

XAVIER DE MAISTRE

A Journey around my Room

Foreword by Alain de Botton

Around My Room

Xavier De Maistre

Around My Room:

Voyage Around My Room Xavier de Maistre, 2016-03-17 A lively and utterly singular travelogue of the intricate curiosities that are directly within one's own reach. In 1790 while serving in the Piedmontese army the French aristocrat Xavier de Maistre 1763-1852 was punished for dueling and placed under house arrest for forty-two days. The result was a discursive mischievous memoir *Voyage Around My Room* and its sequel *Nocturnal Expedition Around My Room*. Admired by Nietzsche and Machado de Assis, Ossian and Susan Sontag, this classic book proves that sitting on the living room sofa can be as fascinating as crossing the Alps or paddling up the Amazon. In addition to the *Voyage and Expedition*, this edition also includes the dialogue *The Leper of the City of Aosta*, a preface by Xavier's better-known older brother the royalist philosopher Joseph de Maistre, and an introduction by Richard Howard.

Journey Around My Room Xavier De Maistre, 2018-01-01 Finding himself locked in his room for six weeks, a young officer uses his imagination to travel around his room using the various objects it contains as inspiration for a delightful parody of contemporary travel writing and exercise in Sternean picaresque and humorously demonstrating what one can explore without having to travel to exotic locations. Contains a foreword by Alain de Botton.

Get Out of My Room! Jason Reid, 2017-01-19 Everybody has a teen bedroom story. The teen bedroom has universally been regarded as a safe haven for adolescents from all classes and backgrounds and a near-sacred space that's basically off-limits to everyone but its teenage occupants and their invited guests. But it's a relatively recent Western phenomenon that assumed a prominent role in socializing teens and shaping their identities during the years following World War II. As part of the identity-shaping process, the teen bedroom became a safe space for teens to express their growing consumer power parallel to the emergence of youth subcultures after the War. Reid tracks the history of bedrooms for children back to the Civil War period, though the bulk of his research stretches from the late 1950s through the beginning of the 21st century. The rock posters, stuffed animals, and record players that found their way into teen bedrooms during this period represent ways in which trends became major contributors to the postwar consumer economy. Reid by no means neglects popular culture in the meantime, detailing the ways in which the teen bedroom appeared in song, film, television, and literature. It was often portrayed as a space of personal development and self-expression but also as a site of profound loneliness and romantic longing. To quote the Beach Boys' 1963 hit song "In My Room," the postwar teen bedroom featured just as much sighing and crying as it did scheming and dreaming.

Check the Gs Ray Shasho, 2011-03-21 At an age when most kids are just getting rid of the training wheels on their bicycle, Ray Shasho entered into a crazy world of secret lingo and bullying sales tactics at the Chin Lung Art Gallery, his father's retail store on the corner of Thirteenth and F Street in Washington, DC. *Check the Gs* is the true story of how this bizarre family business changed his world forever. Raised by a Cuban Catholic mother and Syrian Jewish father, Shasho made

his first sale at the age of six and never looked back Life in the family business and in the Shasho family was never boring From FBI interrogations to angry mobs each new day at the Chin Lung Art Gallery brought with it new adventures Check the Gs tells a story for everyone who is proud of their family and heritage but not afraid to laugh at its many eccentricities and for anyone who has ever worked in retail and experienced its humorous situations and misadventures *Annual Report of the Board of Regents of the Smithsonian Institution* Smithsonian Institution.
