Door Is Open Memoir Of A Soup Kitchen Volunteer:

The Door is Open Bart Campbell, 2001 *The Door Is Open* is a compassionate reflective and informative memoir about three and a half years spent volunteering at a skid row drop in centre in Vancouver's downtown eastside. In an area most renowned for its shocking social ills and the notorious distinction of holding the country's very poorest forward sortation area of all 7 000 postal prefixes Bart Campbell dismantles our hard held notions about poverty the disenfranchised substance abuse and the nature of charity. *The Door Is Open* is one man's story of a transformative journey into the complicated and complex world of poverty. Finalist BC Book Prize Hubert Evans Non Fiction Prize. His narrative reads like a 1930s noir journey into the seamier sides of cities once prowled by the likes of Raymond Chandler and Dashiell Hammett. It is this straight up style that is both the book's strength and on occasion its only weak link. Readers looking for a sense of hope will find little of it in Campbell's gritty descriptions. Indeed some readers might mistake his unrelenting portrayal of skid row inhabitants as representative of the homeless population across Canada most of whom are not victims of addiction or mental illness but of an economy that has been stacked against them for most of their lives if not for generations before. Quill Quire. What is most refreshing about Campbell's memoir is that it neither self aggrandizes nor propagates a misinformed political message. His work has an objective tone and each chapter is well researched. This is one of the best books I've read all year.

Discorder Finalist City of Vancouver Book Prize **The Door is Open : Memoir of a Soup Kitchen Volunteer**, 2015 **A Faithful Public-Prophetic Witness** Barry K. Morris, 2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter. As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairo time. Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle. Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed. Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant. Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful realism and perspective of prophetic eschatology. *Hopeful Realism in Urban Ministry* Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope. Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box. Frequently justice is collapsed to charity hope into wishful thinking or

temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy *Canadian Book Review Annual*, 1975 **In Plain Sight** Leslie A. Robertson, Dara Culhane, 2005 Seven life stories from Vancouver's Downtown Eastside giving voice to women who are seldom heard on their own terms *Quill & Quire*, 2001 **South of the Frontera; a Peace Corps Memoir** Lawrence F.
