Scooters Pixel Pete, Eric Dregni, Peter Martin, 1995 **All My Born Days** Kenneth Shipe, 2003 In All My Born Days Stories by a Sharecropper's Son a historical autobiography Kenneth R Shipe looks back on his early life in the poverty-stricken hills of West Virginia and recalls how his parents struggled during the Depression to scratch a living from the soil for a family of ten He tells how a New Deal farm loan made it possible for his father to work as a sharecropper in Maryland and describes the primitive processes the Shipe family used for growing and harvesting crops butchering animals and preserving meat The Shipes were ruled by the forces of nature bitter cold winters a flood that washed over their West Virginia home and

a forest fire that surrounded their house in Maryland and had Ken and his family flat on their bellies gasping for breath Ken remembers humorous incidents from his days in a country schoolhouse and how he almost lost his life when his new bicycle ran off a mountain road And he writes about World War II which snatched up his brothers and critical farm helpers leading to failure of the Shipes sharecropping venture and subsequently his own call to duty as a Marine in the Korean War 366 Days Scott Allsop,2016-11-14 Stretching from Ancient Rome to the World Wide Web and from the Danelaw to the Cold War 366 Days is an engaging and entertaining chronicle of the highs and lows of world history Whether it heralded a world changing new discovery the assassination of a leading politician or a cow flying in a plane this collection of true stories and trivia from world history proves that there is always something to be remembered on this day Each historical account has been painstakingly researched to clearly explain its causes course and consequences Scott Allsop is an award winning history teacher and host of an iTunes Top 100 history podcast He has drawn on over a decade s worth of teaching experience in the UK Egypt and Romania to compile this fascinating and accessible daily guide to some of the most compelling historical events that have shaped today s world **Boys' Life** ,1957-04 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **One Day at a Time** James. National Service Life Stories Peter Gurney,Matthew Grant,Joel Morley,2025-01-25 National service was a defining feature for a generation of young men in post war Britain Around 2 3 million of them were called up between the end of World War Two and 1963 when conscription ended However national service was forgotten almost before it had ended a process aided subsequently by professional historians who have been reluctant to assess its longer term influence on British social and political history Based on original oral interviews with well over one hundred men this book explores the ways in which compulsory military participation reverberated in the memories of interviewees long beyond the end of conscription and how these early military experiences shaped their later life stores Unlike existing accounts that tend to rely on memoirs written by officers or else oral interviews that concentrate narrowly on the details of military service this study focusses instead on men from working class backgrounds and it situates national service in the context of the life course and the wider transformations that have occurred in British society since conscription ended In so doing the work shines new light on important areas of current scholarly interest and historiographical concern including the changing meaning and experience of class masculinity and citizenship as well as the complexities of popular memory *D-Day to VE Day* Anton Rippon,Nicola Rippon,2024-07-30 Covers the final year of World War II in Europe On the evening of Monday 5th June 1944 the people of Britain went to bed with a sense of great events impending They knew that any day now would come news of the battle that

would forever alter the course of their lives and the lives of their children and their grandchildren The following day s morning newspapers and early radio news bulletins were full of the fall of Rome to the Allies which had been announced the day before But then at 9 33 am on that Tuesday came the brief announcement Allied naval forces supported by strong air forces had begun landing Allied armies on the coast of France D Day had finally dawned D Day to VE Day tells the story of the last year of the Second World War in Europe from the Normandy landings and on through the hard slog to that long awaited day 8th May 1945 when Britain broke out the bunting rolled out the barrel and celebrated victory over Hitler The air raid sirens were silenced the lights could be switched on again and the boys would be coming home In many homes festivities were muted because the war in the Far East was still to be won but for a few short hours at least the nation could afford to let its hair down and dance in the streets Using contemporary accounts interviews newspaper reports and official documents of those final months D Day to VE Day looks at life in Britain during those vital months at the events that brought an end to war in Europe and at the redrawing of national borders that would shape a new world order **The Silent Screams**

Barbara Henderson,2010-11-24 The Silent Screams by Barbara Henderson Witness a riveting and compelling story of mental and physical abuse within a family and listen to The Silent Screams in this moving narrative It relates a story of a family a recollection of a little girl s bond with her grandfather and a daughter s revelation of her father s abuse to her mother and to them as his children Readers will follow her story from living a childhood in poverty on a tobacco farm in Tennessee to living her adult life in the foothills of North Carolina where the abuse follows How can one little girl cope with and struggle to live a normal life without letting her past dictate her future **Texas True Crime Miscellany** Clay Coppedge,2021-07-26
