Doorways To The Soul:

Doorway Simon Unwin, 2007 Illustrated with numerous drawings and photographs Doorway is a stimulus to thinking about what can be done with architecture The notebook style offers an example to student architects of how they might keep their own architecture notebooks

Sacred Thresholds: The Door to the Sanctuary in Late Antiquity Emilie M. van Opstall, 2018-07-10 Sacred Thresholds The Door to the Sanctuary in Late Antiquity offers a far reaching account of boundaries within pagan and Christian sanctuaries gateways in a precinct outer doors of a temple or church inner doors of a cella The study of these liminal spaces within Late Antiquity itself a key period of transition during the spread of Christianity when cultural paradigms were redefined demands an approach that is both interdisciplinary and diachronic Emilie van Opstall brings together both upcoming and noted scholars of Greek and Latin literature and epigraphy archaeology art history philosophy and religion to discuss the experience of those who crossed from the worldly to the divine both physically and symbolically What did this passage from the profane to the sacred mean to them on a sensory emotive and intellectual level Who was excluded and who was admitted The articles each offer a unique perspective on pagan and Christian sanctuary doors in the Late Antique Mediterranean

Opening The Door Tess Marcin, 2010-04-19 Like the bubbles that begin to rise from the bottom of the kettle getting ready to boil so do the thoughts rise from the inner to evolve into a philosophic work Each bubble filled with a thought from the well of spirit

An Earthly Journey: The Story of One Soul's Evolution James Samuelson, 2014-06-25 On the surface this book is the story of the author's sixty year journey that takes him from the Midwest to Arizona and finally to Virginia An Earthly Journey tells of those who impacted him on his journey The surface story though important is only one piece of the puzzle The story is also about a dog and higher dimensional entities a very special piece of land and a remarkable woman It is a love story that began long ago existing in many lifetimes It is James's story and it is Angelica's story and the book could not exist without both of them This book is a doorway a glimpse into a reality which is contrary to third dimensional conditioning an example of the possible It is an invitation for readers to understand their own journeys to put together all the random events of their lives and find the connections Ultimately the book is what you discover it to be and hopefully what it ignites within you

as that of contemporaries like W B Yeats and Ezra Pound Back To Basics Jodie Hoagland,2024-07-17 People are all so hurt and broken We want peace and joy that is supposed to come through Jesus Christ but wonder why we are so miserable and full of chaos and turmoil Many assume this is just Christianity that this is all Jesus is So what is the point of giving my life over to this We need answers on how to seek Jesus and truly find Him and how to fix what is broken inside We need to learn how to apply the principles of Scripture to our lives so that we can truly be free rather than looking to all the other things of the world Christianity has been so skewed over the last several generations that it is hardly recognized The church rarely calls out and exposes satan and never teaches how to fight We are told not to give him place in our lives yet are not taught how to keep him from having a place in our lives This book is a raw look at the truth of Scripture that got Jesus crucified We need to relearn the word of God and break the strongholds of lies that have been put upon us It is time we get back to basics of Scripture and learn Christ s truth the way He intended it to be He loves you so much and cannot wait to show you You matter You have purpose Are you ready for the truth *His Story* Stuart Hacking,2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn t oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here Beyond Death's Door Gerald Wheeler,2009 People have been trying to comprehend death for millennia nearly every culture known to humanity has put forth some theory of what happens to a person after life But who knows what really happens Not one of us alive today has experience death firsthand Although the Bible has much to say on the subject of death there are several conflicting views of the afterlife Which one is actually biblical And which view does science support Beyond Death s Door examines the Bible and science for the truth about the afterlife and discovers that one of the first lies told humanity has been taught as gospel truth for thousands of years **Love is the Key to Open all Doors** Deborah Millender,2023-03-16 This book is about how our governor Mike DeWine put us all through life when we all needed the process of being together through crisis that we are in and we need the love to go through our everyday lives and jobs to get through to be able to live by That is why I call love is the key to open all doors *Opening the Door Just a Crack* Christine J. Dieckhoff,2012-06 Hopefully there are a few poems in this book with which you will connect and say That s exactly how I felt at one time or another Kent E Olsen Author of *Alone in a Pew* Is everyday life intriguing to you *Opening the Door Just a Crack* inspects the little wonders of life from the physical

to the spiritual Explore the author s innermost feelings and her relationships with the many people who cross her path The reality of life with its ups and downs and joys and sorrows provides the perfect backdrop for this unique collection of poetry Whether exploring the sun and the stars angels dreams and reality or the promise of love author Christine Dieckhoff shares her perspective of the world in which we live We are not alone in our perception of the world around us our feelings and the greater community of humankind There are no magical answers to having a wonderful life but Opening the Door Just a Crack reveals how to seek out ways to survive and enjoy the events that unfold each day Seeking Spirituality My Soul Knows Your Soul No matter where we are I know we will remain friends For our souls have met and touched And now my soul knows your soul When we meet there s hopeful anticipation for happiness Our souls reach out to one another to make it so When your soul soothes mine I feel recognition and admiration Comfort and contentment Joy and peace If we part God will keep our souls together Because souls can not be separated Once they have touched in His presence They become as one With a deeper knowledge of self Forever Whether exploring the sun and the stars angels dreams and reality or the promise of love author Christine Dieckhoff shares her perspective of the world in which we live We are not alone in our perception of the world around us our feelings and the greater community of humankind There are no magical answers to having a wonderful life but Opening the Door Just a Crack reveals how to seek out ways to survive and enjoy the events that unfold each day
