**The Accidental Spy Series (Complete Trilogy)** Stephenia H. McGee, 2016-09-08 The complete trilogy of exciting Accidental Spy novels Captured and mistaken as a spy can she unravel a conspiracy before her secrets cost a man his life The Accidental Spy Series is a 2020 rewrite of the previously published Liberator Series Book One An Accidental Spy Some secrets change the world Once a privileged heiress Annabelle Ross is now struggling to hold her home and her life together through the devastation of the War Between the States But with a forced marriage and a desolate future on the horizon her hopes are beginning to dwindle When she discovers an encrypted note on a dying soldier she seizes the opportunity to use it to deliver a message of her own Instead she is mistaken for a spy and captured Now her only chance to escape is the handsome soldier in charge of discovering her secrets After his brother is captured by enemy soldiers Matthew Daniels vows to rescue him at any cost When a secret society offers him a chance for retribution Matthew must decide between his loyalties and his convictions To prove himself he will have to first unmask the spirited spy holding the key to their plans or risk losing his brother forever Book Two A Dangerous Performance History can change in the blink of an eye Annabelle's bravery unraveled a destructive plot and saved the president but now the thwarted conspirators grow desperate While trouble turns more deadly in Washington Matthew and Annabelle escape to New York where they have finally succeeded in finding Matthew's brother But breaking him out of Elmira prison is about as likely as saving her fractured inheritance Protecting Annabelle put Matthew on the wrong side of some very dangerous men but he will do anything to save the woman he loves even if it means keeping her from the truth With time running out and an unexpected miracle testing what remains of his faith Matthew must confront his fears or risk losing her heart forever Book Three A Daring Pursuit To form a future they must reconcile the past When Annabelle failed to stop the nation's first presidential assassination not only did the country plunge into chaos but she is mistaken for one of the conspirators Imprisoned and berated while waiting for trial she wants nothing more than to return to Rosswood Plantation But in order to gain her freedom she must decide between trusting a man from her past or keeping her faith in the increasingly distant soldier she has come to love Forced to choose between his allegiances and the safety of the people he loves Matthew finds himself swept into the most massive manhunt in history John Wilkes Booth has disappeared and everything Matthew holds dear rests on finding the assassin But to finally bring the conspirators to justice Matthew must first conquer his own demons Can he discover the power of redemptive love or will his future with Annabelle be another casualty of war *Specifications and Drawings of Patents Issued from the United States Patent Office* United States Patent Office, 1912 *A Plague of Murder* Michael Averon, 2022-02-14 BEFORE THE RIPPER THERE WAS THE PLAGUE MAKER England 1870 A woman is murdered her child taken For residents of a small railway town such a crime in their midst is as shocking as it is terrifying Yet for local Police Constable John Tanner the nightmare is only just beginning when he follows the trail to Whitechapel home of the London Metropolitan Police Force's legendary H Division

There he will meet Detective Sergeant Henry Lofthouse a disillusioned officer of Scotland Yard's reorganised Detective Branch Confronted with murders unlike any yet seen these two very different men must grapple with deception mistrust and their own demons if they are to stop a relentless killer from fulfilling a horrifying ambition In this sweeping character driven epic Michael Averon weaves a dark tale of murder betrayal love lust and vengeance to craft a bloodsoaked tapestry knotted with vicious twists and turns that will stay with you long after the final page From the quiet bustle of a provincial town to the dark underbelly of Victorian London A Plague of Murder opens the door on a richly detailed world igniting a saga that will lead to the blade of Jack the Ripper himself
