apprenticeship that I truly grasped the empirical nature behind mastering this craft and the challenge of passing down that wisdom That s why I ve put my heart and soul into this book Drawing from the teachings of various masters I met along the way supplemented by my own research into books and digital resources filling the gaps left by my own journey in the industry Because let s face it we all learn differently at our own pace and with our own interests driving us forward This isn t just another tattoo book it s your personal roadmap through the defying world of tattooing Tear it apart scribble in the margins and explore its contents on your own terms Inside you ll find pages full of history techniques styles and insider tips from professional artists who ve walked the same path I m still that eager artist hungry for knowledge and this book is my contribution to fellow apprentices like you Consider it a compendium of everything I ve learned the first step in what I know will be a lifelong journey Welcome to Inklopedia A Journey into the Tattoo Apprentice s World let s ink together
