## Doors Of The World:

**The Doors of the Mansions** Minister Redd,2004-12 How much spiritual enlightenment do you have concerning the Many Mansions Jesus spoke about in John 14 2 when he said In My Father s House are Many Mansions Because those Mansions that Jesus makes reference to are all the born again humans that have become new creatures in Christ Jesus who is the Father s Spiritual House Located on around and in these Mansions are doors that the owner built so that the Mansions may be entered legally Therefore by virtue of the existence of a door anyone who enters another s property without the use of a door or permission from the owner with the intent to remove or replace items not authorized by the owner is considered to be a thief and a robber by Our Lord and Savior Jesus Christ as written in John 10 1 In this book The Doors of the Mansions Minister Redd gives spiritual enlightenment on some devices 2Cor 2 11 Satan and other unclean spirits utilize to re enter Luke 11 24 a Man s life after being born again a New Creature in Christ Jesus Doors of the Night Frank L.

**Doors of Satan** Bill Vincent,2022-04-11 This will be a typical Sunday morning sermon That was a joke of course It ought to be This title was bestowed upon me by God When I heard that I felt a shiver run down my spine The Open Doors of Satan We

should all be aware that we frequently give way to an open door We occasionally open something in our lives without even realizing it To break in all you need is access access to something otherworldly I m not referring to the supernatural or celestial realms I m referring to Satan s supernatural world When you talk about the supernatural you re talking about the realm of the unknown That s not only good but also bad Our souls can be accessed through a door There is a door and the enemy can enter through it It makes no difference whether it s merely a crack All you need is a crack in your door and he ll be able to come in Between light and darkness this door is slightly open Our adversary is confined to the world of darkness by God s holy decree He doesn t have access to light The law will not be changed by the Bible Jesus triumphed and that power remains in our midst Is it necessary for us to know whether or not we can still open the door I m sure there are a few of you who are perfect and because you re so holy you ll be going to Heaven soon You ve never had anything wrong with you You never sin and I know that but for the rest of us there is an open door that occasionally appears and it occurs as a result of something we do I m going to discuss a specific aspect of one problem that is linked to a slew of other issues I know you re going to be excited so take a deep breath and relax so you can stay focused We are free of these wicked forces but if the door is left open Satan and his henchmen get legal access Their goal is to keep the places that open the door under control Because all they need is access and once they have access they have legal rights We have granted the adversary legal rights because we have given them to them Have you ever felt as if the enemy was deliberately targeting you Let s face it I ve been there You re the one who opened the door God stated one day Have you ever received a word from God and then requested a different one Hallelujah Access by the enemy invariably leads to death destruction and the loss of freedom It could even be your life on the line In Matthew 16 18 Jesus refers to these doors as gates The gates of hell he said precisely Are these the gates of hell Any Christian should be aware that the adversaries have had access to a large portion of the Body of Christ at times and the Body of Christ has just shrugged it off as normal Do you realize there are a lot of folks who don t believe in the demon realm don t believe in fighting a good faith struggle yet still attend church Do you recall what a prophet once told me If the enemy isn t stirring things up against you if he isn t coming for you then you re on the wrong track he says God be praised Hallelujah Right now I can confidently state that I am on the right track I used to have a good season but not anymore

their identity in the body of Christ and be strengthened for their vocation in God's public world. The key to unlocking the book is to use the questions for reflection and discussion. **Seven Doors to Islam John Renard, 2023-11-15**

Seven Doors to Islam reveals the religious worldview and spiritual tradition of the world's one billion Muslims. Spanning the breadth of Islamic civilization from Morocco to Indonesia, this book demonstrates how Muslims have used the literary and visual arts in all their richness and diversity to communicate religious values. Each of the seven chapters opens a door that leads progressively closer to the very heart of Islam, from the foundational revelation in the Qur'an to the transcendent experience of the Sufi mystics. However, unlike most studies of Islam which see spirituality as the concern of a minority of mystical seekers, Seven Doors demonstrates its central role in every aspect of the Islamic tradition. **Behind the Doors of San Miguel de Allende Robert De Gast, 2000**

Robert de Gast, author of the popular *The Doors of San Miguel de Allende*, crosses the thresholds of homes in this historic Mexican town to discover their remarkable outdoor paradises: sunstruck, lushly colored courtyards, patios, and breezeways that lay beyond them. Come with de Gast as he guides viewers to parts of San Miguel visitors seldom see and offers glimpses into the daily lives and traditions of those who live in this unique place. Established in the sixteenth century as a Franciscan mission, the lovely town of San Miguel de Allende has been an art and artisanal center for nearly two centuries. Its cool summers and mild winters have more recently made it a popular destination for vacationers from North America and Europe. A part-time resident of San Miguel since 1991, Robert de Gast is an award-winning photographer and a widely published writer. His avocations include hot air ballooning, which he pursues in Mexico, and sailing, which he does for part of the year on the East Coast of the United States.

**Doors of the Church Are Open: Smoke & Mirrors by Sonya Shuman, 2015-04-01**

Welcome to the life of the Golden family. Al Golden, a man, a reformed drug dealer turned entrepreneur and pastor of the largest church in Newark, New Jersey. The Golden family has it all: Looks, fame, fortune, faith, and God's favor. Another thing they have that is not so apparent to the untrained eye of the public that praises them is flaws. Lauded and loved by the residents of the city of Newark, they can do no wrong. Or so it seems from the outside looking in. The invisible dome that had surrounded the Golden family for so long begins to crack.

beneath the weight of unresolved issues and grief at the passing of their beloved Carla Golden the matriarch The Golden's shiny exterior begins to tarnish before everyone's very eyes as their past comes back to haunt them and bad habits hidden in the darkness secrets held behind the closed doors and the velvet rope of the pulpit of the church are brought to light Will they survive under the weight of the pressure of exposure In mid fall off of the religious pedestals set so high by the community do they have the strength to keep their composure A microcosm for the hypocrisy that lies underneath the covers of American society the Golden family a sleeping giant is about to be exposed A tale of truth and lies loss lust love life and grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man's will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons notwithstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the *sex per se* Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God's Holy Spirit

**The Doors of Midnight** R.R. Virdi, 2024-08-15 A breathtaking Silk Road inspired epic fantasy an ode to the power of storytelling and an adventure story filled with magic this is the captivating sequel to *The First Binding* Some stories are hidden for a reason All tales have a price And every debt must be paid I killed three men as a child and earned myself the name Bloodletter Then I set fire to the fabled Ashram I've been a bird and robbed a merchant king of a ransom of gold And I have crossed desert sands and cutthroat alleys to repay my debt I've stood before the eyes of God faced his judgement and cast aside the thousand arrows that came with it And I have passed through the Doors of Midnight and lived to tell the tale I have traded

one hundred and one stories with a creature as old as time and survived with only my cleverness a candle and a broken promise And most recently of all I have killed a prince though the stories say I have killed more than one My name is Ari These are my legends And these are my lies
