D. H. Cole* L. P. Carpenter, 1973 A sensitive analysis of the thought and intellectual development of G D H Cole 1889 1959 the distinguished Labour historian Cole s career is traced from his earliest days in the Labour movement to his final years as Chichele Professor of Social and Political Thought at Oxford Professor Carpenter examines Cole s role in the creation of Guild Socialism his work in the early 1920s when after the decline of Guild Socialism he turned towards the analysis of policies research through the New Statesman and the New Fabian Research Bureau and teaching at Oxford his attempts to provide a policy for the Left in the 1930s the idea of economic planning and the Popular Front his activities during the Second World War and his place in the debates over the Labour movement s cause after the 1945 government Finally Professor Carpenter discusses Cole s courageous recognition towards the end of his life that Socialism had not come and his attempts to start a new cycle of research in one of the first efforts to create a New Left

**Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *The Literate Eye* Rachel Teukolsky, 2009-07-23 In Victorian Britain authors produced a luminous and influential body of writings about the visual arts From John Ruskin s five volume celebration of J M W Turner to Walter Pater s essays on the Italian Renaissance Victorian writers disseminated a new idea in the nineteenth century that art spectatorship could provide one of the most intense and

meaningful forms of human experience In *The Literate Eye* Rachel Teukolsky analyzes the vivid archive of Victorian art writing to reveal the key role played by nineteenth century authors in the rise of modernist aesthetics Though traditional accounts locate a break between Victorian values and the experimental styles of the twentieth century Teukolsky traces how certain art writers promoted a formalism that would come to dominate canons of twentieth century art Well known texts by Ruskin Pater and Wilde appear alongside lesser known texts drawn from the rich field of Victorian print culture including gallery reviews scientific treatises satirical cartoons and tracts on early photography Spanning the years 1840 to 1910 her argument lends a new understanding to the transition from Victorianism to modernism a period of especially lively exchange between artists and intellectuals here narrated with careful attention to the historical particularities and real events that informed British aesthetic values Lavishly illustrated and marked by meticulous research *The Literate Eye* offers an eloquent argument for the influence of Victorian art culture on the museum worlds of modernism in a revisionary account that ultimately relocates the notion of the modern to the heart of the nineteenth century

**Political Fictions** Michael Wilding, 2024-02-29 First published in 1980 *Political Fictions* is a work of literary criticism with emphasis on the specific handling of literary forms The author examines the way in which writers exploring radical politics simultaneously explore radical literary possibilities and look at the various sorts of fictional modes they use romance utopian fable discovered manuscript imaginary book He shows how all the writers under discussion experiment with non realistic forms sometimes in dialectical combination with realism as one of the poles of the novel s structure sometimes in rejection of realism Wilding has selected six such writers and examines some of their work in detail Mark Twain William Morris Jack London D H Lawrence Arthur Koestler and George Orwell He has chosen works which he believes have been misunderstood and ignored by Left as well as Right This is a must read for scholars and researchers of English literature and critical theory

**Performing Marx** Bradley J. Macdonald, 2012-02-01 *Performing Marx* looks at what it means to be a Marxist dealing with contemporary political and theoretical developments in the twenty first century Drawing upon Marx s work Western Marxism and poststructuralist theory Bradley J Macdonald explores how a living tradition of Marx s ideas can constructively engage a politics of desire and pleasure ecological sustainability a politics of everyday life that takes seriously popular culture and the nature of globalization and of the radical forces being arrayed against the logics of global capitalism By engaging such crucial issues Macdonald also provides important clarifications of the work of William Morris Guy Debord and the situationists Michel Foucault Antonio Negri Ernesto Laclau and Chantal Mouffe as they relate to Marx

**Folk Art Potters of Japan** Brian Moeran, 2013-12-19 This is a study of a group of potters living in a small community in the south of Japan and about the problems they face in the production marketing and aesthetic appraisal of a kind of stoneware pottery generally referred to as mingei or folk art It shows how different people in an art world bring to bear different sets of values as they negotiate the meaning of mingei and try to decide whether a pot is art folk art or mere craft At the same time this book is an

unusual monograph in that it reaches beyond the mere study of an isolated community to trace the origins and history of folk art in general By showing how a set of aesthetic ideals originating in Britain was taken to Japan and thence back to Europe and the United States as a result of the activities of people like William Morris Yanagi So etsu Bernard Leach and Hamada Sho ji this book rewrites the history of contemporary western ceramics *Library Catalog* Metropolitan Museum of Art (New York, N.Y.). Library,1960 The Cambridge bibliography of English literature. 3. 1800 - 1900 Frederick Wilse Bateson,1940 *The Market and its Critics (Routledge Revivals)* Noel Thompson,2014-10-03 The Market and Its Critics first published in 1988 considers the reaction of socialist writers to the growth of the market economy in nineteenth century Britain and examines in detail the diverse elements of the critique which they formulated Dr Thompson looks at the theoretic and thematic continuities and discontinuities over the century structuring his study around the idea of a changing socialist response to the market economy Much of the literature in question is comprehensive perceptive and acute However the writers invariably discounted the possibility of the market playing a role in a future socialist or communist commonwealth The solutions they posited to the problem were inapplicable to the increasingly industrial economy of the time It was this that left their writing vulnerable to attack and which had profound consequences both for the fate of the socialist political economy in nineteenth century Britain and its subsequent evolution in the twentieth century **Journal of the Society of Arts** ,1898 **Journal of the Royal Society of Arts** Royal Society of Arts (Great Britain),1883
