Arrow In The Wind:

Arrow's Wind Gina Manis, 2020-11-17 For five years I have let my haunted past keep me in the shadows of the city but that ends today Today I am leaving and striking out on my own to build a new life for myself in the peace of the mountains I am going it alone until I discover that Arrow my brother's friend has followed me Arrow knows of my past and he has never stepped over the boundaries I have set with men so I let him join me Yet the nightmares from my past never go away They continuously feed my fears of getting close to any man including Arrow On our journey we stumble across the path of the Dream Walker With his whispers I give in to his charms hoping they will heal me Night after night he visits taking my nightmares away and I find myself falling in love with him But he isn't real Arrow however is real He has always stood by me and although he pushes me at times no man has ever made me feel so safe I want to give in to love and a future I never saw for myself To do so I will have to face my past once and for all Warning This book deals with the challenges a woman may face after an attack by rape There is a brief reflection of the act that is shown in a dream state This story was written in the perspective of overcoming emotional fears self doubt and having the support of loved ones to help see you through The state of mind the young woman experiences is built around a menage relationship in a part of reality and fantasy
