael Fishbane,Arthur Green,Jonathan D. Sarna,2022-05-17 A Centennial writes Hebrew College President Rabbi Sharon Cohen Anisfeld is an invitation to reflect on the last century of teaching and learning at Hebrew College to ask ourselves what has changed and what has endured to explore accomplishments and share ongoing struggles to articulate our aspirations for the next one hundred years A compilation of captivating essays on Jewish studies alongside powerful personal memoirs from the College s earliest years until today iddushim captures and celebrates the spirit of a learning community connected to its source and brimming with spiritual and intellectual creativity as it carries forward its legacy of rootedness and renewal into the future

Studying Hasidism Marcin Wodzinski,2019-08-09 Hasidism a Jewish religious movement that originated in Poland in the eighteenth century today counts over 700 000 adherents primarily in the U S Israel and the UK Popular and scholarly interest in Hasidic Judaism and Hasidic Jews is growing but there is no textbook dedicated to research methods in the field nor sources for the history of Hasidism have been properly recognized Studying Hasidism edited by Marcin Wodzi ski an internationally recognized historian of Hasidism aims to remedy this gap The work s thirteen chapters each draws upon a set of different sources many of them previously untapped including folklore music big data and material culture to demonstrate what is still to be achieved in the study of Hasidism Ultimately this textbook

presents research methods that can decentralize the role community leaders play in the current literature and reclaim the everyday lives of Hasidic Jews **Defender of the Faithful** Arthur Green,2022-12-13 *Defender of the Faithful* is an intellectual and religious biography of Levi Yitshak of Berdychiv 1740 1809 one of the most fascinating and colorful Hasidic leaders of his time Featuring examples of Levi Yitshak s extraordinary texts alongside insightful analysis Arthur Green examines both Levi Yitshak s theology and broader philosophy *Judaism for the World* Arthur Green,2020-09-22 An internationally recognized scholar and theologian shares a Jewish mysticism for our times Judaism one of the world s great spiritual traditions is not addressed to Jews alone In this masterful book Arthur Green calls out to seekers of all sorts offering a universal response to the eternal human questions of who we are why we exist where we are going and how to live Drawing on over half a century as a Jewish seeker and teacher he shows us a Judaism that cultivates the life of the spirit that inspires an inward journey leading precisely toward self transcendence to an awareness of the universal Self in whose presence we exist As a neo hasidic seeker he is both devotional and boldly questioning in his understanding of God and tradition Engaging with the mystical sources he translates the insights of the Hasidic masters into a new religious language accessible to all those eager to build an inner life and a human society that treasures the divine spark in each person and throughout Creation

Renewed Hasidism Elie Holzer,2025-09-30 This groundbreaking volume bridges ancient wisdom and contemporary Jewish spirituality offering fresh insights into Hasidic homilies as dynamic sources of meaning and renewal Featuring nineteen scholars and educators the book delves into the mystical depth and poetic imagination of these texts revealing their power to inspire ethical and spiritual growth Through close readings and practical reflections the contributors explore innovative pedagogies for hermeneutical and existential transformation With a programmatic introduction by Elie Holzer this collection offers a rare look at the lived experience of teaching Hasidic homilies addressing classroom dilemmas and spiritual impact Essential for seekers and educators it opens new pathways to renewed Jewish spirituality and divine centered living

Charting the Mesorah Zechariah Fendel,1994 **Religious Truth** Alon Goshen-Gottstein,2020-04-02 Truth informs much of the self understanding of religious believers Accordingly understanding what we mean by truth is a key challenge to interreligious collaboration The contributors to this volume all leading scholars consider what is meant by truth in classical and contemporary Jewish thought and explore how making the notion of truth more nuanced can enable interfaith dialogue Their essays take a range of approaches some focus on philosophy proper others on the intersection with the history of ideas while others engage with the history of Jewish mysticism and thought Together they open up the notion of truth in Jewish religious discourse and suggest ways in which upholding a notion of one s religion as true may be reconciled with an appreciation of other faiths By combining philosophical and theological thinking with concrete case studies and discussion of precedents and textual resources within Judaism the volume proposes new interpretations of the concept of truth going beyond traditional exclusivist uses of the term A key aim is to help Jews seeking dialogue with other religions to do so while

remaining true to their own faith tradition in pursuit of this the volume concludes with suggestions of how the ideas presented can be applied in practice CONTRIBUTORS Cass Fisher Jerome Yehuda Gellman Alon Goshen Gottstein Avraham Yizhak Arthur Green Stanislaw Krajewski Tamar Ross
