Doom Castle Neil Munro,2018-05 *Fantasy Saga M* Walter Gress,2019-12-03 *Fantasy Saga M* is a tale of knight named Seren Clef who is driven to take down the empire of the corrupt Emperor Blade Lord of Swords Seren gathers companions to stop Blade from unlock the power of the Tower Sore Doom Castle Neil Munro,1901 Doom Castle Neil

Munro,2014-05-16 It was an afternoon in autumn with a sound of wintry breakers on the shore the tall woods copper colour the thickets dishevelled and the nuts in the corries of Ardkinglas the braes of Ardno dropping upon bracken burned to gold Until he was out of the glen and into the open land the traveller could scarcely conceive that what by his chart was no more than an arm of the ocean could make so much ado but when he found the incoming tide fretted here and there by black rocks and elsewhere in little bays the beaches strewn with massive boulders the high rumour of the sea breakers in that breezy weather seemed more explicable And still for him it was above all a country of appalling silence in spite of the tide thundering Fresh from the pleasant rabble of Paris the tumult of the streets the unending gossip of the faubourgs that were at once his vexation and his joy and from the eager ride that had brought him through Normandy when its orchards were busy from morning till night with cheerful peasants plucking fruit his ear had not grown accustomed to the still of the valleys the terrific hush of the mountains in whose mist or sunshine he had ridden for two days The woods with leaves that fell continually about him seemed in some swoon of nature with no birds carolling on the boughs the cloisters were monastic in their silence A season of most dolorous influences a land of sombre shadows and ravines a day of sinister solitude the sun slid through scudding clouds high over a world blown upon by salt airs brisk and tonic but man was wanting in those weary valleys and the heart of Victor Jean Comte de Montaignon was almost sick for very loneliness *Doom Castle* Neil
